

- He runs us through some of the broader issues associated with the adoption & use of mobile communication & how it is influencing the renegotiation of the social sphere through his book **Mobile Communications: Re-negotiation of the Social Sphere** (co-edited with Per Pedersen).
- The book considers how mobile communication has impacted on society and reflects on how it is used (& sometimes resented) in various public & private spaces.
- It provides an in-depth analysis of specific areas which complement our understanding of the phenomena including:
 - The psychological dimensions of mobile communication (addiction, proclivity to be disturbed by others' use of the mobile phone).
 - The linguistics of mobile communication, &
 - The understanding of mobile communication's commercialization. A valuable addition to any researcher's or professional's reading material in the area of interaction of technology & society.
