

Religious Experience, Justification, and History

MATTHEW C. BAGGER

Religious Experience Justification And History

Craig Tichelkamp

Religious Experience Justification And History:

Religious Experience, Justification, and History Matthew C. Bagger, 1999-11-13 Many philosophers of religion have sought to defend the rationality of religious belief by shifting the burden of proof onto the critic of religious belief Some have appealed to extraordinary religious experience in making their case Religious Experience Justification and History restores neglected explanatory and historical considerations to the debate Through a study of William James it contests the accounts of religious experience offered in recent works Through reflection on the history of philosophy it also unravels the philosophical use of the term justification Matthew Bagger argues that the commitment to supernatural explanations implicit in the religious experiences employed to justify religious belief contradicts the modern ideal of human flourishing For contrast and to demonstrate the indispensability of history he includes a study of Teresa of Avila's mystical theology The controversial supernatural explanations implicit in extraordinary religious experience places the burden of proof on the believer Religious Experience and Contemporary Theological Epistemology Lieven Boeve, Yves De Maeseneer, Stijn Van den Bossche, 2005 In this volume we present the proceedings from the fourth international Leuven Encounters in Systematic Theology LEST IV November 5-8 2003 which focussed on a critical investigation of the place and role of religious experience in the legitimization structures of contemporary theological thinking patterns In the first part the keynote lectures including the responses are gathered among others from L Boeve F Fiorenza L Hemming G Jantzen S Painadath S Robert R Schaeffler and S Van den Bossche In the second part a selection of the contributions offered in the thematic seminars is presented

SCM Studyguide to Religious and Spiritual Experience Jeff Astley, 2020-02-28 This Studyguide provides a succinct and lucid introduction to the subject for those studying and teaching religion at both undergraduate and GCE AS/A level By exploring the key areas of both the empirical and theoretical study of religious and spiritual experience the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to explore the range of challenging data debates approaches and issues that relate to the study of this widespread and significant phenomenon **Reason, Faith and History** Martin Stone, 2016-04-08 Spanning the breadth of philosophical historical and theological interests articulated in the work of Paul Helm including chapters on Calvinism philosophical theology philosophy of mind Christian Doctrine and epistemology Reason Faith and History offers an accessible text for students of contemporary philosophy of religion as well as those interested in philosophical theology more broadly Reason Faith and History offers a unique collection of essays on key topics in the philosophy of religion Published in honour of Paul Helm a major force in contemporary English speaking philosophy of religion this book presents newly commissioned chapters by distinguished philosophers and theologians from North America Israel the UK and Continental Europe Contributors include Robertson Trueman Hughes Swinburne Torrance Clark Robinson Pink Gellman Cross Byrne Hossack and Crisp Encountering Transcendence Lieven Boeve, Hans Geybels, Stijn Van den Bossche, 2005 This volume consists of several contributions to a refined understanding of religious

experience in view of contemporary theological epistemology. Diverse sample studies taken from the extensive field of religion theology and religious studies reveal that religious experience is today clearly a pivotal issue. More specifically, this is made evident in modern theological hermeneutics and in the anti-modern and/or post-modern reactions thereto: the theology of world religions and inter-religious dialogue, the contemporary resurgence of religiosity in Western society and culture, and the so-called turn to religion in contemporary continental philosophy. It would appear from such studies that the category of religious experience is frequently called upon to clarify or explain the phenomenon of religion and religiosity on the one hand, and to support and legitimise religious positions or the critique thereof on the other. Because of the loss of plausibility of tradition-bound religiosity and of foundational so-called onto-theological schemes, religious experience has come to constitute for many the last or latest point of departure and anchor for religion and religious thinking. This is certainly the case with respect to tendencies within contemporary Christian traditions and theological reflection. In a multitude of ways and from a variety of different perspectives, religious experience and experience of transcendence or of the divine have gained a prominent place in philosophical and fundamental theological conceptual schemes. In reaction to this, other authors have denied the very primacy given to religious experience in reflecting upon faith, pointing to the constitutive role of tradition and narrative without which there is no religious experience. From all this follows that the category of religious experience is in great need of reconceptualisation, not least from a theological point of view. On the one hand, religious experience is all too easily called upon to legitimise religious claims, often against tradition; and on the other hand, the category has become misleading in so far as it is tainted by the modern scientific understanding of experience, in reaction to which tradition is then easily invoked to protect the core of religion. Both young scholars at the preceding junior conference and senior scholars during the conference's paper sessions presented from diverse perspectives new ways to conceive of religious experience in view of today's challenges of secularisation, religious plurality, the aestheticisation of religion, etc. The selected contributions have been arranged in four thematically oriented parts: *Approaching Religious Experience in a Postmodern Age*, *Modern re-Thinking of Religious Experience*, *Liberating Religious Experience and Challenges for Spirituality*, and *The Mystified Letter*. Craig Tichelkamp, 2023. Reading has become a problem, not just of attention, comprehension or illiteracy rates, but of politics, society and religion. *The Mystified Letter* offers an alternative to this malaise: a theology of reading centered on mystical encounter. It retrieves medieval Christian reading culture to build a case for a mystical theology of literature. **Pentecostal Rationality** Simo Frestadius, 2019-11-14. This book not only articulates a tradition-specific Pentecostal rationality of Biblical Pragmatism, but also provides the first intellectual history of a major British classical Pentecostal denomination, the Elim Pentecostal Church. Pentecostal theologians increasingly acknowledge that their theological methodology should be informed by a Pentecostal rationality, epistemology and theological hermeneutics. Simo Frestadius offers such a Pentecostal rationality from a Foursquare perspective. Frestadius first analyses and evaluates some of the main contemporary Pentecostal

rationalities and epistemologies to date with a particular emphasis on the works of Amos Yong and James K A Smith and L William Oliverio Jr before proposing that Alasdair MacIntyre s tradition focused and historically minded narrative approach is conducive in providing a more tradition constituted Pentecostal rationality Utilising the methodological insights of MacIntyre the book then provides a philosophically informed historical narrative of a major British Pentecostal tradition namely the Elim Foursquare Gospel Alliance by exploring its underlying context and roots as a classical Pentecostal movement its emergence as a religious tradition and its two major epistemological crises Based on this historical narration and analysis it is argued that Elim s tacit Pentecostal rationality is best defined as Pentecostal Biblical Pragmatism in a Foursquare Gospel framework This form of rationality is then developed vis vis Elim s Pentecostal concept of truth biblical hermeneutics and pragmatic epistemic justification in dialogue with William P Alston In doing the above the book not only articulates a tradition specific Pentecostal rationality of Biblical Pragmatism but also provides the first intellectual history of a major British classical Pentecostal denomination

The Routledge Companion to Theism Charles Taliaferro, Victoria S. Harrison, Stewart Goetz, 2012-10-02 There are deep and pervasive disagreements today in universities and colleges and popular culture in general over the credibility and value of belief in God This has given rise to an urgent need for a balanced comprehensive accessible resource book that can inform the public and scholarly debate over theism While scholars with as diverse interests as Daniel Dennett Terry Eagleton Richard Dawkins Jürgen Habermas and Rowan Williams have recently contributed books to this debate theism as a concept remains poorly understood and requires a more thorough and systematic analysis than it has so far received in any single volume The Routledge Companion to Theism addresses this need by investigating theism s history as well as its relationship to inquiry in the sciences social sciences and humanities and to its wider cultural contexts The contents are not confined within the philosophy of religion or even within the more expansive borders of philosophy Rather The Routledge Companion to Theism investigates its subject through the lens of a wide variety of disciplines and explores the ramifications of theism considered as a way of life as well as an intellectual conviction The five parts of the volume indicate its inclusive scope I What is Theism II Theism and Inquiry III Theism and the Socio Political Realm IV Theism and Culture V Theism as a Way of Life The result is a well ordered and thorough collection that should provide a wide spectrum of readers with a better understanding of a subject that s much discussed but frequently misunderstood As the editors note in their Introduction while stimulating and informing the contemporary debate a key aim of the volume is to open new avenues of inquiry into theism and thereby to encourage further research into this vital topic Comprised of 54 essays by leading scholars in philosophy history theology religious studies political science education and sociology The Routledge Companion to Theism promises to be the most useful comprehensive resource on an emerging subject of interest for students and scholars

The Oxford Handbook of Philosophy of Religion William Wainwright, 2004-12-16 The Oxford Handbook of Philosophy of Religion contains newly commissioned chapters by 21

prominent experts who cover the field in a comprehensive but accessible manner Each chapter is expository critical and representative of a distinctive viewpoint *A Dictionary of Philosophy of Religion, Second Edition* Charles Taliaferro, Elsa J. Marty, 2018-01-25 A Dictionary of Philosophy of Religion is an indispensable resource for students and scholars Covering historical and contemporary figures arguments and terms it offers an overview of the vital themes that make philosophy of religion the growing vigorous field that it is today It covers world religions and sources from east and west Entries have been crafted for clarity succinctness and engagement This second edition includes new entries extended coverage of non Christian topics as well as revisions and updates throughout The first edition was named a Choice Outstanding Academic Title of the Year

While this might not be the Religious Experience Justification And History full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Experience Justification And History eBooks, including some popular titles.

FAQs About Religious Experience Justification And History Books

What is a Religious Experience Justification And History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Experience Justification And History PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Experience Justification And History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious**

Experience Justification And History PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Experience Justification And History PDF?** Most PDF

editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
