Once And Future Army:

The Once and Future Army Dayton McCarthy, 2003 This is the post war history of the Citizen Military Forces CMF the predecessor to today's Army Reserve Once numerically superior to the Australian Regular Army it was the predominant component of the Army until the changing nature of warfare favored the use of professional regular soldiers This book illustrates its organization role and social composition along with the rivalry with the Regular Army

The Once and Future Me Melissa Pace, 2025-08-19 Dark Matter meets *Girl Interrupted* in this gripping psychological thriller about a young woman teetering on the edge of reality Virginia 1954 When a woman wakes on a patient transport bus arriving at Hanover State Psychiatric Hospital she remembers nothing of her life before that moment none of the dark things she must've seen and done that forged her into the skillful and cunning fighter she is Doctors tell her she's Dorothy Frasier a paranoid schizophrenic committed for her violent delusions She's certain they're wrong until disturbing visions of a dystopian future in which frantic scientists urge her to complete the mission and save mankind begin to invade her reality Believing it's Hanover causing the hallucinations she tells no one and focuses only on escaping until there's a visitor A man whose loving face and touch she remembers a man who knows all about her visions because he's spent years helping her cope with them her husband Paul Frasier Now she's sure of nothing caught between two realities Believe in the future and she might save the world Believe in her husband and doctors plans for her treatment and she might save herself She needs answers but to get them she'll have to harness the darkness inside her as she risks her freedom her mind and ultimately her life in a heart stopping quest for the truth

The Once and Future Spy Robert Littell, 2025-03-11 In this espionage classic by the New York Times bestselling author of *The Company* two CIA operatives one with something to hide the other with something to prove face off when a top secret scheme is exposed The most elite levels of the CIA's Counterintelligence unit are on the verge of pulling off an operation so huge it will change global politics and so secret that it has no paper trail But the operation's organizer Roger Wanamaker has evidence that the plan has sprung a leak Now it is a deadly race against time to walk back the cat isolate the leak and plug it before the scheme is exposed and an international conflict is ignited Meanwhile analyst Silas Sibley nicknamed The Weeder due to his talent for parsing intelligence with experimental computer technology has uncovered information no one was ever meant to find Now he has to decide what to do with it expose the unfolding atrocity even if it means cutting the knees out from the intelligence agency he works for and has up until now believed in Or is there some other solution Clinging fiercely to the legacy of his ancestor American Revolutionary war hero Nathan Hale the Weeder takes matters into his own hands Surprising and complex this psychological deep dive into obsession loyalty and history poses the question Whose truth should be believed

T.H. White's The Once and Future King Elisabeth Brewer, 1993 Malory's chivalric virtues are rejected in favour of White's own 20th century values the love affair of Lancelot and Guenever is interpreted in terms of modern psychology

Our Once and Future Planet Paddy Woodworth, 2013-10-15 The

environmental movement is plagued by pessimism And that s not unreasonable with so many complicated seemingly intractable problems facing the planet coupled with a need to convince people of the dangers we face it s hard not to focus on the negative But that paints an unbalanced and overly disheartening picture of what s going on with environmental stewardship today There are success stories and Our Once and Future Planet delivers a fascinating account of one of the most impressive areas of current environmental experimentation and innovation ecological restoration Veteran investigative reporter Paddy Woodworth has spent years traveling the globe and talking with people scientists politicians and ordinary citizens who are working on the front lines of the battle against environmental degradation At sites ranging from Mexico to New Zealand and Chicago to Cape Town Woodworth shows us the striking successes and a few humbling failures of groups that are attempting to use cutting edge science to restore blighted polluted and otherwise troubled landscapes to states of ecological health and in some of the most controversial cases to particular moments in historical time before widespread human intervention His firsthand field reports and interviews with participants reveal the promise power and limitations of restoration Ecological restoration alone won t solve the myriad problems facing our environment But Our Once and Future Planet demonstrates the role it can play and the hope inspiration and new knowledge that can come from saving even one small patch of earth

The Once and Future Liberal Mark Lilla,2018-04-19 For nearly forty years Ronald Reagan s vision small government lower taxes and self reliant individualism has remained America s dominant political ideology The Democratic Party has offered no truly convincing competing vision Instead American liberalism has fallen under the spell of identity politics Mark Lilla argues with acerbic wit that liberals originally driven by a sincere desire to protect the most vulnerable Americans have now unwittingly invested their energies in social movements rather than winning elections This abandonment of political priorities has had dire consequences But with the Republican Party led by an unpredictable demagogue and in ideological disarray Lilla believes liberals now have an opportunity to turn from the divisive politics of identity and offer positive ideas for a shared future A fiercely argued no nonsense book The Once and Future Liberal is essential reading for our momentous times

The Once and Future Great Lakes Country John L. Riley,2013-10-01 North America s Great Lakes country has experienced centuries of upheaval Its landscapes are utterly changed from what they were five hundred years ago The region s superabundant fish and wildlife and its magnificent forests and prairies astonished European newcomers who called it an earthly paradise but then ushered in an era of disease warfare resource depletion and land development that transformed it forever The Once and Future Great Lakes Country is a history of environmental change in the Great Lakes region looking as far back as the last ice age and also reflecting on modern trajectories of change many of them positive John Riley chronicles how the region serves as a continental crossroads one that experienced massive declines in its wildlife and native plants in the centuries after European contact and has begun to see increased nature protection and re wilding in recent decades Yet climate change globalization invasive species and urban sprawl are today exerting new

pressures on the region's ecology Covering a vast geography encompassing two Canadian provinces and nine American states **The Once and Future Great Lakes Country** provides both a detailed ecological history and a broad panorama of this vast region It blends the voices of early visitors with the hopes of citizens now **Mexico's Once and Future Revolution** Gilbert M. Joseph, Jurgen Buchenau, 2013-09-04 This volume offers a concise historical analysis of the Mexican Revolution exploring its causes dynamics consequences and legacies **The Once and Future Army** Dayton McCarthy, 1997 **The Once and Future Queen** Paula Lafferty, 2025-12-16 Outlander meets The Princess Bride plus Camelot in a fresh big hearted feminist timeslip adventure reimagining the epic saga of King Arthur as told from the perspective of his spunky and surprising queen Vera complete with time travel and good running shoes Vera always knew she didn't fit in When she learns that she is meant to be in another time she leaps at the chance to embrace a new life in a world of valor intrigue and unexpected magic in this bold and romantic retelling of Arthurian legend 22 year old Vera is at a crossroads waiting tables grieving her previous relationship and jogging aimlessly each morning as if toward an uncertain future Then an odd man shows up at her workplace insisting that she was once the legendary Queen Guinevere of Camelot and that her lost memories hold the key to changing both the past and the present Somehow it all feels like the direction she's been looking for But when she asks the mysterious man to tell her more about Lancelot Arthur and a faithless queen he can only say that much of what she's heard about Camelot is wrong The truth he claims is something she must see for herself After jumping through a portal in Glastonbury's historic center Vera is not prepared for what she finds Magic is everywhere but a curse on the kingdom means it dwindles every day She has no idea how to perform a queen's duties Her fast friendship with Lancelot sets gossip flowing and the stranger she must call husband often refuses to meet her eye Arthur is a puzzle cold forbidding and while angry to her face keeps leaving secret tokens of tenderness in her chambers Worst of all Vera's memories and the answers locked within them show no signs of returning If Vera is truly destined to save Camelot she'll have to trust her instincts And her king will have to trust her **Once and Future Giants** Sharon Levy, 2011-03-22 At the close of the last Ice Age right as the first humans reached the Americas a whole menagerie of giant beasts vanished forever In **Once and Future Giants** Sharon Levy argues that understanding this mass extinction will be critical to the protection of threatened species worldwide

Posey once again found a way to drop you into history through her extraordinary storytelling Reader Review The third set of three books of the series that will keep you hooked until the end featuring the myths legends and magic of the beloved King Arthur stories surrounding heart rending romances of the men and women who lived and loved in these perilous times 7 0 Abduction of Guenivere A politically expedient marriage rife with bitter history Gawain one of Arthur s greatest warriors and companions seethes restlessly now war has ended He brings himself to marry the politically suitable Tegan of Dunoding who is far removed from the soft gentle women he prefers and irritates him more often than not Tegan s bitterness toward Gawain is driven by a history he doesn t remember and that she cannot forget which dooms the marriage When Tegan s closest friend Queen Guenivere goes missing sending Camelot into chaos Arthur tasks Gawain and Lancelot with finding the Queen Gawain shocks Tegan by seeking her unique talents to help with the quest The two must find a way to work together for the good of Camelot and Britain 8 0 Downfall of Cornwall Can Anwen help Sagramore find a way out of the darkness Sagramore and Tristan are closer than brothers sharing wine women and an affinity for feral furious fighting As heir to both the King of the Magyars and the Eastern Roman throne Sagramore is an outsider who has never been fully accepted by King Arthur s court or King Mark s either Calm composed Anwen Idria oldest daughter of the King of Strathclyde is adored by all of Camelot the moment she arrives She refuses the attention of the passionate fiery Sagramore for his wildness and blistering emotions remind her too much of her father a former slave called Idris the Slayer who terrifies her 9 0 Vengeance of Arthur The omens gather while Camelot fractures Saraid is an orphan thanks to the Saxons but has found a place as lady companion to Adrivete the daughter of King Drust of Deira She wants nothing more than to stay where she is and live a quiet uneventful life Her peace is shattered when Owain the son of the dead King of Rheged rides into Deira and demands they hand over Lamorak the murderer of his aunt Morguase of Lothian before sliding from his horse in exhaustion Then a message is received from Arthur the High King of Britain ordering Adrivete to travel to Camelot with Owain Adrivete insists Saraid travel with her When Owain unexpectedly helps her cope with the rigors of travel Saraid learns he is not at all the gruff infamous son of Rheged that rumour paints him to be Neither of them wants to go to Camelot Together they might survive the politics conspiracies and the storm that gathers over the city of miracles The series 1 0 Born of No Man 2 0 Dragon Kin 3 0 Pendragon Rises 4 0 War Duke of Britain 5 0 High King of Britain 6 0 Battle of Mount Badon Included in this boxed set 7 0 Abduction of Guenivere 8 0 Downfall of Cornwall 9 0 Vengeance of Arthur The remainder of the series 10 0 Grace of Lancelot 11 0 The Grail and Glory 12 0 Camlann Readers have described Tracy Cooper Posey as a superb story teller and her historical fantasy romances as written art Get the third boxed set today __ Praise for the series You will be drawn into a world so different so compelling You won t want to put it down Love the descriptions and settings that transport me to that world Well told and well written This book really kept me on my toes I cried so much not knowing what would

happen I m so in love with this series This series is in the right century told in the right way and based on sound research plus it s just plain old great storytelling Tracy Cooper Posey has brought the Arthurian Legend alive I am so enjoying this series it seems each book gets better and draws me in deeper A simply fantastic series that is getting better and better with each new book The more I read of this series the more I want I can t say enough good things about the series I love the way the tapestry of the historical setting is pieced together bringing the sights and sounds of the dark ages alive So good I binged on these the first time as each individual book and now in this box set I binged on them again The spellbinding story telling provided tales so complex and yet so enthralling that I was completely addicted and transported There was often a delightful theme of strong women learning about and achieving their best selves And the sword I love Tracy s explanation for how the sword ends up in the stone Such a great idea It is so much more than the book blurb promises These fast paced plots with the action intrigue and romance thickens with each book and will keep you fully engaged and up all night Tracy has an amazing ability to make you feel anxious thrilled hurt relieved You become so involved with the characters that you feel their apprehension strength relief joy fighting for what they believe in *The Once and Future Silver Queen of the Rockies*

Christine Bradley,Duane A Smith,2019-03-01 There are many studies of local communities during their heydays but the life of a community in decline is rarely studied The Once and Future Silver Queen of the Rockies delves into the life of Georgetown Colorado after the turn of the twentieth century as mining in Clear Creek County steadily declined and ultimately collapsed One of the earliest mining communities in the state Georgetown began to struggle for survival as the nineteenth century drew to a close The price of silver dropped precipitously while other mining camps were still opening around the region The new bright future once envisioned for the Silver Queen of the Rockies began to fade Yet the community managed to survive and re create itself in the new world of the twentieth century Tourism skiing and historic preservation replaced mineral extraction as the basis of the regional economy Today Georgetown maintains the aesthetic feel of a nineteenth century mining town and stands as an example of community supported historic preservation This richly illustrated sequel to The Rise of the Silver Queen tells the compelling story of Georgetown s survival and ultimate flourishing after the loss of its principal industry It is an interesting and engaging addition to the history of Colorado and the West *The Once and Future World Order*

Amitav Acharya,2025-04-08 The epic story of the past present and future of world order offering a timely Odd Arne Westad coauthor of The Great Transformation argument that the decline of the West may be a good thing for the world Since the dawn of the twenty first century the West has been in crisis Social unrest political polarization and the rise of other great powers especially China threaten to unravel today s Western led world order Many fear this would lead to global chaos But the West has never had a monopoly on order Surveying five thousand years of global history political scientist Amitav Acharya reveals that world order the political architecture enabling cooperation and peace among nations existed long before the rise of the West Moving from ancient Sumer India Greece and Mesoamerica through medieval caliphates and

Eurasian empires into the present Acharya shows that humanitarian values economic interdependence and rules of inter state conduct emerged across the globe over millennia History suggests order will endure even as the West retreats In fact the end of Western dominance offers us the opportunity to build a better world where non Western nations find more voice power and prosperity Instead of fearing the future the West should learn from history and cooperate with the Rest to forge a more equitable order This is the definitive account of how world order evolved and why it will survive the decline of the West

Citizen Soldiers Helen B. McCartney,2005-11-03 The popular image of the British soldier in the First World War is of a passive victim caught up in events beyond his control and isolated from civilian society This book offers a different vision of the soldier s experience of war Using letters and official sources relating to Liverpool units Helen McCartney shows how ordinary men were able to retain their civilian outlook and use it to influence their experience in the trenches These citizen soldiers came to rely on local civilian loyalties and strong links with home to bolster their morale whilst their civilian backgrounds helped them challenge those in command if they felt they were being treated unfairly The book examines the soldier not only in his military context but in terms of his social and cultural life It will appeal to anyone wishing to understand how the British soldier thought and behaved during the First World War **The Once and Future Queen**

Maggie O'Brien,2016-11-21 No popular culture No gossip Loved it Clare Stephenson I like the history in this book Michael Nally We spend a summer with an unlikely collection of strangers for whom for whatever reason the past is important but it is more important than they imagine The strands of their lives unexpectedly interweave Each is a piece of a living jig saw They eventually put us in the picture These extraordinary ordinary people share with us a world where life s casual and inexplicable mysteries are discussed and accepted as commonplace O'Brien explores themes of life death belief in a warm hearted and easy style that is both beguiling and funny Her undemanding intellect brings ologies and osophies out to play There is an unworldly fascinating mischief afoot here You can't help but think out of the box **An Army of Influence**

Craig Stockings,Peter Dennis,2021-11-15 The importance of regional cooperation is becoming more apparent as the world moves into the third decade of the 21st century An Army of Influence is a thought provoking analysis of the Australian Army s capacity to change with a particular focus on the Asia Pacific region Written by highly regarded historians strategists and practitioners this book examines the Australian Army s influence abroad and the lessons it has learnt from its engagement across the Asia Pacific region It also explores the challenges facing the Australian Army in the future and provides principles to guide operational administrative and modernisation planning Containing full colour maps and images An Army of Influence will be of interest to both the wider defence community and general readers It underscores the importance of maintaining an ongoing presence in the region and engages with history to address the issues facing the Army both now and into the future
