academic or public library that endeavors to represent the field **At Memory's Edge** James Edward Young,2000-01-01 How should Germany commemorate the mass murder of Jews once committed in its name In 1997 James E Young was invited to join a German commission appointed to find an appropriate design for a national memorial in Berlin to the European Jews killed in World War II As the only foreigner and only Jew on the panel Young gained a unique perspective on Germany's fraught efforts to memorialize the Holocaust In this book he tells for the first time the inside story of Germany's national Holocaust memorial and his own role in it In exploring Germany's memorial crisis Young also asks the more general question of how a generation of contemporary artists can remember an event like the Holocaust which it never knew directly Young examines the works of a number of vanguard artists in America and Europe including Art Spiegelman Shimon Attie David Levinthal and Rachel Whiteread all born after the Holocaust but indelibly shaped by its memory as passed down through memoirs film photographs and museums In the context of the moral and aesthetic questions raised by these avant garde projects Young offers fascinating insights into the controversy surrounding Berlin's newly opened Jewish museum designed by Daniel Libeskind as well as Germany's soon to be built national Holocaust memorial designed by Peter Eisenman Illustrated with striking images in color and black and white **At Memory's Edge** is the first book in any language to chronicle these projects and to show how we remember the Holocaust in the after images of its history **Women in Theatre 2£3** Julia Pascal,2005-08-15 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Theatre of the Real** C. Martin,2012-10-23 This book proposes a new way to consider theatre and performance that claims a special relationship to reality truth and authenticity It documents innovations in devising and staging theatre and performance that takes reality as its subject cultural shifts that have generated theatre of the real some of its problems and some possibilities

Contesting British Chinese Culture Ashley Thorpe,Diana Yeh,2018-09-18 This is the first text to address British Chinese culture It explores British Chinese cultural politics in terms of national and international debates on the Chinese diaspora race multicultural identity and belonging and transnational Chineseness Collectively the essays look at how notions of British Chinese culture have been constructed and challenged in the visual arts theatre and performance and film since the mid 1980s They contest British Chinese invisibility showing how practice is not only heterogeneous but is forged through shifting historical and political contexts continued racialization the currency of Orientalist stereotypes and the possibility of their subversion the policies of institutions and their funding strategies and dynamic relationships with transnationalisms The book brings a fresh perspective that makes both an empirical and theoretical contribution to the study of race and cultural production whilst critically interrogating the very notion of British Chineseness **Asian American Playwrights** Miles Liu,2002-05-30 In the late nineteenth century Asian American drama made its debut with the spotlight firmly on the lives and struggles of Asians in North America rather than on the cultures and traditions of the Asian homeland Today Asian American playwrights continue to challenge the limitations of established theatrical conventions and direct popular attention toward

issues and experiences that might otherwise be ignored or marginalized While Asian American literature came into full bloom in the last 25 years Asian American drama has yet to receive the kind of critical attention it warrants This reference book serves as a versatile vehicle for exploring the field of Asian American drama from its recorded conception to its present stage Included are alphabetically arranged entries for 52 Asian American dramatists of origins from India Pakistan Vietnam the Philippines Japan Korea and China Each entry includes relevant biographical information that contextualizes the works of a playwright an interpretive description of selected plays that spotlights recurring themes and plots a summary of the playwright's critical reception and a bibliography of primary and secondary works The entries are written by expert contributors and reflect the ethnic diversity of the Asian American community The volume closes with a selected general bibliography which includes anthologies scholarly studies and periodicals
