Rimbaud And Jim Morrison:

Rimbaud and Jim Morrison Wallace Fowlie,1994 Fowlie presents a study of the similarities in the lives of French poet Rimbaud and rock singer Morrison Both were alienated rebels were associated with poetry and Africa and died young Morrison s lyrics were influenced by Rimbaud s poetry **Rimbaud e Jim Morrison** Wallace Fowley,1997 **Bob Dylan and Leonard Cohen** David Boucher,Lucy Boucher,2021-04-08 Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades This book begins with a discussion of their contemporary importance and how they have sustained their enduring appeal as performers and recording artists The authors argue that both Dylan and Cohen shared early aspirations that mirrored the Beat Generation They sought to achieve the fame of Dylan Thomas who proved a bohemian poet could thrive outside the academy and to live his life of unconditional social irresponsibility While Dylan s and Cohen s fame fluctuated over the decades it was sustained by self consciously adopted personas used to distance themselves from their public selves This separation of self requires an exploration of the artists relation to religion as an avenue to find and preserve inner identity The relationship between their lyrics and poetry is explored in the context of Federico Garc a Lorca s concept of the poetry of inspiration and the emotional depths of duende Such ideas draw upon the dislocation of the mind and the liberation of the senses that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Lorca The authors show that performance and the poetry are integral and the duende or passion of the delivery is inseparable from the lyric or poetry and common to Dylan Cohen and the Beat Generation Literature and Intoxication Eugene Brennan,Russell Williams,2016-04-29 This collection traces the intersection between writing and intoxication from the literary to the theoretical exploring a diversity of experiences of excess Comprising a variety of perspectives this book offers unique insights into how politics and literature have been shaped by states of intoxication Florida Studies April van Camp,Claudia Slate,2009-05-27 This volume contains a lot of variety an eclectic mix of Florida literature and history by scholars from across the state representing every kind of institution of higher learning The first section Pedagogy highlights essays about employing service learning blogging and primary archival research into the classroom among other techniques The Old Florida section includes essays exploring the following topics as diverse as the first black general in Florida 1791 poet Wallace Stevens and the memoirs of colonial Florida women The next section Contemporary Florida contains essays on EPCOT theme park Florida newspapers the rhetoric of Carl Haissen and the stereotyped poor white Southerner Jim Morrison s use of Floridian imagery is the topic of the essay in Natural Florida and the poem Pineapple Grill falls into the category Creative Showcase *A Dictionary of the Avant-Gardes* ,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture *The Rock Music Imagination* Robert McParland,2019-08-09 The Rock Music Imagination is an exploration of rock artists in their social and artistic contexts particularly between 1964

The Beats in Mexico David Stephen Calonne, 2022-04-15 Mexico features prominently in the literature and personal legends of the Beat writers from its depiction as an extension of the American frontier in Jack Kerouac s *On the Road* to its role as a refuge for writers with criminal pasts like William S Burroughs Yet the story of Beat literature and Mexico takes us beyond the movement s superstars to consider the important roles played by lesser known female Beat writers The first book length study of why the Beats were so fascinated by Mexico and how they represented its culture in their work this volume examines such canonical figures as Kerouac Burroughs Ginsberg Lamantia McClure and Ferlinghetti It also devotes individual chapters to women such as Margaret Randall Bonnie Bremser and Joanne Kyger who each made Mexico a central setting of their work and interrogated the misogyny they encountered in both American and Mexican culture *The Beats in Mexico* not only considers individual Beat writers but also places them within a larger history of countercultural figures from D H Lawrence to Antonin Artaud to Jim Morrison who mythologized Mexico as the land of the Aztecs and Maya where shamanism and psychotropic drugs could take you on a trip far beyond the limits of the American imagination

Christianity and Rabbinic Judaism Jonas E. Alexis, 2011-12-29 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus's deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis
