Conley, 2017-10-09 Proven principles for sustainable success with new leadership insight PEAK is the popular transformative guide to doing business better written by a seasoned entrepreneur CEO who has disrupted his favorite industry not once but twice Author Chip Conley founder and former CEO of one of the world's largest boutique hotel companies turned to psychologist Abraham Maslow's Hierarchy of Needs at a time when his company was in dire need And years later when the young founders of Airbnb asked him to help turn their start up home sharing company into a world class hospitality giant Conley once again used the principles he'd developed in PEAK In the decade since this book's first edition Conley's PEAK strategy has been developed on six continents in organizations in virtually every industry The author's foundational premise is that great leaders become amateur psychologists by understanding the unique needs of three key relationships with employees customers and investors and this message has resonated with every kind of leader and company including some of the world's best known from Apple to Facebook Avid users of PEAK have found that the principles create greater loyalty and differentiation with their key stakeholders This new second edition includes in depth examples of real world PEAK companies including the author's own at Airbnb and exclusive PEAK leadership practices that will take you and your company's performance to new heights Whether you're at a startup or a Fortune 500 company at a for profit nonprofit or governmental organization this book can help you and your people reach potential you never realized you had Understand how Maslow's hierarchy makes for winning business practices Learn how PEAK drove some of today's top businesses to success Help employees reach their full potential and beyond Transform the customer experience and keep investors happy The PEAK framework succeeds because it elevates the business from the inside out These same principles apply in the boardroom the

breakroom and your living room at home and have proven to be the foundation of healthy fulfilled lives Even if you think you re doing great you could always be doing better and PEAK gives you a roadmap to the next level **Counting Our Losses**

Darcy L. Harris,2011-01-19 This text is a valuable resource for clinicians who work with clients dealing with non death nonfinite and ambiguous losses in their lives It explores adjustment to change transition and loss from the perspective of the latest thinking in bereavement theory and research The specific and unique aspects of different types of loss are discussed such as infertility aging chronic illnesses and degenerative conditions divorce and separation immigration adoption loss of beliefs and loss of employment Harris and the contributing authors consider these from an experiential perspective rather than a developmental one in order to focus on the key elements of each loss as it may be experienced at any point in the lifespan Concepts related to adaptation and coping with loss such as resilience hardiness meaning making and the assumptive world transcendence and post traumatic growth are considered as part of the integration of loss into everyday life experience Playing the Quantum Field Brenda Anderson,2010-10-05 Do you often feel you are at the mercy of external forces in your life If so this book is for you Playing the Quantum Field demonstrates that you have the power to shape your own life showing how your very next choice can change struggle into play Brenda Anderson presents a fresh approach to everyday life based on the premise that everyone and everything in the universe are interconnected and she shows you how to play the quantum field to create success and joy at home or on the job She posits that the old rules no longer apply and presents a new set of rules which include ten energetic choices you can make to take control of your life and move into what she calls the Power Zone Once you grasp how easy it is to move among the choices along the energy spectrum each day will become a dynamic empowering exploration of the unlimited potential of the Field *One* Lance H.

K. Secretan,2006 Whenever we experience pain or sadness it is because we have become separated from what or whom we love And whenever we are inspired and joyful it is because we are one with what or whom we love All human challenges and successes can be explained through this awareness from jacket **The Work and the Gift** Scott Cutler Shershow,2005-06-15 Considers how in a wide range of western culture and thought the ideas of working and giving remain locked in a fatal dilemma each one representing the other s aspirations and absolute limit Ranging from Marx and Derrida to Friedrich Hayek and Alvin Toffler Scott Cutler Shershow here explores the predictions of political thinkers on both the left and the right that work is fundamentally changing or even disappearing the debates among anthropologists and historians about an archaic gift economy that preceded capitalism and might reemerge in its wake contemporary political battles over charity and social welfare and attempts by modern and postmodern artists to destabilize the work of art as we know it BOOKJACKET Enterprise Resources Planning and Beyond Gary A Langenwalter,2020-01-03 To achieve success in today s business climate you must do more than provide high quality low cost products to customers when and how they want them Customers and suppliers require fully integrated information throughout the supply chain or value chain You must integrate

your organization so completely that executive decisions are implemented effortlessly Competitive pressures often cause a reduction in prices in spite of continually rising costs A decrease in prices paired with increased costs quickly eliminates any profitability and threatens your company's ability to survive This book shows you how you can reduce costs through the elimination of waste caused by poor communication and coordination throughout a company as well as between the company its suppliers and its customers The author explains Enterprise Resource Planning ERP in non technical terms describing how an ERP system can fully integrate all functions in your manufacturing organization He demonstrates the system's capability to increase efficiency and profitability and to delight the customer as well as its current deficiencies In addition to his thorough coverage of ERP the author introduces Total Enterprise Integration TEI the process of integrating all the information required to fully support a manufacturing company TEI represents a logical extension of complete information integration throughout a manufacturing enterprise and into the supply chain This new concept shows you how the intelligent use of work flow allows responsibility to go to the most appropriate front line decision makers while maintaining proper budgetary and operational controls The power of TEI is in the integration of communication across the entire manufacturing company and out through the supply chain to customers and suppliers Enterprise Resource Planning and Beyond Integrating Your Entire Organization focuses on what a fully integrated system can do for you Features Leading at Light Speed Eric F. Douglas, 2010-01-18 How do you build a great organization in a time of accelerating complexity and change What are the specific things that leaders must do In this fascinating book entrepreneur and business consultant Eric Douglas draws on his work with large and small corporations public agencies and non profit organizations to paint a clear picture of the specific practices that distinguish the high performers from all the rest This is an indispensable guide for anyone in a position of leadership or for anyone who aspires to be It reveals both the fundamental systems at work in high performing companies as well as the specific day to day things that leaders must do to sustain high levels of success for themselves and their organizations
