Translating the Verbal and the Visual in Literature for Young Readers** Riitta Oittinen,2009-03-26 This book is based on the discussions carried out in two seminars on the translation of children s literature coordinated by Maria Gonz lez Davies and led by Riitta Oittinen The main focus finally revolved around four questions a Tackling the challenges posed by translating children s literature both picturebooks and books with illustrations and the range of strategies available to solve specific issues b the special characteristics involved in reading aloud its emotional dimension and the sphere it occupies between private and public reading c the interpretation and manipulation of child images and d the role of the translator publishers and mediators as active or passive agents whose decisions may finally mirror the images projected by the authors of the source books This volume is also professionally oriented and presents examples that underline the interaction between theory and practice The topics range from Bible translation to translating the classics such as Beatrix Potter s tales and fairytales fantasy worlds for young adults as depicted in Tolkien s The Lord of the Rings or novels such as those by Christine N stlinger as well as stories with a psychological and social function such as the African war tales Finally it includes didactic applications that help enhance an awareness of the issues involved *Destino La Meca* Idries Shah,2020-03-02 Publicado por primera vez en 1957 Destino La Meca es tanto un ambicioso diario de viaje como tambien un trabajo de investigacion etnografica y cultural Shah documenta un amplio rango de viajes fascinantes su expedicion tras las minas de oro del Rey Salomon en las costas del mar Rojo en Sudan sus encuentros en caravasares del desierto y estadiA as con contrabandistas del Mediterraneo y el tiempo que paso como invitado personal del anciano rey Ibn Saud Hoy Destino La Meca es un libro tan entretenido como cuando fue publicado por primera vez tambien es una guiA a para aventureros y para aquellos de una naturaleza mas sosegada Portuguese Piano Music Nancy Lee Harper,2013-01-10 As the first book of its kind Nancy Lee Harper s Portuguese Piano Music An Introduction and Annotated Bibliography fills the gap in the historical record of Portuguese piano music from its start in the 18th century to the present While although Spanish piano music is well documented owing to the reputation of such composers as Isaac Alb niz Enrique Granados and Manuel de Falla our knowledge of compositions in the tradition of Portuguese piano music has not fared as well barring the work of Carlos Seixas 1704 1742 This obscurity however reflects poorly on the history of early piano music in light of the many compositions written for fortepiano on behalf of the Portuguese court during the first half of the 18th century Indeed it was in the royal halls of King John V during his reign from 1706 to 1750 where the early fortepiano was frequently heard In Portuguese Piano Music Harper explores this rich musical tradition offering a brief introduction to the pianistic history of Portugal and overviews of Portugal s contributions to solo piano music piano in instrumental chamber music piano concerti piano for multiple pianists including with works with electronics and didactic piano While paying close attention to female composers

Harper adds an annotated and graded bibliography that presents readers with a comprehensive inventory of compositions Appendixes include a selected discography list of publishers and other types of critical source information To further illustrate its contents Portuguese Piano Music contains a CD on which Harper performs representative repertoire some of which are world premieres This work is aimed at pianists teachers pupils musicologists and music lovers seeking to discover the remarkable world of Portuguese piano music **For Greater Glory** Ruben Quezada,2012-06-01 Foreword by Archbishop Jose Gomez Introduction by Eduardo Verastegui Many people of faith today are asking What is the price of religious liberty In the 1920 s many Catholics in Mexico answered this crucial question at the cost of their very lives The new major motion picture For Greater Glory The True Story of Cristiada tells the epic tale of Mexico s heroic struggle for religious freedom in a little known conflict called the Cristero War but many questions still remain Now you ll go much deeper into the exciting history behind the movie with this fact filled companion book and gain important insight into the on going fight for religious freedom today This is the Official Companion Book to the epic film Lavishly illustrated with photos from the film and with historical photos As you read you ll discover Who were the Cristeros What drove the Mexican government to ruthlessly persecute Catholics Can a priest wage war What role did groups like the Knights of Columbus play in this armed resistance Why did thousands of Catholics priests religious lay people willingly give their lives in the Cristiada What role did the U S play in ending this bitter conflict What did the Pope do to support the Church in Mexico Which characters in the movie went on to become Catholic saints and blessed in real life Why is this dramatic episode of history so little known today What is the lesson of the Cristiada for those struggling for religious freedom today **Aissel** Greivin Quesada Palacios,2016-11-15 Una retirada estrategica hizo que los soldados de Vitalitz arremetieran contra un pequeno pueblo prximo al bosque en el cuall se hab an refugiado un grupo de aldeanos Tras ser acorralados en el medio de la noche todos encontraron all su fat dico final El nico sobreviviente fue un reci n nacido que su padre entreg al Dios del Bosque antes de morir Los a os pasaron y todo volvi a su transcurso natural La calma rein por estos lugares hasta que la muerte del rey de Kavalts y una serie de hechos desafortunados provocaron que ambos bandos se volvieran a enfrentar esta vez con el ya joven sobreviviente al que le fueron otorgados poderes sobrenaturales As fue como Aissel despert en medio de la tarde y encontr en el prncipe del reino de Kavalts un amigo Tras descubrir su pasado el joven jur vengarse de lo ocurrido y decidi detener al entonces rey de Vitalitz y acabar con la guerra As comienza una aventura llena altibajos donde conseguir desarrollar sus nuevos poderes conocer a peculiares personajes que le ayudar n a cumplir su cometido y a detener los fat dicos planes del rey de Vitalitz y sus secuaces Irmão de alma David Diop,2020-10-01 Certa manh da Grande Guerra o capit o Armand determinou o ataque contra o inimigo alem o Os soldados avan am Em suas fileiras Alfa Ndiaye e Mademba Diop dois escaramu adores senegaleses entre todos aqueles que lutavam sob a bandeira francesa Poucos metros depois de ter saltado da trincheira Mademba cai ferido de morte sob os olhos de Alfa seu amigo de inf ncia seu mais que irm o Alfa se encontra sozinho na loucura do grande massacre
