Quilt Me! Jane Brocket, 2014-03-27. An exciting new title from the leading quilt author. **Quilt Me!** celebrates Jane Brocket's liberated, joyous, colorful approach to quilting using wonderful fabrics and simple shapes and patterns to create stunning effects. Taking inspirational fabrics as its starting point, the book explores not only the designs available in cotton made for the market, quilt patchwork fabrics, but also moves into a new realm of alternative fabrics that can be used to make beautiful, practical, usable quilts. It is as if a quilt maker has walked into the haberdasher's of her dreams and has explored the many possibilities that traditional fabrics offer. Fabrics such as ticking, linen, gingham, tweed, tartan, suiting, shirting, velvet, silk, and calico. With clear instructions for a fantastic variety of quilts, **Quilt Me!** recreates the excitement known to all quilters of rummaging through a new stash of fabrics. The author describes the joy to be found in a wonderful color scheme, design, or pattern, as well as the aesthetic and practical advantages of making the most of what we find in traditional fabric shops and in our textile heritage, finding alternatives to quilt cottons, and casting a new eye over fabrics made for other purposes such as clothes, curtains, upholstery, and interior decoration.
