Race And The American Romantics:

Race and the American Romantics Vincent Freimarck, Bernard Rosenthal, 1971 Consists of a thematic arrangement of texts by American Romantics presenting their positions on slavery

Race, Transnationalism, and Nineteenth-Century American Literary Studies Robert S. Levine, 2018 This book offers new perspectives on race and transnationalism in nineteenth century American literary studies and ranges widely in developing new approaches to canonical and non canonical authors It will appeal to graduates and scholars working on nineteenth century American literature transnationalism and African American literary studies

Faithful Account of the Race Stephen G. Hall, 2010-05-07 The civil rights and black power movements expanded popular awareness of the history and culture of African Americans But as Stephen Hall observes African American authors intellectuals ministers and abolitionists had been writing the history of the black experience since the 1800s With this book Hall recaptures and reconstructs a rich but largely overlooked tradition of historical writing by African Americans Hall charts the origins meanings methods evolution and maturation of African American historical writing from the period of the Early Republic to the twentieth century professionalization of the larger field of historical study He demonstrates how these works borrowed from and engaged with ideological and intellectual constructs from mainstream intellectual movements including the Enlightenment Romanticism Realism and Modernism Hall also explores the creation of discursive spaces that simultaneously reinforced and offered counter narratives to more mainstream historical discourse He sheds fresh light on the influence of the African diaspora on the development of historical study In so doing he provides a holistic portrait of African American history informed by developments within and outside the African American community

Race Mixture in Nineteenth-Century U.S. and Spanish American Fictions Debra J. Rosenthal, 2005-10-12 Race mixture has played a formative role in the history of the Americas from the western expansion of the United States to the political consolidation of emerging nations in Latin America Debra J Rosenthal examines nineteenth century authors in the United States and Spanish America who struggled to give voice to these contemporary dilemmas about interracial sexual and cultural mixing Rosenthal argues that many literary representations of intimacy or sex took on political dimensions whether advocating assimilation or miscegenation or defending the status quo She also examines the degree to which novelists reacted to beliefs about skin differences blood taboos incest desire or inheritance laws Rosenthal discusses U S authors such as James Fenimore Cooper Catharine Maria Sedgwick Walt Whitman William Dean Howells and Lydia Maria Child as well as contemporary novelists from Cuba Peru and Ecuador such as Gertrudis Gomez de Avellaneda Clorinda Matto de Turner and Juan Leon Mera With her multinational approach Rosenthal explores the significance of racial hybridity to national and literary identity and participates in the wider scholarly effort to broaden critical discussions about America to include the Americas

Colonialism, Race, and the French Romantic Imagination Pratima Prasad, 2009-05-07 This book investigates how French Romanticism was shaped by and contributed to colonial discourses of race It studies the

ways in which metropolitan Romantic novels that is novels by French authors such as Victor Hugo George Sand Bernardin de Saint Pierre Fran ois Ren de Chateaubriand Claire de Duras and Prosper M rim e comprehend and construct colonized peoples fashion French identity in the context of colonialism and record the encounter between Europeans and non Europeans While the primary texts that come under investigation in the book are novels close attention is paid to Romantic fiction s interdependence with naturalist treatises travel writing abolitionist texts and ethnographies Colonialism Race and the French Romantic Imagination is one of the first books to carry out a sustained and comprehensive analysis of the French Romantic novel s racial imagination that encompasses several sites of colonial contact the Indian Ocean North America the Caribbean West Africa and France Its archival research and interdisciplinary approach shed new light on canonical texts and expose the reader to non canonical ones The book will be useful to students and academics involved with Romanticism colonial historians students and scholars of transatlantic studies and postcolonial studies as well as those interested in questions of race and colonialism

Awakening to Race Jack Turner, 2012-10 The election of America s first black president has led many to believe that race is no longer a real obstacle to success and that remaining racial inequality stems largely from the failure of minority groups to take personal responsibility for seeking out opportunities Often this argument is made in the name of the long tradition of self reliance and American individualism In Awakening to Race Jack Turner upends this view arguing that it expresses not a deep commitment to the values of individualism but a narrow understanding of them Drawing on the works of Ralph Waldo Emerson Henry David Thoreau Frederick Douglass Ralph Ellison and James Baldwin Turner offers an original reconstruction of democratic individualism in American thought All these thinkers he shows held that personal responsibility entails a refusal to be complicit in injustice and a duty to combat the conditions and structures that support it At a time when individualism is invoked as a reason for inaction Turner makes the individualist tradition the basis of a bold and impassioned case for race consciousness consciousness of the ways that race continues to constrain opportunity in America Turner s new individualism becomes the grounds for concerted public action against racial injustice

Race and Manifest Destiny Reginald HORSMAN, Reginald Horsman, 2009-06-30 American myths about national character tend to overshadow the historical realities Reginald Horsman s book is the first study to examine the origins of racialism in America and to show that the belief in white American superiority was firmly ensconced in the nation s ideology by 1850

Man's Most Dangerous Myth Ashley Montagu, 2001-04-19 Man s Most Dangerous Myth was first published in 1942 when Nazism flourished when African Americans sat at the back of the bus and when race was considered the determinant of people s character and intelligence It presented a revolutionary theory for its time breaking the link between genetics and culture it argued that race is largely a social construction and not constitutive of significant biological differences between people In the ensuing 55 years as Ashley Montagu s radical hypothesis became accepted knowledge succeeding editions of his book traced the changes in our conceptions of race and race relations over the 20th century Now

over 50 years later *Man's Most Dangerous Myth* is back in print fully revised by the original author Montagu is internationally renowned for his work on race as well as for such influential books as *The Natural Superiority of Women*, *Touching and The Elephant Man*. This new edition contains Montagu's most complete explication of his theory and a thorough updating of previous editions. The Sixth Edition takes on the issues of the Bell Curve, IQ testing, ethnic cleansing and other current race relations topics as well as contemporary restatements of topics previously addressed. A bibliography of almost 3 000 published items on race compiled over a lifetime of work is of enormous research value. Also available is an abridged student edition containing the essence of Montagu's argument, its policy implications and his thoughts on contemporary race issues for use in classrooms. Ahead of its time in 1942, Montagu's arguments still contribute essential and salient perspectives as we face the issue of race in the 1990s. *Man's Most Dangerous Myth* is the seminal work of one of the 20th century's leading intellectuals, essential reading for all scholars and students of race relations.

Edgar Allan Poe and the Masses

Terence Whalen, 2021-09-14 Edgar Allan Poe has long been viewed as an artist who was hopelessly out of step with his time. But as Terence Whalen shows, America's most celebrated romantic outcast was in many ways the nation's most representative commercial writer. Whalen explores the antebellum literary environment in which Poe worked, an environment marked by economic conflict, political strife and widespread foreboding over the rise of a mass audience. The book shows that the publishing industry far from being a passive backdrop to writing, threatened to dominate all aspects of literary creation. Faced with financial hardship, Poe desperately sought to escape what he called the magazine prison house and the horrid laws of political economy. By placing Poe firmly in economic context, Whalen unfolds a new account of the relationship between literature and capitalism in an age of momentous social change. The book combines pathbreaking historical research with innovative literary theory. It includes the first fully documented account of Poe's response to American slavery and the first exposé of his plot to falsify circulation figures. Whalen also provides a new explanation of Poe's ambivalence toward nationalism and exploration, a detailed inquiry into the conflict between cryptography and common knowledge and a general theory of Poe's experiments with new literary forms such as the detective story. Finally, Whalen shows how these experiments are directly linked to the dawn of the information age. This book redefines Poe's place in American literature and casts new light on the emergence of a national culture before the Civil War.

***Romancing the Shadow* J. Gerald Kennedy, Liliane Weissberg, 2001-06-28**

The nine essays gathered here pursue the provocative implications of Toni Morrison's claim that no early American writer was more important than Poe in shaping a concept of American Africanism, an image of racialized blackness destined to haunt the Euro-American imagination. As contributors to this volume reveal, Poe's response to the shadow of blackness, like his participation in the cultural construction of whiteness, was both problematic and revealing. Born in Boston but raised mostly in Richmond, surrounded by the practices of slaveholding culture, Poe seems to have shared notions of racial hierarchy and Anglo-Saxon supremacy pervasive on both sides of the Mason-Dixon line. That he promulgated

racist stereotypes in depicting black servants his Jupiters and Pompeys cannot be denied that he complicated these stereotypes with veiled subversive implications however gives his fiction peculiar relevance to the task of historicizing racial attitudes in antebellum culture Was Poe an unabashed proslavery apologist a careerist who avoided racial politics a gradualist who hoped slavery would just disappear or an ideological chameleon Were Poe s views on race extreme or unusual Overtly in tales such as *The Gold Bug* *The Journal of Julius Rodman* and *The Narrative of Arthur Gordon Pym* and covertly in such works as *The Black Cat* and *Hop Frog* Poe alternately caricatured and demonized the racial Other yet he often endowed such figures with shrewdness and resourcefulness at times portraying their defiance as inevitable and even understandable In *Romancing the Shadow* leading interpreters of nineteenth century American literature and culture debate Poe s role in inventing the African of the white imagination Their readings represent an array of positions and while they reflect some consensus about Poe s investment in racialized types and tropes they also testify to the surprising ways that race embedded itself in his work and the diverse conclusions that can be drawn therefrom *Romantic Literature, Race, and Colonial Encounter* P. Kitson, 2016-04-30 In a fresh investigation of primary sources and original readings Kitson traces the origins of contemporary ideas about race through a variety of late Eighteenth and early Nineteenth century literary texts by Coleridge Byron Shelley De Quincey and other published and unpublished writings about travel and exploration and natural history

African American Voices Steven Mintz, 2009-04-03 A succinct up to date overview of the history of slavery that places American slavery in comparative perspective Provides students with more than 70 primary documents on the history of slavery in America Includes extensive excerpts from slave narratives interviews with former slaves and letters by African Americans that document the experience of bondage Comprehensive headnotes introduce each selection A Visual History chapter provides images to supplement the written documents Includes an extensive bibliography and bibliographic essay

Race, Ralph Ellison and American Cold War Intellectual Culture R. Purcell, 2013-10-31 While the arms race of the post war period has been widely discussed Purcell explores the under acknowledged but critical role another kind of race that is race as a biological and sociological concept played within the global and cultural Cold War *Melville and the Idea of Blackness* Christopher Freeburg, 2012-08-27 By examining the unique problems that blackness signifies in *Moby Dick* *Pierre* *Benito Cereno* and *The Encantadas* Christopher Freeburg analyzes how Herman Melville grapples with the social realities of racial difference in nineteenth century America Where Melville s critics typically read blackness as either a metaphor for the haunting power of slavery or an allegory of moral evil Freeburg asserts that blackness functions as the site where Melville correlates the sociopolitical challenges of transatlantic slavery and US colonial expansion with philosophical concerns about mastery By focusing on Melville s iconic interracial encounters Freeburg reveals the important role blackness plays in Melville s portrayal of characters arduous attempts to seize their own destiny amass scientific knowledge and perfect themselves A valuable resource for scholars and graduate students in American literature this text will also appeal to those

working in American African American and postcolonial studies Handbook of American Romanticism Philipp Löffler, Clemens Spahr, Jan Stievermann, 2021-07-05 The Handbook of American Romanticism presents a comprehensive survey of the various schools authors and works that constituted antebellum literature in the United States The volume is designed to feature a selection of representative case studies and to assess them within two complementary frameworks the most relevant historical political and institutional contexts of the antebellum decades and the consequent re appropriations of the Romantic period by academic literary criticism in the twentieth and early twenty first centuries **Lessons of Romanticism** Thomas Pfau, Robert F.
