Recommendation Whether To Confiscate Destroy And Burn All Jewish:

Recommendation Whether to Confiscate, Destroy, and Burn All Jewish Books Johann Reuchlin, 2000 While he was condemned himself for his stand the book opened the eyes of scholars and political leaders to the need to understand and appreciate the wealth of religious truth and insight in the Talmud and other works Reuchlin did not stop anti-Semitism in the Reformation by either Catholics or Protestants but he stemmed the advance of those vowed to wipe Judaism out in Europe and began the long slow movement in the West to appreciate and learn what Judaism really was BOOK JACKET

Johannes Reuchlin and the Campaign to Destroy Jewish Books David Price, 2011-01-13 The early sixteenth century saw a major crisis in Christian Jewish relations the attempt to confiscate and destroy every Jewish book in Germany This unprecedented effort to end the practice of Judaism throughout the empire was challenged by Jewish communities and unexpectedly by Johannes Reuchlin 1455-1522 the founder of Christian Hebrew studies In 1510 Reuchlin wrote an extensive impassioned and ultimately successful defense of Jewish writings and legal rights a stunning intervention later acknowledged by a Jewish leader as a miracle within a miracle The fury that greeted Reuchlin's defense of Judaism resulted in a protracted heresy trial that polarized Europe The decade long controversy promoted acceptance of humanist culture in northern Europe and in several key settings created an environment that was receptive to the nascent Reformation movement The legal and theological battles over charges that Reuchlin's positions were impermissibly favorable to Jews a conflict that elicited intervention on both sides from the most powerful political and intellectual leaders in Renaissance Europe formed a new context for Christian reflection on Judaism David H Price offers insight into important Christian discourses on Judaism and anti-Semitism that emerged from the clash of Renaissance humanism with this potent anti-Jewish campaign as well as an innovative analysis of Luther's virulent anti-Semitism in the context and aftermath of the Reuchlin Affair This book is a valuable contribution to study of an important and complex development in European history Christians acquiring accurate knowledge of Judaism and its history

The Historical Writings of Joseph of Rosheim Chava

Fraenkel-Goldschmidt, 2006-09-30 Joseph of Rosheim sixteenth century leader of the Jews in the Holy Roman Empire left historical writings that are presented here in a critical edition published now for the first time in English translation The principal part of the book is devoted to a Hebrew manuscript a chronicle left by R Joseph in which he describes incidents from the history of his life and that of the Jews in his day and age R Joseph writes with extreme terseness often in cryptic language and therefore his chronicle appears here with prefaces background information and a commentary The prefaces provide important information about the blood libels and the expulsions the debate concerning Solomon Molcho's messianic ideas and the influence R Joseph exerted at the court of Emperor Charles V Particularly valuable for the study of Christian Jewish relations in the Reformation period are two other documents printed here The Letter of Consolation is a long epistle that R Joseph wrote to the Jews of Hesse in 1541 advising them on how to cope with the harsh decrees enacted against them

and discussing the attitudes of some leading Reformers towards the Jews Also included in the book is his Letter to Strasbourg City Council of July 1543 which contains his response to Martin Luther's anti Jewish tracts This book can be considered a sequel to the critical edition in Hebrew of R Joseph's large work Sefer ha Miknah which Chava Fraenkel Goldschmidt published in 1970 The Afterword discusses some of the most recent research into Joseph of Rosheim's activities and writings

Respect for the Jews Franz Posset,2019-09-30 Eight different historical theological studies are assembled here under the title Respect for the Jews They focus primarily on positive Catholic attitudes toward Jews during the turbulent years of the first half of the sixteenth century The number of authors and texts are relatively small but need to be brought out into the open For the first time a speech in praise of the language of the Jews by the early ecumenist Georg Witzel 1501 1573 is made available in English Other Catholic Hebraists who are featured include Johann Reuchlin 1455 1522 Matthaeus Adrianus ca 1470 1521 Robert Wakefield died 1537 and Nicolaus Winmann ca 1500 1550 Their brilliant works are presented in front of the sinister backdrop of the vicious attacks against the Jews by the well educated Catholic convert of Jewish descent Johann Pfefferkorn ca 1469 1521 a self appointed Catholic missionary to the Jews and also against the background of the scandalous outbursts of the Grobian Reformer Martin Luther 1483 1546 Volume 4 of the author's Collected Works fosters the idea that Jews and Christians are study partners rather than antagonists as visualized in the new statue Synagogue and Church in Our Time as shown on the cover

The Book of Immediate Magic - Part 2 Jacobus G. Swart,2018-08 The Shadow Tree Series comprises a unique collection of Western Esoteric studies and practices which Jacobus G Swart spiritual successor to William G Gray and co founder of the Sangreal Sodality has actuated and taught over a period of forty years In The Book of Immediate Magic Part 1 Jacobus G Swart perpetuates the fundamental tenets of Self Creation in which it is maintained that the Centre establishes the Circumference and that personal reality is emanated in harmony with personal Will Hence this tome comprises an enhancement and expansion of the magical doctrines and techniques of Practical Kabbalah addressed in The Book of Self Creation The Book of Sacred Names and The Book of Seals Amulets Jacobus Swart claims that working Immediate Magic is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean and that thoughts are the waves we make in it It is all a matter of coordinating consciousness

The Great Humanists Jonathan Arnold,2011-10-14 Born out of a love of language text classical learning art philosophy and philology the Christian Humanist project lasted beyond the turmoil of sixteenth century Europe to survive in a new form in post Reformation thought Jonathan Arnold here explores the finest intellects of late Renaissance Europe providing an essential guide to the most important scholars priests theologians and philosophers of the period now collectively known as the Christian Humanists The Great Humanists provides an invaluable context to the philosophical political and spiritual state of Europe on the eve of the Reformation through inter related biographical sketches of Erasmus Thomas More Marsilio Ficino Petrarch Johann Reuchlin Jacques Lefevre d Etaples and many others The legacy of these thinkers is still relevant and widely

studied today and this book will make invaluable reading for scholars and students of philosophy and early modern European history

Cursing the Christians? Ruth Langer, 2012-01-12 Ruth Langer offers an in depth study of the birkat haminin a Jewish prayer for the removal of those categories of human being who prevent the messianic redemption and the society envisioned for it In its earliest form the prayer cursed Christians apostates to Christianity sectarians and enemies of Israel Drawing on the shifting liturgical texts polemics and apologetics concerning the prayer Langer traces the transformation of the birkat haminin from what functioned without question in the medieval world as a Jewish curse of Christians through its early modern censorship by Christians to its modern transformation within the Jewish world into a general petition that God remove evil from the world Christian censorship played a crucial role in this transformation of the prayer however Langer argues that the truest transformation in meaning resulted from Jewish integration into Western culture Eventually the prayer shed its references to any specific category of human being and lost its function as a curse Reconciliation between Jews and Christians today requires both communities to confront a long history of prejudice Ruth Langer shows through the birkat haminin how the history of one liturgical text chronicled Jewish thinking about Christians over hundreds of years

Censorship Moments Geoff Kemp, 2014-11-20 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Censorship in varying forms has been part of human experience for 2 500 years and has proved itself to be a recurring presence for political thought whether as active repression a shaping context for expression or as itself a subject for analysis and argument From the death of Socrates to the fatwa against Salman Rushdie attempts to silence thinkers and writers have provoked passionate and often penetrating responses that speak of their historical moment Censorship Moments will provide short accessible and stimulating access to a variety of these responses Each chapter will couple a short textual moment of writing on censorship and freedom of expression by a past writer with analysis by an expert current scholar The book s main focus is the public political dimension of censorship in its relation to political authority and political thought while also reflecting on the porous boundary to literature and other areas such as law and the media

Jews and Christians Together A. Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant s appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions *Jews and Christians Together* delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to

acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish-Christian dialogue and gain a shared and constructive mutual respect Revealing the Secrets of the Jews Jonathan Adams, Cordelia Heß, 2017-04-24 This book presents the most recent scholarship on the sixteenth-century convert Johannes Pfefferkorn and his context. Pfefferkorn is the most famous of the converts from Judaism who wrote descriptions of Jewish ceremonial life and shaped both Christian ideas about Judaism and the course of anti-Jewish polemics in the early modern period. Rather than just rehearsing the better-known aspects of Pfefferkorn's life and the controversy with Johannes Reuchlin, this volume re-evaluates the motives behind his activities and writings as well as his role and success in the context of Dominican anti-Jewish polemics and Imperial German politics. Furthermore, it discusses other converts who similarly revealed the secrets of the Jews and contains detailed studies of the campaigns against the Talmud and other Jewish books as well as the diffusion of Pfefferkorn's books and other anti-Jewish writings throughout early modern Europe. Revealing the Secrets of the Jews thus presents new perspectives on Jewish-Christian relations, the study of religion and Christian Hebraism, and the history of anthropology and ethnography A Reformation Sourcebook Michael W. Bruening, 2017-04-05 During the Reformation, Europeans were engaged in a debate that would alter the course of European history. This debate was about how to understand and practice the Christian faith. Never before had so many people weighed in on a topic of such importance. This book presents the debates of the Reformation era through over eighty primary sources. Some of the documents present formal debates. Others represent informal debates or disputes with one text responding directly to the other. Still other sections present texts that offer divergent approaches to or perspectives on specific ideas. These too were part of the century-long debate that characterized the Reformation. The author provides an essay on how to read primary sources. Each chapter opens with a brief introduction, and each group of primary sources is preceded by information on historical context as well as focus questions. Further readings are provided at the end of each chapter, and a map of Europe divided by religions is included **Erasmus** Nathan Ron, 2021-07-27 This book is a sequel to Nathan Ron's *Erasmus and the Other*. Should we consider Erasmus an involved or public intellectual alongside figures such as Machiavelli, Milton, Locke, Voltaire, and Montesquieu? Was Erasmus really an independent intellectual? In Ron's estimation, Erasmus did not fully live up to his professed principles of Christian peace. Despite the anti-war preaching so eminent in his writings, he made no stand against the warlike and expansionist foreign policies of specific European kings of his era and even praised the glory won by Francis I on the battlefield of Marignano in 1515. Furthermore, in the face of Henry VIII's execution of his beloved Thomas More and John Fisher, and the atrocities committed by the Spanish against indigenous peoples in the New World, Erasmus preferred self-censorship to expressions of protest or criticism and did not step forward to reproach kings of their misdeeds or crimes **Jews and Heretics in Catholic Poland** Magda Teter, 2005-12-26 *Jews and Heretics in Catholic Poland* takes issue with historians' common contention that the Catholic Church triumphed in Counter-Reformation Poland. In fact, the Church's own

sources show that the story is far more complex From the rise of the Reformation and the rapid dissemination of these new ideas through printing the Catholic Church was overcome with a strong sense of insecurity The infidel Jews enemies of Christianity became symbols of the Church's weakness and simultaneously instruments of its defence against all of its other adversaries This process helped form a Polish identity that led in the case of Jews to racial anti-Semitism and to the exclusion of Jews from the category of Poles This book portrays Jews not only as victims of Church persecution but as active participants in Polish society who as allies of the nobles placed in positions of power had more influence than has been recognised

Enabling Dialogue about the Land Cunningham, Philip A., Langer, Ruth, Svartvik, Jesper, 2020 Provides resources for peaceful exchange of viewpoints about the Middle East Sixteen scholars of the Bible and theology offer here insightful extensively researched essays to shed light on religious and cultural priorities and promote understanding that can lead to productive dialogue

The Scandal of Kabbalah Yaacob Dweck, 2013-12-26 The Scandal of Kabbalah is the first book about the origins of a culture war that began in early modern Europe and continues to this day the debate between kabbalists and their critics on the nature of Judaism and the meaning of religious tradition From its medieval beginnings as an esoteric form of Jewish mysticism Kabbalah spread throughout the early modern world and became a central feature of Jewish life Scholars have long studied the revolutionary impact of Kabbalah but as Yaacob Dweck argues they have misunderstood the character and timing of opposition to it Drawing on a range of sources
