Risk Factor The Executioner 253 The Executioner 253

Don Pendleton

Risk Factor The Executioner 253 The Executioner 253:

Triangle of Terror Don Pendleton, 2014-01-15 **STORMING THE GATES** A secret intelligence task force has unleashed the rogue fury of black ops at the highest reaches of the U S Administration Shrouded in lies the group has spun its web and baited the President Its mandate to protect him becomes a smoke screen for an insidious agenda the overthrow of the American government Mack Bolan has witnessed the darkest conspiracies at the heart of evil but this is the ultimate treason The scheme links the deaths of innocent marines the razing of an illegal POW camp in Brazil and enough nerve agents to turn Main Street U S A into a ghost town As the hours tick down toward anarchy the Executioner is seeking the clues that will point the guilty finger at the most ruthless traitor in the history of the republic **Serpent's Lair** Don Pendleton, 2014-01-15 **SUICIDE MISSION** Mack Bolan is dispatched to shut down a high tech arms deal brokered by the Yakuza But a simple assignment takes an ugly twist when Bolan's cover is blown Outgunned outnumbered and on the run with a gutsy kid in tow Bolan's grim situation becomes worse when a new and deadlier enemy appears in his sights An ancient cult is taking new recruits and its leader is manufacturing death in a canister A temporary truce with his Yakuza enemies may be the Executioner's only chance He has to stay alive long enough to halt the threat of the hour a madman with a bioweapon that could wipe out the population of Japan and beyond **Blood Tide** Don Pendleton, 2014-01-15 **INFILTRATE AND DESTROY** Mack Bolan's hard probe against pirates raiding looting and murdering in the Asian Pacific reveals a plot of holy terror an army of religious fanatics is planning a gruesome jihad against Western invaders Hopped up on homegrown hash the enemy fights hard wages war and follows the orders of a mysterious charismatic leader Bolan knows his best and only shot is to go undercover as a fellow fanatic a convert born of hate in the killing fields of Kosovo Joining the ranks and preparing to lead the slaughter the Executioner uncovers a deadly conspiracy that chills his blood Much bigger than piracy in the Asian shipping lanes it's a working plan to explode dirty bombs in every major port in the Pacific **Edge of Hell** Don Pendleton, 2014-01-15 **MASTERMIND OF TERROR** For more than a century the world's most famous serial killer case has remained unsolved Now on the streets of London the legend has come back to life with a new twist Jack the Ripper's grisly work is being recreated leaving a city in terror But this time the relentless killer wears body armor has crack military training and a squad of former SAS commandos as his backup Jack and his death dealers have a bloody agenda of greed money and power and they've got a workable operation in place to make it all happen But this modern day Ripper faces a foe that the original man of mystery never dreamed about the Executioner **Risk Factor** Don Pendleton, 1999-11-24 The Russian mafiya is masterminding nuclear doom by getting Arab terrorists to smuggle in fissionable materials to the highest bidders The Executioner teams up with Stony Man pilot Jack Grimaldi to unleash a two man Armageddon to turn the tables on the ruthless purveyors of evil and greed **Suicide Highway** Don Pendleton, 2014-01-15 **TARGET ACQUIRED** Mack Bolan arrives in war torn Afghanistan in answer to the murders of UN relief workers and walks into the crossfire of an

international crisis that includes Mossad Hamas and American Special Forces All are hunting a coalition of rogue Israeli agents calling themselves Abraham s Dagger This killing squad is on a rampage of wanton slaughter Every day Bolan walks the fine line between being a soldier on a mission and a vigilante He fights by a strict code civilian losses are unacceptable and he strikes only when dead certain of the prey s guilt Abraham s Dagger has violated the rules of war confusing justice with revenge The Executioner plans to show them the fine print in blood *Death Gamble* Don Pendleton,2014-01-15

MISFORTUNES OF WAR Nightwind the military s best kept secret is the most lethal anti missile aircraft in America s arsenal Its solid state laser system and advanced optics make it virtually indestructible and infinitely lethal But willing to barter his secrets to enemies of the Western world the scientist who created it has sold out The blueprints for Nightwind are going on the auction block in exchange for cold hard cash Brokering the deal is an ex KGB killer with traitors on his payroll Nikolai Kursk s vision is limited only by his capacity for power Not only has he put the scientist and the system plans on the market he s about to up the ante by stealing the plane itself His buyers are dealing because they want to see America burn And their blood money suits Kursk just fine But that kind of currency carries a price soon to be collected in full by the Executioner

POINT POSITION Don Pendleton,2017-01-21 Bankrolled by a drug czar turned arms dealer Europe s most dangerous right wing splinter group grabs a cache of stolen chemical weapons Doubling the score the terrorists seize a prototype weapon the brainchild of a U S black ops project so covert not even the Oval Office is aware of its existence SHOCK WAVE Mark Bolan s offensive to neutralize the terrorists and recover the weapons is undermined by rogue mercenaries operating deep inside a shadow world all determined to retrieve the prototype a sonic weapon of stunning destructive capabilities The Executioner s long arm of justice never wavers as he stalks the streets and catacombs of Marseilles targeting the guilty with a hail of lead and fury *SOVIET SPECTER* Don Pendleton,2017-01-21 A customs bust in New York alerts Mack Bolan to a heroin smuggling operation run by Russian gangsters His mission is three pronged find the brain behind the enterprise smash the network that stretches from New York to Moscow and protect the beautiful Russian witness from enforcers working around the clock to kill her RULES OF ENGAGEMENT Undercover as a rogue cop on the take Bolan penetrates the drug ring and finds tentacles reaching deep into the U S justice system Shooting his way out of a blood bath at every turn the Executioner winds his way through the maze of corruption and death delivering the kind of payback these criminals have coming to them **MERCY MISSION** Don Pendleton,2017-01-21 Mack Bolan goes rogue as a favor for a friend that quickly turns personal the search and rescue of American soldiers damned to hell deep inside hostile territory in the Middle East Finding and saving the men betrayed by their ruthless commanding officer fifteen years earlier is worth everything Bolan s got including his life A MATTER OF HONOR Jumping alone into enemy territory for an all but impossible rescue coupled with a grim determination to expose the military bureaucrats and power players who orchestrated this outrage challenges fate to the lethal extreme As a former soldier himself the Executioner has cheated fate before and vows to do it one more time for

the forgotten prisoners of a long ago war who deserve no less *Agent of Peril* Don Pendleton,2014-01-15 COURSE OF ACTION Without warning three U S made tanks swoop down on an Israeli settlement with cannons blazing When the attack is over hundreds are dead Mack Bolan s hard probe reveals that the tanks were missing from a U S to Egypt military aid package Bolan s mission takes him to Cairo to find out who is selling American weapons to terrorists But the enemy is organized and deadly anticipating his arrival He races across Egypt and Lebanon facing highly trained commandos Hezbollah hitmen even a Syrian armored platoon It all leads to an ancient copper mine a squadron of nerve gas bearing drones and a countdown to the start of a bloody war between Egypt **Lethal Payload** Don Pendleton,2014-01-15 ROGUE S GALLERY A rescue mission in the South Pacific turns up a wild card that puts Mack Bolan on the trail of an elusive enemy mounting a horrific and ingenious attack against the U S one that involves traitors deep inside one of the world s most elite and powerful groups of soldiers the French foreign legion Bolan s hard probe takes him halfway across the globe to French Guiana where a faceless enemy is in deadly pursuit The stakes get higher when Bolan makes the connection between the country s state of the art satellite launch facility and a terrorist plot poised to send shock waves around the world With the situation spinning out of control the Executioner plays long odds for his very survival But this time he s betting the farm **Exit Code** Don Pendleton,2014-01-15 Enemies bent on total terror have infiltrated the U S government s most sophisticated defense technology Mack Bolan and the Stony Man cyberneticists are in a race against time to crack the doomsday code before America s infrastructure collapses **Vendetta Force** Don Pendleton,2002 Law enforcement officers are being assassinated by a brutal invisible killing machine in a seemingly untouchable coast to coast operation Mack Bolan must go undercover with the Houston P D to penetrate the heart of this evil His agenda is clear track down those responsible and make them pay the ultimate price It s time for justice Executioner style *Poison Justice* Don Pendleton,2014-01-15 TRIANGLE OF TERROR A deadly alliance between the New York Mob a Colombian cartel and Middle Eastern terrorists is the starting point of a plot that could end with the wholesale slaughter of innocent Americans At stake is a radioactive toxin developed for the space program but now for sale to fanatics in the market for a killer weapon Corrupt Justice officials are neck deep in the conspiracy but where black ops activity begins and ends is anybody s guess Bad odds get worse when Mack Bolan posing as a Justice agent turns up at the scene of a shooting The victim Hal Brognola On the run and hunted by both sides of the law Bolan s luck is running out But the battle never ends until the Executioner wins or dies Lockdown Don Pendleton,2017-01-21 LETHAL CONTAINMENT The high level demonstration of a military experiment has gone hideously wrong A refined nerve agent designed to temporarily enhance strength and endurance on the battlefield has failed Anyone who comes in direct contact with the highly contagious agent is transformed into a human monster a living breathing killing machine The research facility is in full lockdown and Hal Brognola is trapped inside Mack Bolan and Phoenix Force s David McCarter must enter the hot zone where contaminated researches are slaughtering each other The threat to the population

at large is enormous If the Stony Man warriors can't gain control of the facility Brognola and countless others will die And while the battlefield is a new one the Executioner's mission remains the same protect the innocent and punish the guilty

Soft Target Don Pendleton, 2017-01-21 **TERROR TAKEDOWN** New intelligence in the form of confiscated terrorist training films indicates a highly orchestrated chain of catastrophic violence is about to spread like wildfire across the United States Assassinations of government officials the mass murder of innocents at shopping malls and churches and suicide bombings will simply lay the groundwork for the big event to come Operating on razor sharp instincts Mack Bolan begins at the beginning tracking targeted victims and taking out the enemy before havoc ensues picking up bits of the puzzle and piecing together the grim picture A mass hostage taking at a large university demands every bit of steel the Executioner's got but even the worst that unfolds is a cakewalk compared to a relentless enemy's next calculated act of devastation

Serial Vigilantes of Paperback Fiction Bradley Mengel, 2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's *The Executioner* in 1969 This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton's novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured

SHADOW SEARCH Don Pendleton, 2014-01-15 **INTO THE HEART** The bloody terrain of West Africa is the staging ground for a rescue mission with almost impossible odds Mack Bolan's directive comes straight from the Oval Office find and recover two hostages kidnapped to blackmail the embattled head of a civil war torn province Bolan is facing powerfully backed terrorists whose campaign of death strikes fear into the heart of a struggling nation And his offensive loses ground when he clashes with ruthless slave traders whose innate knowledge of the hostile African bush makes the enemy and the hostages more elusive But the war continues deep into the shadow land where violence and death rule and justice comes only at the uncompromising hand of the Executioner

Code of Resistance Don Pendleton, 2005 Mack Bolan's mission is the quick retrieval of Stony Man commando Calvin James who is intervening on behalf of an old friend and a just cause on a tiny Pacific island nation War has come to paradise but so has the Executioner Original
