Mitch Miller Community Song Book Guy Freedman,1962      The Oxford Handbook of Community Singing Esther M. Morgan-Ellis,Kay Norton,2024 The Oxford Handbook of Community Singing shows in abundant detail that singing with others is thriving Using an array of interdisciplinary methods chapter authors prioritize participation rather than performance and provide finely grained accounts of group singing in community music therapy religious and music education settings Themes associated with protest incarceration nation hymnody group bonding identity and inclusivity infuse the 47 chapters Written almost wholly during the 2020 21 COVID 19 pandemic the Handbook features a section dedicated to collective singing facilitated by audiovisual or communications media mediated singing some of it quarantine mandated The last of eight substantial sections is a repository of new theories about how group singing practices work Throughout the authors problematize the limitations inherited from the western European choral music tradition and report on workable new remedies to counter those constraints      Catalog of Copyright Entries Library of Congress.
