Pocket Bunny, 1995 A fictional introduction to the habits and behaviors of rabbits **Pocket Bunny**, 1995 **Violet's Flight, Or, Kahbia** David R. Beasley, 2010 Japanese Armies invaded an almost defenseless Burma in 1942 sending tens of thousands fleeing over the mountains to India Violet's Flight narrates the experiences of a young Anglo Burmese girl and her relatives growing up happily under the British and their ordeal either escaping the Japanese or living under the occupation or fighting in the resistance The battles won by the allied armies coming out of India to retake Burma in 1944-45 are seen through the eyes of Japanese officers The Anglo Burmese girl leaves post war Burma for the West not a read to be missed highly recommended The Midwest Book Review Neurotica Sue Margolis, 2003-08-26 If he always has the headache why should you suffer In the bestselling tradition of Bridget Jones's Diary comes this outrageous hilarious look at love marriage and sex introducing Anna Shapiro who believes that surely there must be more to married life Tabloid reporter Anna Shapiro can pinpoint the day three years ago that she and her husband Dan last had great sex Anna would be grateful if something as ordinary as a mere headache was her husband's excuse Dan's hypochondriac terrors include brain tumors tropical diseases and spontaneous combustion While she loves her husband she's not ready to give up on sex at age thirty-seven so what can she do It's the perfect time for the distraction of a freelance assignment But what her editor has in mind is a story on the explosive new feminist manifesto that prescribes no strings attached affairs for women Anna's assignment is to interview three women who've had extramarital affairs purely for sexual pleasure but she's inclined to take her research a bit further Can a woman have an uncomplicated affair purely for sexual pleasure or do her emotions invariably interfere Anna's determined to find out And despite her worries about her middle-aged body potential research assistants prove to be plentiful Going where no journalist has gone before Anna delves into a world she'd never considered until now What is after all the perfect outfit for committing adultery in Is it truly beyond the pale to pick up a man no matter how sexy he is at a funeral And what can be done about that single horrifying gray hair The answers are more hilarious than Anna could ever have predicted But soon Anna finds herself facing the question that she never thought she'd have to answer Is she willing to give up her marriage and her children for what may be the biggest gamble of her life A novel for every woman who's ever wondered and every woman who hasn't Neurotica will have you roaring with laughter as it takes you on a wickedly delightful journey of sheer indulgence Isolde Irena Odoevtseva, 2019-11-05 A family of Russian migrants seeks refuge in Jazz Age era Paris in this enthralling compellingly conflicted portrait of love deceit and wayward youth by a pioneering Russian writer Guardian Left to her own devices in Biarritz fourteen-year-old Russian Liza meets an older English boy Cromwell on a beach He thinks he has found a magical romantic beauty and insists upon calling her Isolde she is taken with his Buick and ability to pay for dinner and champagne Disaffected and restless Liza her brother Nikolai and her boyfriend Andrei enjoy Cromwell's company in restaurants and jazz bars after he follows Liza back to Paris until his mother stops giving him money When the siblings own
