Rachels Tears The Spiritual Journey Of Columbine Martyr Rachel Scott:

Rachel's Tears: 10th Anniversary Edition Beth Nimmo,Darrell Scott,Steve Rabey,2009-02-16 I am not going to apologize for speaking the name of Jesus If I have to sacrifice everything I will Rachel Scott The Columbine tragedy in April 1999 pierced the heart of our country We later learned that the teenage killers specifically targeted Rachel Scott and mocked her Christian faith on their chilling homemade videotapes Rachel Scott died for her faith Now her parents talk about Rachel s life and how they have found meaning in their daughter s martyrdom in the aftermath of the school shooting Rachel s Tears comes from a heartfelt need to celebrate this young girl s life to work through the grief and the questions of a nation and to comfort those who have been touched by violence in our schools today Using excerpts and drawings from Rachel s own journals her parents offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation Meets national education standards *Rachel's Tears* Darrell Scott,Beth Nimmo,Steve Rabey,2009-07-10 Presents the life of the high school student killed in the Columbine High School shooting with reminiscences by her parents siblings and schoolmates along with excerpts from her diaries in which she affirms her Christian faith **Rachel's Tears** Darrell Scott,2000 Rachel Scott was a typical teenage girl who was incredibly dedicated to following and serving Christ Though she was mocked for her beliefs at times doubted her faith and constantly struggled with personal issues every teenager faces she remained faithful to God Then on April 20 1999 at Columbine High School she was killed for that faith Rachel s Tears is a moving meditation on the life death and faith of Rachel as seen through the eyes of her parents and through writings and drawings from her journals Her parents also offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation **Rachel Smiles** Darrell Scott,2002 Qualitative research in such diverse areas as anthropology sociology education nursing and medical research draws on the insights gained through the use of participant observation for gaining greater understanding of phenomena from the point of view of participants This book serves as a basic primer for the beginning researcher and as a useful reference and guide for experienced researchers who wish to re examine their own skills and abilities in light of best practices of participant observation *The Martyrs of Columbine* J. Watson,2003-05-02 On April 20 1999 Eric Harris and Dylan Klebold killed twelve fellow students and one teacher at Columbine High School in Littleton Colorado Two of the victims of the Columbine massacre Cassie Bernall and Rachel Scott reportedly were asked by the gunmen if they believed in God Both supposedly answered Yes and were killed Within days of their death Cassie and Rachel were being hailed as modern day martyrs and are seen by many American evangelicals as the sparks of a religious revival among teenagers Cassie and Rachel as innocents martyred for faith also became useful symbols for those seeking to advance a conservative political agenda and to lay the blame for Columbine at the feet of their liberal opponents According to police investigators however Cassie and Rachel may never have been asked by their killers about God They may have been simply victims of a senseless

crime rather than martyrs to a cause The Martyrs of Columbine provides a careful examination of the available evidence and attempts to discover what really occurred Despite these questions the martyr stories continued to be told and the religious and political use of Cassie and Rachel continues The popular significance of the martyrs of Columbine persists and may even be growing How and why is this happening The Martyrs of Columbine is a groundbreaking investigation of what this tragedy has come and will come to mean in American religion politics and culture

Memorials to Shattered Myths Harriet Senie, 2016 Memorials to the Vietnam War veterans Oklahoma City bombing Columbine school shooting and 9 11 terrorist attacks commemorate events that shattered myths of national identity Conflating memorials with cemeteries they celebrate victims as if they were heroes This new paradigm prompts an endless loop of mourning camouflaging history in a triumphal narrative

The New Book of Christian Martyrs Johnnie Moore, Jerry Pattengale, 2023-03 An inspiring keepsake that honors the heroic sacrifice of today's martyrs for the Christian faith and shows how their actions mirror the courage of a long line of brave Christians In the twenty first century we are witnessing an escalation in Christian persecution like we have rarely seen since the first century Many people don't realize that today thousands of Christians are dying cruel deaths throughout much of the world There were in fact more martyrs in the last century than in all the previous Christian centuries combined Millions have given their lives since the fall of Rome and today tens of thousands die annually for their faith in Jesus Most of these modern stories are not legendary in fact many are unknown The New Book of Christian Martyrs commemorates those modern day heroes In this update to Foxe's Book of Martyrs Johnnie Moore and Jerry Pattengale highlight key martyrs of past centuries and feature stories of contemporary martyrs around the world Through tears Johnnie and Jerry offer this compendium of heroes from the first century to the twenty first century from Europe to Africa and from Asia to the Americas to inspire Christians around the globe Today we live in solidarity with them and in the next life we will rejoice by their side We will never forget their sacrifice for the truth

Columbine Dave Cullen, 2009-04-06 Ten years in the works a masterpiece of reportage this is the definitive account of the Columbine massacre its aftermath and its significance from the acclaimed journalist who followed the story from the outset The tragedies keep coming As we reel from the latest horror So begins a new epilogue illustrating how Columbine became the template for nearly two decades of spectacle murders It is a false script seized upon by a generation

of new killers In the wake of Newtown Aurora and Virginia Tech the imperative to understand the crime that sparked this plague grows more urgent every year What really happened April 20 1999 The horror left an indelible stamp on the American psyche but most of what we know is wrong It wasn't about jocks Goths or the Trench Coat Mafia Dave Cullen was one of the first reporters on scene and spent ten years on this book widely recognized as the definitive account With a keen investigative eye and psychological acumen he draws on mountains of evidence insight from the world's leading forensic psychologists and the killers own words and drawings several reproduced in a new appendix Cullen paints raw portraits of two polar opposite killers They contrast starkly with the flashes of resilience and redemption among the survivors Expanded with a New Epilogue

Comprehending Columbine Ralph W Larkin, 2007-01-12 On April 20 1999 two Colorado teenagers went on a shooting rampage at Columbine High School That day Eric Harris and Dylan Klebold killed twelve fellow students and a teacher as well as wounding twenty four other people before they killed themselves Although there have been other books written about the tragedy this is the first serious impartial investigation into the cultural environmental and psychological causes of the massacre Based on first hand interviews and a thorough reading of the relevant literature Ralph Larkin examines the complex of factors that led the two young men to plan and carry out their deed For Harris and Klebold Larkin concludes the carnage was an act of revenge against the jocks who had harassed and humiliated them retribution against evangelical students who acted as if they were morally superior an acting out of the mythology of right wing paramilitary organization members to die in a blaze of glory and a deep desire for notoriety Rather than simply looking at Columbine as a crucible for all school violence Larkin places the tragedy in its proper context and in doing so examines its causes and meaning

Sanctified Aggression Jonneke Bekkenkamp,Yvonne Sherwood,2004-06-01 Sanctified Aggression allies itself neither with the easy assumption that religions are by definition violent and that only the secular humanist humane can offer a place of refuge from the ravages of religious authority nor with the equally facile opposing view that religion expresses the best of human aspirations and that this best is always capable of diffusing or sublating the worst Rather it works from the premise that biblical Jewish and Christian vocabularies continue to resonate inspire and misfire Some of the essays here explore how these vocabularies and symbols have influenced or resonate with events such as the massacre of Jews in Jedwabne Poland 1941 the Rwandan Massacre 1994 the tragedy at Columbine High School 1999 and the emergence of the Phineas Priesthood of white supremacists in North America Other contributors examine how themes of martyrology sacrifice and the messianic continue to circulate and mutate in literature music drama and film The collective conclusion is that it is not possible to control biblical and religious violence by simply

identifying canonical trouble spots then fencing them off with barbed wire or holding peace summits around them Nor is it always possible to draw clear lines between problem and non problem texts witnesses and perpetrators victims and aggressors or reality and art The One Year Christian History E. Michael Rusten, Sharon O. Rusten, 2014-01-10 What happened on this date in church history From ancient Rome to the twenty first century from peasants to presidents from missionaries to martyrs this book shows how God does extraordinary things through ordinary people every day of the year Each story appears on the day and month that it occurred and includes questions for reflection and a related Scripture verse
