knowledge and skill sets of the sport manager as well as to provide information on sport industry segments for potential employment and career opportunities

Managing Risk in Sport and Recreation Katharine M. Nohr, 2009 Sport risk management is a key component of any sport and recreation program To run a successful program not only do you have to look after the safety and well being of your participants but you also need to protect the best interests of your organization

Managing Risk in Sport and Recreation The Essential Guide for Loss Prevention provides all the tools you need in order to design a comprehensive risk management plan that fits the needs of your organization Written specifically for sport and recreation professionals by an attorney with over 20 years of experience in insurance defense litigation the book combines information on law insurance and sports to give you a complete view of all of the issues involved in assessing controlling and financing your risks In **Managing Risk in Sport and Recreation** you ll find practical explanations of the fundamentals of law and insurance so you can make intelligent decisions regarding your risks The author uses simple straightforward language so that even those with a limited background in law risk management or insurance can easily learn this essential information

The book features these topics

- An examination of the three elements of risk management risk assessment control and financing with a summary of the key issues involved in each element to provide you with the basis for your risk management plan
- An eight step strategy that simplifies the process of creating a risk management plan and can be used in creating a comprehensive plan for your organization or individual plans for specific sports activities or events
- Summaries of published appellate court cases for 14 popular sports and activities to help you better understand sport and recreation law and apply it to your risk management plan
- An overview of legal principles including contracts statutes negligence and liability which will help you better prepare to comply with laws and prevent litigation
- Coverage of the insurance claims and litigation processes which gives you an understanding of each process and detailed information to guide you through each step of the processes

Managing Risk in Sport and Recreation uses actual court cases to help you identify possible risk exposures and improve your risk management plan The book features court case summaries for 14 popular sports and activities including basketball American football soccer weightlifting weight training and triathlon as well as specific tips on decreasing risk for each of the sports An introductory chapter explains how to interpret the appellate court decisions and apply the information to prevent similar incidents from happening in your organization In addition a court case summary finder sorts the summaries by general risk issue such as facilities players and hazards to help you find all the cases applicable to particular incidents and provide a broader perspective of how incidents in one sport may relate to others

Managing Risk in Sport and Recreation features numerous forms including incident reports and repair logs checklists such as equipment safety and vehicle inspection documentation strategies risk management tips and safety questionnaires for each of the sports covered This lawyer created toolkit will help you take the steps to reduce injuries decrease lawsuits and pinpoint the strengths and weaknesses in your sport programs Whether you need to develop a comprehensive risk management plan or just examine the

potential risks involved in individual sport programs Managing Risk in Sport and Recreation The Essential Guide for Loss Prevention contains everything you need to make the right decisions The knowledge and tools found in this practical resource will help you create a plan that positions your organization for success Elementary Physical Education Rovegno,Dianna Bandhauer,2016-02-15 Includes an access code for online materials *Law for Recreation and Sport Managers* John T. Wolohan,T. Jesse Wilde,2001 This text for undergraduate and graduate courses covers negligence law intentional torts and criminal acts risk management contract law constitutional law and sport and legislation Each chapter begins with an introduction then explains fundamental concepts presents a significant case and discusses recent developments in the area Material is written in plain language and key terms are highlighted and defined This second edition contains 18 new and revised chapters with greatly expanded material on risk management The first edition was titled Sport Law for Sport Managers c Book News Inc **The Business of Sports** Mark Conrad,2011-02-02 This book explores the business aspect of sports with an orientation to those topics that are most relevant to journalists providing the foundation for understanding the various parts of the sports business Moving beyond sports writing this text offers a distinct perspective on professional college and international sports organizations structure governance labor issues and other business factors within the sports community Written clearly and compellingly The Business of Sports includes cases historical current and hypothetical to illustrate how business concerns play a role in the reporting of sports New features for the second edition include updates throughout including disciplinary policies throughout the major sports leagues expanded discussion of intellectual property issues and merchandising new sections on ethical issues in sports aimed at journalists Offering critical insights on the business of sports this text is a required resource for sports journalists and students in sports journalism
