**Becoming British** Thom Brooks, 2016-05-24 From Syrian asylum seekers to super rich foreign investors immigration is one of the most controversial issues facing Britain today Politicians kick the subject from one election to the next with energetic but ineffectual promises to crack down while newspaper editors plaster it across front pages But few know the truth behind the headlines indeed the almost daily changes to our complex immigration laws pile up so quickly that even the officials in charge struggle to keep up In this clear concise guide Thom Brooks one of the UK s leading experts on British citizenship and a newly initiated British citizen himself deftly navigates the perennially thorny path exploding myths and exposing absurdities along the way Ranging from how to test for Britishness to how to tackle EU free movement Becoming British explores how UK immigration really works and sparks a long overdue debate about how it should work Combining expert analysis with a blistering critique of the failings of successive governments this is the definitive guide to one of the most hotly disputed issues in the UK today Wherever you stand on the immigration debate Brooks s wryly observed account is the essential road map *Questions and Answers on Immigration to Britain* Farid Raymond Anthony, 1996 This guide to

immigration to Britain uses a question and answer format to provide information in simple English It ranges over visitors professional workers students business people working in the UK settlement asylum offences and deportation appeals and British nationality      **British and Foreign State Papers** Great Britain. Foreign Office, Great Britain. Foreign and Commonwealth Office, 1905      British Social Attitudes Alison Park, John Curtice, Katarina Thomson, Catherine Bromley, Miranda Phillips, 2004-12-07 an authoritative survey of social attitudes The Daily Telegraph The most comprehensive study of public opinion Financial Times The Rolls Royce of opinion surveys The Times The British Social Attitudes survey series is carried out by Britain's largest independent social research institute the National Centre for Social Research It provides an indispensable guide to current political and social issues in contemporary Britain The most comprehensive review of changing British social values available the British Social Attitudes survey report is an essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research      *The Laws of British Honduras* British Honduras, Cyril George Xavier Henriques, 1960      **New Right Discourse on Race and Sexuality** Anna Marie Smith, 1994-11-10 The first book in the Cultural Margins series is a 1994 study of racism and homophobia in British politics which demonstrates the demonisation of blacks lesbians and gays in New Right discourse Anna Marie Smith develops theoretical insights from literary and cultural critics including Nietzsche Foucault Derrida Hall and Gilroy to produce detailed readings of two key moments in New Right discourse the speeches of Enoch Powell on black immigration 1968-72 and the legislative campaign of the late 1980s to prohibit the promotion of homosexuality Her analysis challenges the silence on racism and homophobia in previous studies of Thatcherism and the New Right and shows how demonisation of lesbians and gays depends on previous demonisations of black immigrant and criminal figures Overall this book offers a devastating critique of racism and homophobia in late twentieth century Britain      Reports, Minutes, Papers and Miscellaneous Documents Great Britain. Dominions Royal Commission, 1913      British Fascism After the Holocaust Joe Mulhall, 2020-10-21 This book explores the policies and ideologies of a number of individuals and groups who attempted to relaunch fascist antisemitic and racist politics in the wake of World War II and the Holocaust Despite the leading architects of fascism being dead and the newsreel footage of Jewish bodies being pushed into mass graves seared into societal consciousness fascism survived World War II and though changed survives to this day Britain was the country that stood alone against fascism but it was no exception This book treads new historical ground and shines a light onto the most understudied period of British fascism whilst simultaneously adding to our understanding of the evolving ideology of fascism the persistent nature of antisemitism and the blossoming of Britain's anti immigration movement This book will primarily appeal to scholars and students with an interest in the history of fascism antisemitism and the Holocaust racism immigration and postwar Britain      *The Parliamentary Debates* Great Britain.
