Red Army Handbook 1939 1945

Martin Kahn

Red Army Handbook 1939 1945:

Red Army Handbook, 1939-1945 Steven J. Zaloga, Leland S. Ness, 2003 Stalin's Red Army entered World War II as a relatively untried fighting force. In 1941 with the launch of Operation Barbarossa it joined battle with Hitler's army the most powerful in history. After a desperate war of attrition lasting more than four years the Red Army beat the Nazis into submission on the Eastern Front and won lasting fame and glory in 1945 by eclipsing the military might of the Third Reich. From the army's development prior to the outbreak of war in 1939 to its peak in 1945 every aspect of its force is examined here: the organizational structures, combat arms, infantry, armor and mechanized forces, cavalry, airborne and special forces. A technical overview of infantry weapons, armored vehicles, artillery and support equipment is also provided. Fully illustrated with a comprehensive selection of archive photographs, charts and tables of organization, this is a useful source of reference for anyone interested in the armies of World War II. *Red Army Handbook, 1939-45* Steve Zaloga, 2003

Red Army Handbook, 1939-45 Steve Zaloga, Leland S. Ness, 1998 Although the Red Army won lasting fame in 1945 by defeating the Nazis, there is a glaring lack of published material available about it. This book takes a look at the historical background of the Red Army, its major developments and organizational structures, combat arms and equipment. The authors discuss the higher level organizations to explain the differences in terminology between the Soviet and Western armies, concluding with a detailed bibliography and appendices. *Companion to the Red Army 1939-45* Steven J. Zaloga, Leland S. Ness, 2009-12-07

Stalin's Red Army entered the Second World War as a relatively untried fighting force. In 1941 with the launch of Operation Barbarossa it joined the battle with Hitler's army the most powerful in history. After a desperate war of attrition over four years the Red Army defeated the Nazis on the Eastern Front and won lasting fame and glory in 1945 by eclipsing the military might of the Third Reich. This book begins with a review of the historical background of the Red Army in the years leading up to the outbreak of war in 1939, followed by a discussion of the major themes in the development of Soviet forces during the Great Patriotic War that ensued in 1941. The Red Army's organisational structures are examined from high command down to divisional level and below, which helps Western readers to understand the differences between the terminology of the Soviet and common Western British, US and German armies. Soviet combat arms, infantry, armor and mechanised forces, cavalry, airborne and special forces are described along with a technical overview of infantry weapons, armoured vehicles, artillery and support equipment. Fully illustrated with a comprehensive selection of archive photographs, charts and tables of organisation, this is an indispensable source of reference for anyone interested in the armies of the Second World War.

Red Army Weapons of the Second World War Michael Green, 2023-10-05 While the Red Army's arsenal at the start of the Second World War included weapons dating back to the Great War or earlier, the 1930s modernization program had introduced the automatic Tokarev pistol and self-loading Tokarev rifle. Its small arms were soon replaced by mass-produced submachine guns such as the PPSH 1941, nicknamed the PePeSha. Supplementing the submachine guns, the Degtyarev Light

Machine Gun DP 27 Fitted with a circular pan magazine it received the not unsurprising nickname Record Player New mortars and towed artillery pieces ranging from 76mm to 203mm entered service in the pre war years In addition to a wide range of towed self propelled and anti tank guns the Soviets fielded the Katyusha rocket launchers in 1941 nicknamed the Stalin s organ by the Germans The 1930s saw the introduction of the BT light tank series The iconic T 34 medium tank series came into service in late 1940 joined by the IS 2 heavy tank from early 1944 the prefix letters IS translates to Joseph Stalin These formidable AFVs led the Red Army to victory in May 1945 over Nazi Germany All these weapons and more are covered with numerous images in this authoritative overview of the subject *Red Army Order of Battle in WWII, January to March 1942* Maximino Argüelles Martínez,2019-02-26 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War between 1941 and 1945 were known The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army from January to March 1942 This work is part of a global monthly study from June 1941 to September 1945 The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1966 containing data from January 1 to December 1 1941 and the works of Colonel David M Glantz along with numerous secondary sources All the images illustrations tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units **Red Army Order of Battle in WWII, April to June 1942** Maximino Argüelles Martínez,2019-05-15 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War between 1941 and 1945 were known The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army from January to March 1942 This work is part of a global monthly study from June 1941 to September 1945 The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1966 containing data from January 1 to December 1 1941 and the works of Colonel David M Glantz along with numerous secondary sources All the images illustrations tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units **FRONTOVİK 01 Red Army June 22, 1941** Maximino Argüelles Martínez,2018-01-04 On the basis of original soviet files and numerous secondary sources this work presents a monthly study of the structure and deployment of the Soviet Red Army during the Second World War in this book the situation at June 22 1941 *Red Army Order of Battle in WWII, January to March 1943* Maximino Argüelles Martínez,2020-11-17 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War between 1941 and 1945 were known The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army throughout the year 1943 This work is part of a global monthly study from June 1941 to September 1945 The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1972 containing data from January 1 to December 1 1943 and the works of Colonel David M Glantz along with numerous secondary sources All the images

illustrations tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units

Red Army Order of Battle in WWII, October to December 1942 Maximino Argüelles Martínez, 2020-01-17 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War between 1941 and 1945 were knowned The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army throughout the year 1942 This work is part of a global montly study from June 1941 to September 1945 The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1966 containing data from January 1 to December 1 1942 and the works of Colonel David M Glantz along with numerous secondary sources All the images illustrations tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units

Japanese Army Handbook 1939-1945 Lieutenant Colonel George Forty OBE, 2002-12-16 This is an insight into the most feared army of World War II The Japanese Imperial Army grew from 1 5 million men in 1939 to 5 5 million men by the end of the war Their highly successful campaigns in the Far East and the Pacific at the beginning of World War II were every bit as spectacular as those of the Germans in Europe and they earned an enviable reputation as expert jungle fighters which it took some years for the Allies to match Their code of honour also made them extremely cruel enemies to prisoners and civilians alike while their Kamikaze suicidal tendencies meant they would automatically fight to the last without any thought of surrender Fully illustrated with rare archive photographs this is a comprehensive study of the army The author describes how they mobilized and trained their soldiers and looks at their organizational structures from high command down to divisional level and below Also included are uniforms equipment all kinds of weapons ranging from tanks and artillery technical equipment tactics symbology and vehicle markings

The German Army Handbook, 1939-1945 James Lucas, 2000 From the opening shots of World War II in Poland in September 1939 through the blitzkrieg to the fall of France and the Low Countries the German Army was at the forefront of battle It remained in the thick of the action the Eastern Front North Africa the Balkans Scandinavia North West Europe right up until the last desperate shots were fired over the ruins of a crumbling Third Reich in May 1945 As the instrument with which Hitler was to achieve his plan for world domination the German Army was at the cutting edge of 20th century military technology Before the emergence of the US Army as a force to be reckoned with later in World War II the German Army was the most powerful efficient and well equipped fighting force in the world

Red Army Order of Battle in WWII, July to September 1942 Maximino Argüelles Martínez, 2019-08-30 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War between 1941 and 1945 were knowned The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army throughout the year 1942 This work is part of a global montly study from June 1941 to September 1945 The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1966 containing data from January 1 to December 1 1942 and the

works of Colonel David M Glantz along with numerous secondary sources All the images illustrations tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units **Soviet Field**

Fortifications 1941-45 Gordon L. Rottman, 2012-12-20 From June 1941 the Soviets were forced to undertake large scale defensive operations in the face of the overwhelming German blitzkrieg assault operations which ran counter to their preference for highly mobile offensive warfare Lessons were quickly learned across a wide variety of terrain and climates including the open steppes dense forests wooded swamps cities and in snow and ice where the availability of construction materials differed greatly The first to cover this topic in the English language and containing detailed information about the trenches bunkers observation posts and weapon positions this book examines field fortifications built from local materials by infantrymen as well as their use of mines field camouflage techniques and construction tools Alongside illustrations throughout Gordon L Rottman provides a first fascinating insight into Russian defensive attempts against the overwhelming might of the German Army **800 Days on the Eastern Front** Nikolai Litvin, 2017-01-06 During his 800 days of war Nikolai Litvin fought at the front lines in the ferocious tank battles at Kursk was wounded three times and witnessed unspeakable brutalities against prisoners and civilians But he survived to pen this brief but powerful memoir of his wartime experiences Barely out of his teens Litvin served for three years in the Red Army on the killing fields of the Eastern Front His memoir presents an unadorned candid narrative of the common soldier's lot in Stalin's army Unlike the memoirs of Russian officers usually preoccupied with large military operations and political concerns this narrative offers a true ground level view of World War II's deadliest theater It puts a begrimed human face on the enormous toll of casualties and provides a rare perspective on battles that were instrumental in the defeat of the German army Litvin's varied roles ranging from antitank gunner at Kursk to heavy machine gunner in a penal battalion to staff driver for the 352nd Rifle Division offer unique perspectives on the Red Army in World War II as it fought from the Ukraine deep into the German heartland Litvin documents such significant battles as Operation Kutuzov Operation Bagration and the German counterattack on the Narev while also providing unique personal observations on fording the Dnepr River under enemy fire the rape of German women by Russian troops and literally seeing his life pass before his eyes as he watched a Stuka's bomb fall directly on his position And because part of his duties involved chauffeuring Red Army generals he also presents revealing glimpses into their personalities and behaviors Originally written in 1962 with events still fresh in his mind Litvin's memoir lay unpublished and unseen until translator Stuart Britton and a Russian colleague approached him about publishing it in English Britton interviewed Litvin to flesh out the details of his original recollection and annotated the resulting work to provide historical context for the campaigns and battles in which he participated Remarkably free of Soviet era propaganda this gem of a memoir provides a view of the war never seen by western readers including photographs from Litvin's personal collection An invaluable historical document as well as a remarkable testament of survival Litvin's memoir offers unique and penetrating

insights into the Soviet wartime experience unavailable in any other source *On a Knife's Edge* Prit Buttar, 2018-10-18

Late 1942 saw the strategic situation on the Eastern Front change completely The encirclement of Paulus Sixth Army in Stalingrad trapped a significant portion of the Wehrmacht's combat forces in the ruins of the devastated city where they would ultimately die or be taken prisoner but at the same time the entire German position was left in a catastrophic state The year's campaign had seen the Germans advance first east but then increasingly to the south and southeast the Soviet counter offensive not only isolated Sixth Army it also raised the possibility of the collapse of the entire front The ultimate failure of the Red Army to achieve this is due in no small part to the efforts of one of the Wehrmacht's greatest commanders Erich von Manstein who rebuilt the German front line and fought a mobile campaign in which all the strengths of the German forces and all the weaknesses of their Soviet opponents were revealed Written by one of the world's leading experts on the Eastern Front *On a Knife's Edge* is a story of brilliant generalship lost opportunities and survival in the harshest theatre of war

Moscow 1941 Rodric Braithwaite, 2007-10-09 In 1941 close to one million Russian soldiers died defending Moscow from German invasion more casualties than that of the United States and Britain during all of World War II Many of these soldiers were in fact not soldiers at all but instead ordinary people who took up arms to defend their city Students dropped their books for guns released prisoners exchanged their freedom for battle and women fought alongside men on the bloody mud covered frozen road to Moscow By the time the United States entered the war the Germans were already retreating and a decisive victory had been won for the Allies With extensive research into the lives of soldiers politicians writers artists workers and children Rodric Braithwaite creates a richly detailed narrative that captures this crucial moment *Moscow 1941* is a dramatic unforgettable portrait of an often overlooked battle that changed the world *Hungarian Soldier vs Soviet Soldier* Péter Mujzer, 2021-07-22 On 26 June 1941 unidentified bombers attacked the Hungarian town of Kassa prompting Hungary to join its Axis partners in Operation Barbarossa Hitler's invasion of the Soviet Union Hungary's contribution to Barbarossa was designated the Carpathian Group its most powerful component being the Mobile Corps which fielded motorized rifle cavalry bicycle and light armoured troops The Hungarians faced Soviet forces belonging to the Kiev Military District deployed in four armies along a 940km long front On the defeated side in World War I Hungary had seen its borders redrawn and its armed forces constrained by treaty but was determined to recover territories lost to adjoining countries When Hungary decided to participate in Operation Barbarossa however the Royal Hungarian Army was deployed in the Soviet Union and not against its neighbours Meanwhile the Red Army while remaining among the most formidable armies of the era had been seriously weakened by successive purges its shortcomings exposed by the Winter War against Finland in 1939-40 During the opening battles 4-13 July the Hungarian motorized rifle and armoured units clashed with the withdrawing Red Army forces In the battle for Uman 15 July-8 August the Hungarians blocked the Soviet troops efforts to break out from encirclement During the Hungarian defensive operation at the River Dniepr 30 August-6 October counter

attacking Soviet units exerted heavy pressure on the defending Hungarians Both sides would seek to draw lessons from these opening battles as the war in the East continued to rage into 1942 Fully illustrated this book investigates the Hungarian and Soviet soldiers who fought in three battles of the Barbarossa campaign casting new light on the role played by the forces of Nazi Germany's allies on the Eastern Front *The Western Allies and Soviet Potential in World War II* Martin

Kahn, 2017-03-27 World War II was the largest and most devastating war in modern history with far reaching consequences The single most important campaign was the Soviet German war which consumed the lion share of Germany's military resources In contrast to the tone in German and Anglo American precampaign assessments the USSR was able to repulse the invasion after huge losses and turn the table on Germany and her minor Axis allies This book examines how the two most important Western Allies in World War II the United States and the United Kingdom assessed the economic and military potential of the Soviet Union in 1939-1945 Since the USSR was the single most important military contributor to the Allied victory in Europe and the main target of Germany's military strength these assessments are of paramount importance in order to understand how the Anglo Americans perceived the overall war situation and adjusted their own war effort in accordance with it Utilising a wide range of documents produced by the Anglo Americans during and shortly before World War II this book explores why Soviet strength was underestimated and how the Soviet economic system Soviet society and military capabilities were viewed by Western Government observers *The Western Allies and Soviet Potential in World War II* is a fascinating read for those in academia studying economic history international economics and security studies especially areas on military and strategic **Operation Barbarossa: the Complete Organisational and Statistical Analysis, and Military Simulation Volume IIB** Nigel Askey, 2014-08-26

Volume IIB is the second volume relating to and completing the Wehrmacht and the German mobilisation and war economy from June to December 1941 It includes the most detailed Orders of Battle ever published on the German Heer Luftwaffe Waffen SS and Kriegsmarine in all areas of the Reich between 22nd June and 4th July 1941 Even small and obscure units are included such as flak companies artillery HQs observation battalions bridging columns Landeschützen battalions MP battalions railroad companies and Luftwaffe Kurierstaffeln Verbindungsstaffeln and Sanitätsflugbereitschaften The Luftwaffe OOBs also include details on aircraft types and strengths in each air unit

Red Army Handbook 1939 1945 Introduction

Red Army Handbook 1939 1945 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Red Army Handbook 1939 1945 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Red Army Handbook 1939 1945 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Red Army Handbook 1939 1945 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Red Army Handbook 1939 1945 Offers a diverse range of free eBooks across various genres. Red Army Handbook 1939 1945 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Red Army Handbook 1939 1945 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Red Army Handbook 1939 1945, especially related to Red Army Handbook 1939 1945, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Red Army Handbook 1939 1945, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Red Army Handbook 1939 1945 books or magazines might include. Look for these in online stores or libraries. Remember that while Red Army Handbook 1939 1945, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Red Army Handbook 1939 1945 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not

be the Red Army Handbook 1939 1945 full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Red Army Handbook 1939 1945 eBooks, including some popular titles.

FAQs About Red Army Handbook 1939 1945 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Army Handbook 1939 1945 is one of the best book in our library for free trial. We provide copy of Red Army Handbook 1939 1945 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Army Handbook 1939 1945. Where to download Red Army Handbook 1939 1945 online for free? Are you looking for Red Army Handbook 1939 1945 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Red Army Handbook 1939 1945. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Red Army Handbook 1939 1945 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Red Army Handbook 1939 1945. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition

book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Red Army Handbook 1939 1945 To get started finding Red Army Handbook 1939 1945, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Red Army Handbook 1939 1945 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Red Army Handbook 1939 1945. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Red Army Handbook 1939 1945, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
