Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most

important international developments in an area that now occupies a critical place in many fields of academic endeavours. While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways. To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered. Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public.

My Desire for History Allan Bérubé, 2011-06-01 This anthology pays tribute to Allan Berube 1946-2007 a self taught historian and MacArthur Fellow who was a pioneer in the study of lesbian and gay history in the United States. Best known for his Lambda Literary Award winning book *Coming Out Under Fire: The History of Gay Men and Women in World War II* 1990 Berube also wrote extensively on the history of sexual politics in San Francisco and on the relationship between sexuality class and race. John D Emilio and Estelle Freedman who were close colleagues and friends of Berube have selected sixteen of his most important essays including hard to access articles and unpublished writing. The book provides a retrospective on Berube's life and work while it documents the emergence of a grassroots lesbian and gay community history movement in the 1970s and 1980s. Taken together the essays attest to the power of history to mobilize individuals and communities to create social change.

Queer Chinese Cultures and Mobilities John Wei, 2020-01-02 In *Queer Chinese Cultures and Mobilities* John Wei brings light to the germination and movements of queer cultures and social practices in today's China and Sinophone Asia. While many scholars attribute China's emergent queer cultures to the neoliberal turn and the global political landscape Wei refuses to take these assumptions for granted. He finds that the values and pitfalls of the development induced mobilities and post development syndromes have conjointly structured and sustained people's ongoing longings and sufferings under the dual pressure of compulsory familism and compulsory development. While young gay men are increasingly mobilized in their decision making to pursue sociocultural and socioeconomic capital to afford a queer life the ubiquitous and compulsory mobilities have significantly reshaped and redefined today's queer kinship structure transnational cultural network and social stratification in China and capitalist Asia. With *Queer Chinese Cultures and Mobilities* Wei interrogates the meanings and functions of mobilities at the forefront of China's internal transformation and international expansion for its great dream of revival when gender and sexuality have become increasingly mobilized with geographical cultural and social class migrations and mobilizations beyond traditional and conventional frameworks categories and boundaries. This timely and compelling contribution to Chinese Sinophone studies and queer sexuality studies is a pleasure to read. John Wei explores a diverse fascinating and unevenly explored archive of queer materials deftly deploying scholarship in multiple fields to analyze the emergent formation of queer Sinophone cultures. David L Eng University of Pennsylvania John Wei's meticulously researched and rigorously argued new book sets a new standard for queer Chinese studies. Bringing together a dazzling array of ethnographic materials films and digital media Wei proposes the

concept of stretched kinship to show us how questions of sexuality are always questions of mobilities as queer migrants become ineluctably entangled with China's compulsory familism and developmentalism Petrus Liu Boston University

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Women without Class Julie Bettie, 2014-09-18 In this ethnographic examination of Mexican American and white girls coming of age in California's Central Valley Julie Bettie turns class theory on its head asking what cultural gestures are involved in the performance of class and how class subjectivity is constructed in relationship to color ethnicity gender and sexuality A new introduction contextualizes the book for the contemporary moment and situates it within current directions in cultural theory Investigating the cultural politics of how inequalities are both reproduced and challenged Bettie examines the discursive formations that provide a context for the complex identity performances of contemporary girls The book's title refers at once to young working class women who have little cultural capital to enable class mobility to the fact that analyses of class too often remain insufficiently transformed by feminist ethnic and queer studies and to the failure of some feminist theory itself to theorize women as class subjects *Women without Class* makes a case for analytical and political attention to class but not at the expense of attention to other social formations

Media Q Kevin G. Barnhurst, 2007 *Media Queered* is a groundbreaking assessment of minorities and the media Authorities including Larry Gross Edward Alwood Lisa Henderson and Marguerite Moritz join several new scholars to examine four aspects of visibility history expertise popularity and technology To supplement this research media practitioners including journalists working in the gay and mainstream press contribute a unique series of interludes The first is by Studs Terkel who interviewed founders of the U S homophile movement Written for scholars students and instructors of media and gender studies *Media Queered* is also accessible for general readers intrigued by the recent flowering of queer characters themes and images in popular culture

Queer Family Values Valerie Lehr, 1999 American culture is at war over

family values And with the issue of gay and lesbian marriage often at the center of this discourse notable thinkers like Andrew Sullivan William Eskridge Urvashi Vaid and Torie Osborn have engaged in the battle But why Valerie Lehr asks debate over the right of gays to take part in a socially defined institution designed to perpetuate inequalities among people

Queer Families, Queer Politics Mary Bernstein, Renate Reimann, 2001 This book addresses the themes of visibility transgression and resistance as well as the intersection between the personal and political in the contexts of relationships parenthood and political activism Giving special attention to families of color immigrants and poor families the authors examine the risks entailed in coming out and the significance of class race and sexual and gender identity in this process Parenting also creates dilemmas of visibility as queer families negotiate malls schools and workplaces as well as the medical legal and political institutions that regulate their families

Sounding Out: Pauline Oliveros and Lesbian Musicality Martha Mockus, 2011-05-20 *Sounding Out* Pauline Oliveros and Lesbian Musicality examines the musical career of the avant garde composer accordionist whose radical innovations of the 1960s 70s and 80s have redefined the aesthetic and formal parameters of American experimental music While other scholars have studied Oliveros as a disciple of John Cage and a contemporary of composers Terry Riley Lou Harrison Gordon Mumma and Robert Ashley *Sounding Out* resituates Pauline Oliveros in a gynocentric network of feminist activists writers artists and musicians This book shows how the women in Oliveros's life were central sources of creative energy and exchange during a crucial moment in feminist and queer cultural history Crafting a dynamic relationship between feminism and music making this book offers a queerly original analysis of Oliveros's work as a musical form of feminist activism and argues for the productive role of experimental music in lesbian feminist theory *Sounding Out* combines key elements of feminist theories of lesbian sexuality with Oliveros's major compositions performances critical essays and interviews It also includes previously unpublished correspondence between Oliveros and Edith Gutierrez Jill Johnston Annea Lockwood Kate Millett and Jane Rule
