Religion Yesterday And Today Essay Index Reprint Series:

Books in Series, 1980 Religious Books, 1876-1982, 1983 **Library of Congress Catalogs** Library of Congress, 1976 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1972 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1965 Books in Series in the United States R.R. Bowker Company, Dept. of Bibliography Staff, 1978 **Biblical Counsel**, 1993 **Music for Others** Nathan

Myrick, 2021 Musical activity is one of the most ubiquitous and highly valued forms of social interaction in North America to say nothing of world over being engaged from sporting events to political rallies concerts to churches Moreover music s use as an affective agent for political and religious programs suggests that it has ethical significance Indeed many have said as much It is surprising then that music s ethical significance remains one of the most undertheorized aspects of both moral philosophy and music scholarship Music for Others Care Justice and Relational Ethics in Christian Music fills part of this scholarly gap by focusing on the religious aspects of musical activity particularly on the practices of Christian communities Based on ethnomusicological fieldwork at three Protestant churches and a group of seminary students studying in an immersion course at South by Southwest SXSW and synthesizing theories of discourse formation and care ethics oriented towards restorative justice it first argues that relationships are ontological for both human beings and musical activity It further argues that musical meaning and emotion converge in human bodies such that music participates in personal and communal identity construction in affective ways yet these constructions are not always just Thus considering these aspects of music s ways of being in the world Music for Others finally argues that music is ethical when it preserves people in and restores people to just relationships with each other and thereby with God *The National Union Catalogs, 1963- ,1964*

British Military Operations in Egypt and the Sudan Harold E. Raugh Jr., 2008-05-02 The British Army s campaigns in Egypt and the Sudan from 1882 to 1899 were among the most dramatic and hard fought in British military history In 1882 the British sent an expeditionary force to Egypt to quell the Arabic Revolt and secure British control of the Suez Canal its lifeline to India The enigmatic British Major General Charles G Gordon was sent to the Sudan in 1884 to study the possibility of evacuating Egyptian garrisons threatened by Muslim fanatics the dervishes in the Sudan While the dervishes defeated the British forces on a number of occasions the British eventually learned to combat the insurrection and ultimately largely through superior technology and firepower vanquished the insurgents in 1898 British Operations in Egypt and the Sudan A Selected Bibliography enumerates and generally describes and annotates hundreds of contemporary current and hard to find books journal articles government documents and personal papers on all aspects of British military operations in Egypt and the Sudan from 1882 to 1899 Arranged chronologically and topically chapters cover the various campaigns focusing on specific battles leading military personalities and the contributions of imperial nations as well as supporting services of the British Army This definitive volume is an indispensable reference for researching imperialism colonial history and British

military operations leadership and tactics **Yes, But Not Quite** Dwayne A. Tunstall, 2009-08-25 This book contends that Josiah Royce bequeathed to philosophy a novel idealism based on an ethico religious insight This insight became the basis for an idealistic personalism wherein the Real is the personal and a metaphysics of community is the most appropriate approach to metaphysics for personal beings especially in an often impersonal and technological intellectual climate The first part of the book traces how Royce constructed his idealistic personalism in response to criticisms made by George Holmes Howison That personalism is interpreted as an ethical and panentheistic one somewhat akin to Charles Hartshorne's process philosophy The second part investigates Royce's idealistic metaphysics in general and his ethico religious insight in particular In the course of these investigations the author examines how Royce's ethico religious insight could be strengthened by incorporating the philosophical theology of Dr Reverend Martin Luther King Jr and Emmanuel Levinas's ethical metaphysics The author concludes by briefly exploring the possibility that Royce's progressive racial anti essentialism is in fact a form of cultural antiblack racism and asks whether his cultural antiblack racism taints his ethico religious insight
