Ireland in the World Angela McCarthy, 2015-06-12 This international edited book collection of ten original contributions

from established and emerging scholars explores aspects of Ireland's place in the world since the 1780s. It imaginatively blends comparative transnational and personal perspectives to examine migration in a range of diverse geographical locations including Ireland, Scotland, Wales, Australia, New Zealand, the United States, Canada, Argentina, Jamaica, and the British Empire more broadly. Deploying diverse sources including letters, interviews, press reports, convict records, and social media contributors, it canvases important themes such as slavery, convicts, policing, landlordism, print culture, loyalism, nationalism, sectarianism, politics, and electronic media. A range of perspectives including Catholic and Protestant men and women, convicts and settlers are included, and the volume is accompanied by a range of striking images.
