A History of Texas Homer S. Thrall,1885 **Single Star of the West** Kenneth W. Howell,Charles Swanlund,2017-03-15 Does Texas s experience as a republic make it unique among the other states In many ways Texas was an accidental republic for nearly ten years until Texans voted overwhelmingly in favor of annexation to the United States after winning independence from Mexico Single Star of the West chronicles Texas s efforts to maneuver through the pitfalls and hardships of creating and maintaining the accidental republic The volume begins with the Texas Revolution and examines whether or not a true Texas identity emerged during the Republic era Next several contributors discuss how the Republic was defended by its army navy and the Texas Rangers Individual chapters focus on the early founders of Texas Sam Houston Mirabeau B Lamar and Anson Jones who were all exceptional men but like all men suffered from their own share of fears and faults Texas s efforts at diplomacy and persistence and transformation in its economy also receive careful analysis Finally social and cultural aspects of the Texas Republic receive coverage with discussions of women American Indians African Americans Tejanos and religion The contributors also focus on the extent that conditions in the republic attracted political and economic opportunists some of whom achieved a remarkable degree of success Single Star of the West also highlights how the Texas Republic was established on American political ideology With the majority of the white settlers coming from the United States this will not surprise many scholars of the era In some cases the Texans successfully adopted American political and economic ideology to their needs while other times they failed miserably

Cubans in the Confederacy Phillip Thomas Tucker,2002-05-10 The role of Cubans in the American Civil War is seldom appreciated This work is the first to provide a close look at the often distinguished services they performed Although Cubans are recorded in the rosters of both Union and Confederate forces Cuban ties with the Confederacy were particularly strong partly because Cuban patriots fighting for liberation from Spain tended to identify with the Southern cause as a revolutionary struggle This work will focus on the biographies of three Cubans who served the Confederate army in the War Between the States Darryl E Brock offers a detailed portrait of Jos Agust n Quintero who served as the South s most effective diplomat Michel Wendell Stevens writes on Ambrosio Jos Gonzales who rose to the rank of colonel and served some of the Confederacy s best known generals Finally Richard Hall provides an intimate sketch of Loreta Janeta Velazquez a soldier and spy for the Confederacy who infiltrated as a double agent the operations of Northern spy master Lafayette C Baker

Clio's Favorites Robert Allen Rutland,2000 Although historians talk about each other s work routinely they have been reluctant to record their thoughts about the leading practitioners of U S history Robert Allen Rutland attempts to remedy this state of things with this collection named for Clio the Greek muse

vested with the inspirations of history The volume offers a glimpse of the lives and work of historians who must be considered among the most remarkable from the last half of the twentieth century The roll call of excellence for Clio s Favorites was established after Rutland informally polled some twenty five historians asking them to name the outstanding workers in the field of U S history since the end of World War II Among the criteria for selection were quality not volume of the historian s work influence in the field of study importance of his or her graduate and undergraduate teaching and the figure s public persona as reflected by awards honors and involvement in public service The historians profiled in Clio s Favorites most of whom broke new ground met and surpassed these standards The list could have gone on but Rutland believes these twelve represent the cream of the crop Just as the subject of each essay in Clio s Favorites is a remarkably distinguished historian the authors of these twelve essays are accomplished historians themselves Good historical writing is never outdated Rutland argues The extensive work of the scholars profiled here has endured and will continue to endure Likewise the writing in Clio s Favorites by twelve expert historians will survive This book will be a lasting record of the contributions made by the best U S historians practicing their craft over the last fifty years *Congressional Record* United States. Congress,1991 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Day Trips® from Houston** Paris Permenter,John Bigley,2019-07-01 Rediscover the simple pleasures of a day trip with Day Trips from Houston This guide is packed with hundreds of exciting things for locals and vacationers to do see and discover within a two hour drive of the Houston metro area With full trip planning information Day Trips from Houston helps make the most of a brief getaway Packed with hundreds of exciting things for locals and vacationers to do see and discover not far from Houston TX Complete with full trip planning information including information on where to eat where to shop and where to stop along the way Each itinerary includes its own route map *Show Me Small-Town Missouri* Jake McCandless,2020-11-03 Where was Mark Twain born What city has claim to a president who was only president for a day Who has the best paddling trips in the Ozarks What about the World s Largest Gift Store Find these answers and more in Show Me Small Town Missouri Award winning author Jake McCandless a lover of small towns and adventures traveled the state in search of amazing local experiences to share this treasure trove of what you can find in often overlooked towns across Missouri Featured are 90 sparkling gems found in all four of the state s geographical regions the Northern Prairie the Southwest Osage Plain the Ozarks and the Bootheel Lowlands The must see attractions activities restaurants sweet shops specialty shops and unique vacation spots are showcased in full color images with an easy to follow index to help you plan your trip From galleries to hiking trails candy factories to wineries lakeside attractions to the best fireworks displays Show Me Small Town Missouri has everything you
