[My Brother's Keeper](#) Rev. Dr. Lewis J. Holmes, 2024-12-02 Because I am my Brother's Keeper every one of us has a story to tell or a testimony

Something learned and could be shared would be beneficial in aiding to bring joy and a little happiness and hope in someone's life to possibly inspire a shift in consciousness. This shift enables us to see and hear from a spiritual perspective. Jesus said I have come that you might have life and have it more abundantly. This abundance is brought through the workings of God's laws which are unchangeable, infallible, trustworthy, and dependable laws that are guaranteed to work every time when we work within their structure. We must know that it is God's good pleasure to give us the kingdom and all that is within but only if we ask and are open and receptive to receive it. God is a loving God. He will never push us but only guide us. The choice is ours. Will we listen and obey and find a purpose or will we just wander through life searching and unsatisfied? I chose to listen and decided to continue writing down my thoughts, revelations, prayers, and a few stories as well as a few lectures I facilitated on Truth Principles through my church, the Power Circle Congregation, under the leadership of Rev. Dr. Joseph E. Hill in Chicago, Illinois. Please sit back, take off your shoes, relax, and enjoy them. Again, like a pocketful of pearls, this is not to teach a philosophy or a new way of life. It is my thoughts, prayers, etc. that help me live the quality of life in which I believe God intended me to live, and I wanted to share that which lifted me up in hopes it will do the same for you. Please enjoy.

Change Your Future, Now! Germain Decelles o.s.j., MBA, 2012-11-23. What should you be in the future? Today we are confronted with more choices about how to live our lives and develop careers than ever before. Repeatedly we are thrown into situations where we have to reinvent our professional, personal, and relationship lines, redefining who we are and where we want to go. Change is an inevitable part of life. Everyone needs to question himself or herself on life's journey, opening the mind to new challenges regarding how to be great, how to communicate, and network. Change is all about acquiring knowledge and wisdom, planning ahead, being able to influence, inspire, deal with change, negotiate, disagree, be a good citizen, and have some common sense, reduce stress, use humor, and have the intuition to facilitate success for a better future. I encourage you to be completely open and transparent as you look inside yourself and answer the very challenging and difficult questions posed as you reflect on what you should be in the future. The Institute ..., 1917.
