Religious Cults Associated With the Amazons (Classic Reprint) Florence Mary Bennett, 2018-03-05 Excerpt from Religious Cults Associated With the Amazons There is another allusion in Homer to the Amazons although this is indirect rather than direct It occurs in the second book of the Iliad where the spot of assembly for the Trojans and their allies is designated 4 There is before the city a certain lofty barrow in the plain far away standing detached on this side and on that which men forsooth call Batieia but the immortals name it the grave of swift bounding Myrina Here then were the Trojans numbered and their allies The scholiast and the commentary of Eustatius on the passage tell that this Myrina was an Amazon the daughter of Teucer and the wife of Dardanus and that from her the city Myrina in Aeolis was said to have been named 5 It seems reasonable to suppose that the commentators are correct for in later literature we hear much of an Amazon by this name and there is frequent mention of graves of various Amazons here and there in Greek lands always regarded with wonder and awe akin to the reverence with which Homer mentions the tomb of Myrina About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Early Amazons Josine Blok,2015-08-27 The Early Amazons offers a new understanding of the ancient Amazon myth situating mythical representations in the realm of cultural history The first section examines how the Amazons have presented a challenge to views on history myth and gender in classical mythology from the late eighteenth century up to the impact of structuralism Topics included are nineteenth century historiography and the interest in linguistics The second section sheds new light on the culture of archaic Greece offering a coherent assessment of literary and visual representations Taking mythical narrative as a form of oral storytelling it shows the emergence of the Amazon motif and its meaning in the world of epic Iconographical analysis reveals how the visual arts have made a contribution of their own to the imaginary presence of the Amazons

The Amazons Adrienne Mayor,2016-02-09 The real history of the Amazons in war and love Amazons fierce warrior women dwelling on the fringes of the known world were the mythic archenemies of the ancient Greeks Heracles and Achilles displayed their valor in duels with Amazon queens and the Athenians reveled in their victory over a powerful Amazon army In historical times Cyrus of Persia Alexander the Great and the Roman general Pompey tangled with Amazons But just who were these bold barbarian archers on horseback who gloried in fighting hunting and sexual freedom Were Amazons real In this deeply researched wide ranging and lavishly illustrated book National Book Award finalist Adrienne Mayor presents the Amazons as they have never been seen before This is the first comprehensive account of warrior women in myth and history across the ancient world from the Mediterranean Sea to the Great Wall of China Mayor tells how amazing new archaeological discoveries of battle scarred female skeletons buried with their weapons prove that women warriors were not merely figments of the Greek imagination Combining classical myth and art nomad traditions and scientific archaeology she reveals intimate surprising details and original insights about the lives and legends of the women known as Amazons Provocatively arguing that a timeless search for a balance between the sexes explains the allure of the Amazons Mayor reminds us that there were as many Amazon love stories as there were war stories The Greeks were not the only people enchanted by Amazons Mayor shows that warlike women of nomadic cultures inspired exciting tales in ancient Egypt Persia India Central Asia and China Driven by a detective s curiosity Mayor unearths long buried evidence and sifts fact from fiction to show how flesh and blood women of the Eurasian steppes were mythologized as Amazons the equals of men The result is likely to become a classic
