Kulikovo 1380 Mark Galeotti, 2019-02-21 The colourful enthralling story of the Russo Mongol battle of Kulikovo involving the killing of a Muscovite prince only for it to turn out to be a body double and an unexpected ambush to turn looming defeat into glorious victory The 14th century Mongol conquest of the Rus the principalities of Russia was devastating and decisive Cities were laid waste new dynasties rose and for a hundred years the Russians were under unquestioned foreign rule However the Mongols were conquerors rather than administrators and they chose to rule through subject princes This allowed the Rurikid dynastic princes of Moscow to rise with unprecedented speed With the famed Mongol Yoke loosening Grand Prince Dmitri of Moscow saw in this an unparalleled opportunity to rebel On 7 September 1380 his 60 000 troops crossed the Don to take the battle to Mamai's 125 000 which included Armenian and Cherkessk auxiliaries and Genoese mercenaries Using specially commissioned artwork this is the engrossing story of the victory that heralded the birth of Russian statehood

Across the Pond Malcolm Archibald, 2001-04 Across the Pond tells of the changing use of this ocean from a barrier to a route to riches and a highway for trade Much is covered exploration and exploitation fighting and fishing luxury cruises on the steamships of the Cunard and Collins lines and always the dangers of the sea There also slipped the slavers with their cargo of shame The story of the early aerial pioneers is recounted there being many contenders for the first aircraft to fly across the Atlantic such as the flying boats known as the nancies This is an ocean that bred some of the world's hardest mariners famous men such as Cabot Hudson and Vespucci but also the nameless thousands who manned the ships the hard used mariners from the

Chesapeake the Solway and Seville Here was bred the down east Yankee the Nova Scotian bluenose and the Scouser from Liverpool Across the Pond tells some of their story The Health Care Provider's Guide to Facing the Malpractice Deposition M.D. Uribe,2017-08-09 An anesthesiologist chips a patient's tooth during a difficult intubation A surgeon leaves tiny abrasions on a patient's abdomen during a delicate surgical procedure And an operating room nurse accidentally nips a patient's finger with a pair of scissors Not all of these examples of medical mistakes will result in malpractice suits But for the o **Soft & Cuddly** Jarrett Kobek,2017-01-24 A computer game so nauseatingly gory that it came with a barf bag Bright druggy graphics that sickened scores of proper English parents Gameplay so violent that it inspired one of Britain's most infamous killing sprees Soft Cuddly released for the ZX Spectrum in 1987 wasn't quite any of these things But in an age of manufactured moral panics John George Jones's fluorescent punk manifesto sure pissed off a lot of people Featuring new interviews with the game's creator Jarrett Kobek's book dives deep into the gritty world of British yellow journalism snarky computer fanzines DIY home programming and Soviet bootleg mixtapes If Margaret Thatcher's Conservative Party was right that video nasties like Soft Cuddly were the epitome of 80s depravity then this book is headed straight to Hell *Fidel Castro and the Cuban Revolution* Carlos Alberto Montaner,2017-10-24 Perhaps the foremost social analyst and journalist on Cuban affairs Carlos Alberto Montaner has written a definitive study of the Cuban regime from the vantage point of the Cuban dictator This is not simply a history of Cuban communism but rather a personal history of its leader Fidel Castro Montaner's extraordinary knowledge of the country and its politics prevents the work from becoming a psychiatric examination from afar Indeed what personal irrationalities exist are seen as built into the fabric of the regime itself and not simply as a personality aberration Fidel Castro and the Cuban Revolution is not an apologia for past United States involvement in Cuban affairs The author is severe in his judgments of such participation Nor is he sparing in his sense of the betrayal of the original purposes of the Revolution of 1959 manifested in the character and policies of Fidel Castro As the work progresses from a study of the victims to a study of the beneficiaries of the Cuban Revolution it leaves the reader with a deep sense of the tragedy of a revolution betrayed but not one that could have easily been avoided Montaner is an exile like the great Alexander Herzen before him His decision to live in Europe was made by choice not of necessity He sees his role as critical analyst not as restoring the status quo ante A most valuable aspect of this book is its intimate reevaluation of Fulgencio Batista Whatever the reader's judgment of Montaner's work no one can read it and be dismissive of the effort It is a work of intimacy even though written in exile and hence must be viewed as an important effort to understand the character of the man and regime who have changed the course of Cuban history in our times The Blackgloom Bounty Jon F. Baxley,2006 Daynin is led on a hair raising adventure where he meets and falls in love with the beautiful and cunning Sabritha Daynin must overcome a host of almost insurmountable enemies objects and circumstances to return the bounty and Sabritha to his clan's ancestral home He must use every ounce of wit and guile to outthink outfight or outrun a litany of

U.S. Air Services, 1952 Constancia and Other Stories for Virgins Carlos Fuentes, 2025-06-25 Renowned as a novelist of unsurpassed invention Carlos Fuentes here presents his second collection of stories to appear in English Where his first *Burnt Water* published in 1980 had as its underlying theme Mexico City itself *Constancia and Other Stories for Virgins* extends its imaginative boundaries out to Savannah to Cadiz to Glasgow to Seville and Madrid both past and present This new collection is more mysterious more magical too than its predecessor and in its five related stories Fuentes comes closer to the registers of language and feeling that he explored so memorably in *Aura* It reveals Fuentes at the height of his powers bold erudite enthralling In the title story a man discovers his wife's secret complicity with the Russian actor who is their neighbor a complicity that includes not just a previous life but possibly a previous death as well He finds himself a mediator a point between one sorrow and the next between one hope and the next between two languages two memories two ages and two deaths In *La Desdichada* two students steal and fall in love with a store window mannequin In *The Prisoner of Las Lomas* a wealthy lawyer in possession of a powerful secret is held hostage by the past he has attempted to subvert and keep at bay The celebrated bullfighter whose fame is the theme of *Viva Mi Fama* steps from the present into a past immortalized by Goya's portrait of the matador Pedro Romero and the architects who are the Reasonable People of that story find themselves drawn into the irrational mysteries not only of religious fervor but of their famous mentor's identity they discover there are no empty houses only a present fraught with the past Though each of these novella length stories offers compelling evidence of Fuentes's talent for narrative free rein as well as for containment and closure they are also brilliantly interwoven Readers of his earlier work especially of his acclaimed ribald epic *Christopher Unborn* will recognize with pleasure Fuentes's undiminished mastery of recurrent images and themes and all readers will delight in the witty and evocative changes he rings on them For those few readers who do not yet know the work of Mexico's foremost man of letters these stories offer them the full gift of his imaginative resourcefulness

Imagine Dragons Dreaming Huttson Lo, 2011 Beyond Flesh & Spirit Frank M. Viollis, 2023-06-22 Like Volumes One and Two Volume Three of the Galanor Saga has been written in three parts or Books of five chapters each But unlike its predecessors this novel treats each of the three Books as a distinct five chapter novella with its own cast of characters plotline and story arc Of course each Book helps to develop the storyline of the novel as a whole I hope you enjoy it F M Viollis BOOK ONE ALONG THE JOURNEY HOME We begin where *Beyond Hope* Despair left off Galanor and Nitiri have returned to Shuruppak where they have been crowned monarchs One morning while Nitiri is asleep Galanor rises and while staring at the sunrise reflects upon the events that transpired in the dungeons of Alenz Allure and afterwards As his mind wanders back to that day the story arc begins He recalls their first moments

together after having been torn apart by the crazed wizard Malferion He recalls how Nitiri found herself with an uncomfortable decision to make and he with concocting a plan to escape the tower After discovering the route the wizard used they make their way with great trepidation out of the dungeon through the heart of the ancient mountain and out into the light of a new dawn They make their way back to the farmhouse of Huai Ti Feng Chi and Wan Ye where Galanor and Anubis are reunited only to discover that while Galanor was away Lao Fi s forces have kidnapped Wan Ye and Huai Ti in a fit of rage goes after to confront the warlord in his fortress Galanor vows to rescue them both Along the way he joins forces with a garrison of exiled soldiers who after much debate agree to join forces with him his queen and Anubis in the rescue attempt At the same time Wan Ye has become the concubine to the sadistic warlord In time a rescue plan is conceived and executed with results that are both joyful and tearful When all is done the three wanderers set out on a two year journey by land and sea which bring them to Shuruppak and their ascension to the throne The Book ends with Galanor receiving some startling news

BOOK TWO WHAT THE GOD S BRING FORTH Book two moves the storyline forward eighteen years There are now three heirs to the throne Tyr Amara and Rama Galanor and Nitiri to no one s surprise are wise and just rulers but their reign is not without objection from some of the nobility One morning a rider is seen approaching from the west He is intercepted and escorted into Shuruppak by a young novice warrior It is Mustir He arrives with news of the most dire and consequential nature Pharon has been struck down by mystical forces wielded by four powerful and deadly riders each determined to wreak havoc upon the world in his own unique way Mushtir presents his Captain with a token handed to him by Pharon Galanor recognizes the token and the message behind it He Nitiri and Anubis prepare to journey to Pharon s kingdom of Zeptepi to help As they prepare to leave they are confronted by a conundrum for which they were not prepared and about which they find themselves ill prepared to act In time as is the way with such things matters resolve themselves but not to everyone s liking Tearful moments transpire as their three children ride off in three different directions to battle one rider each while Galanor Nitiri and Anubis ride off to battle the fourth and arguably the most powerful While they are doing this Pharon s vampiric physician a man driven by a powerful obsession to acquire knowledge at all costs struggles to help his king Meanwhile while the monarchs of both kingdoms are busy sinister forces driven by greed and an ideology not their own seek to rest control for themselves With the aid of a potent talisman Galanor and Anubis confront the architect of the riders assault beyond the edge of the universe and Nitiri battles the forces of death

BOOK THREE BEYOND FLESH AND SPIRIT Book Three begins a few weeks after their return from Zeptepi Nitiri has succumbed to wounds inflicted by the rider of death Galanor abandons the throne and with Anubis by his side walks away from everything Now for the first time in decades he is free of all obligations and ties He and Anubis find themselves on a dusty road that rapidly becomes a hellscape They are drawn to rift in time and space where an entity of such power that it is impossible to measure reaches out to consume them and through them gain access to this universe They are rescued by an entity that exists beyond imagination Once free they

drift on until they find and gain employment in a caravan journeying to a busy port city Along the way they are attacked by a massive army of bandit cutthroats Finally they make it to their destination where Galanor makes the acquaintance of an old flame Their affair is reignited and he agrees to journey with her on her pirate vessel one of the twelve original Atlantean Capital Ship used in the rescue of their people and the demise of their homeland But as fate would have it they are attacked by mercenaries intent on slaughtering her crew and absconding with her After yet another bloody battle Galanor weary beyond belief considers leaving his new found love and returning to the road Events intercede and he agrees to stay and help her find the man responsible for the attack In time they do With great cunning and much hard work they discover his hiding place It is an ancient island kingdom in an uncharted eastern sea They journey there and find not only him but a determined enemy from days long past
