Red And Hot The Fate Of Jazz In The Soviet Union 1917 198

S. A. Smith

Red And Hot The Fate Of Jazz In The Soviet Union 1917 198:

Red and Hot S. Frederick Starr, 1994 that rare thing a piece of careful scholarship that is also superbly entertaining Starr who is president of Oberlin College and has been associated with the Kennan Institute for Advanced Russian Studies is also a professional jazz musician and his knowledgeable affection for the music shines through the text *Andrea Lee New York Times Book Review* *American Girls in Red Russia* Julia L. Mickenberg, 2017-04-25 If you were an independent adventurous liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living Paris and the Left Bank quickly come to mind But would you have ever thought of Russia and the wilds of Siberia This choice was not as unusual as it seems now As Julia L Mickenberg uncovers in *American Girls in Red Russia* there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century Russian revolutionary ideology attracted many women including suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg's collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities *American Girls in Red Russia* recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments *Patriotic Culture in Russia During World War I* Hubertus Jahn, 1998 A cultural history charting the rise and fall of Russian patriotism during the first few years of the Great War Illustrated with period prints posters and broadsides the book traces the evolution of patriotic symbolism in popular entertainments and cultural production **The Oxford Handbook of the History of Communism** S. A. Smith, 2014-01-09 The impact of Communism on the twentieth century was massive equal to that of the two world wars Until the fall of the Soviet Union in 1991 historians knew relatively little about the secretive world of communist states and parties Since then the opening of state party and diplomatic archives of the former Eastern Bloc has released a flood of new documentation The thirty five essays in this Handbook written by an international team of scholars draw on this new material to offer a global history of communism in the twentieth century In contrast to many histories that concentrate on the Soviet Union The Oxford

Handbook of the History of Communism is genuinely global in its coverage paying particular attention to the Chinese Revolution It is global too in the sense that the essays seek to integrate history from above and from below to trace the complex mediations between state and society and to explore the social and cultural as well as the political and economic realities that shaped the lives of citizens fated to live under communist rule The essays reflect on the similarities and differences between communist states in order to situate them in their socio political and cultural contexts and to capture their changing nature over time Where appropriate they also reflect on how the fortunes of international communism were shaped by the wider economic political and cultural forces of the capitalist world The Handbook provides an informative introduction for those new to the field and a comprehensive overview of the current state of scholarship for those seeking to deepen their understanding

This Is Our Music Iain Anderson, 2012-05-26 This Is Our Music declared saxophonist Ornette Coleman's 1960 album title But whose music was it At various times during the 1950s and 1960s musicians critics fans politicians and entrepreneurs claimed jazz as a national art form an Afrocentric race music an extension of modernist innovation in other genres a music of mass consciousness and the preserve of a cultural elite This original and provocative book explores who makes decisions about the value of a cultural form and on what basis taking as its example the impact of 1960s free improvisation on the changing status of jazz By examining the production presentation and reception of experimental music by Ornette Coleman Cecil Taylor John Coltrane and others Iain Anderson traces the strange unexpected and at times deeply ironic intersections between free jazz avant garde artistic movements Sixties politics and patronage networks Anderson emphasizes free improvisation's enormous impact on jazz music's institutional standing despite ongoing resistance from some of its biggest beneficiaries He concludes that attempts by African American artists and intellectuals to define a place for themselves in American life structural changes in the music industry and the rise of nonprofit sponsorship portended a significant transformation of established cultural standards At the same time free improvisation's growing prestige depended in part upon traditional highbrow criteria increasingly esoteric styles changing venues and audience behavior European sanction withdrawal from the marketplace and the professionalization of criticism Thus jazz music's performers and supporters and potentially those in other arts have both challenged and accommodated themselves to an ongoing process of cultural stratification

The Forgotten Front Gerhard P. Gross, 2018-09-28 Although much has been written about the Western Front in World War I little attention has been given to developments in the east especially during the crucial period of 1914-1915 Not only did these events have a significant impact on the fighting and outcome of the battles in the west but all the major combatants in the east ultimately suffered collapses of their political systems with enormous consequences for the future events Available for the first time in English this seminal study features contributions from established and rising scholars from eight countries who argue German central and eastern European perspectives Together they illuminate diverse aspects of the Great War's Eastern Theater including military strategy and combat issues of national

identity formation perceptions of the enemy and links to World War II They also explore the experiences of POWs and the representation of the Eastern Front in museums memorials and the modern media The scholarship on the First World War is dominated by the trauma of the modern technologized war in the west causing the significant political events and battles on the Eastern Front to shift to the background The Forgotten Front illuminates overlooked but vital aspects of the conflict and will be an essential resource for students and scholars seeking to better understand the war and its legacy

Different Drummers Michael H. Kater, 2003 For the architects of the third reich jazz was an especially threatening form of expression because of its essence spontaneity improvisation and individuality Jazz survived persecution and became a powerful symbol of political disobedience and resistance in wartime Germany

American Salons Robert M. Crunden, 1993-01-28 In *American Salons* Robert Crunden provides a sweeping account of the American encounter with European Modernism up to the American entry into World War I Crunden begins with deft portraits of the figures who were central to the birth of Modernism including James Whistler the eccentric expatriate American painter who became the archetypal artist in his dress and behavior and Henry and William James who broke new ground in the genre of the novel and in psychology influencing an international audience in a broad range of fields At the heart of the book are the American salons the intimate personal gatherings of artists and intellectuals where Modernism flourished In Chicago Floyd Dell and Margery Currey spread new ideas to Sherwood Anderson Theodore Dreiser and others In London Ezra Pound could be found behind everything from the cigars of W B Yeats to the prose of Ford Madox Hueffer In Paris the salons of Leo and Gertrude Stein and Michael and Sarah Stein gave Picasso and Matisse their first secure audiences and incomes meanwhile Gertrude Stein produced a new writing style that had an incalculable impact on the generation of Ernest Hemingway Most important of all were the salons of New York City Alfred Stieglitz pioneered new forms of photography at the famous 291 Gallery Mabel Dodge brought together modernist playwrights and painters introducing them to political reformers and radicals At the salon of Walter and Louise Arensberg Marcel Duchamp and Francis Picabia rubbed shoulders with Wallace Stevens Man Ray and William Carlos Williams By 1917 no art in America remained untouched by these new institutions From the journalism of H L Mencken to the famous 1913 Armory Show in New York Crunden illuminates this pivotal era offering perceptive insights and evocative descriptions of the central personalities of Modernism

Here, There, and Everywhere Reinhold Wagnleitner, Elaine Tyler May, 2000 The authors examine the globalization of American popular culture including movies television fast food and popular music

Palestina Leo Zeitlin, 2014-11-01 Trained in Russia Zeitlin 1884 1930 was an accomplished composer conductor performer and pedagogue In writing *Palestina* Zeitlin as he had done during his entire career was fulfilling the goals of the Society for Jewish Folk Music which he joined in 1908 while still a student at the St Petersburg Conservatory to compose and perform works of art music on motivic material drawn from Jewish cantillation liturgy and folk song In addition to employing two modes central to Jewish music and several Jewish tunes in *Palestina* Zeitlin actually imitates the shofar

calls heard in the synagogue before and during Rosh Hashanah and at the conclusion of Yom Kippur This edition includes an extensive essay on the composer and on the themes and structure of Palestina with insights into the Capitol Theatre and the role of music in picture palaces of this era *Red and Hot* S. Frederick Starr,1994 Music, Books on Music, and Sound Recordings Library of Congress,1983 **Guide to Indian Periodical Literature** ,1985 **Исторические записки** ,2008 *Red and Hot* S. Frederick Starr,1983 Drawing on research in the USSR interviews with Soviet jazz musicians and rare recordings this study explores the widespread popularity and appreciation of jazz in the Soviet Union despite longstanding official condemnation and harassment **Subject Guide to Books in Print** ,1983 Forthcoming Books Rose Arny,1983 Arts & Humanities Citation Index ,1984 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals □□□□□ ,2010 *Культуральные исследования* Александр Эткинд,2006
