Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17:

Religious Explanation and Scientific Ideology Jesse Hobbs, 1993 Can one rationally cite the existence of God or other religious entities in explaining matters of fact Religious ideologies and scientific explanations are familiar to many of us but could there be enough epistemic power in religion to justify interesting explanations and enough ideology in science to cause common belief to the contrary In arguing that there is the author points out some legitimate differences in the cognitive value structures typical of religion as opposed to science differences effectively broadening the requirements on explanations imposed by rationality alone beyond what is scientifically recognized This book endeavours to bring religious and scientific people back to the bargaining table showing where there is room for the members of each culture to grant valid points of the opposition without compromising their own basic values or integrity

New Approaches to the Study of Religion: Regional, critical, and historical approaches Peter Antes, Armin W. Geertz, Randi Ruth Warne, 2004 Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies The work follows in the footsteps of two former publications Classical Approaches to the Study of Religion edited by Jacques Waardenburg 1973 and Contemporary Approaches to the Study of Religion edited by Frank Whaling 1984 85 New Approaches to the Study of Religion completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades Many of the chapters however are also pathbreaking and point the way to future approaches

Subject Guide to Books in Print, 1997 **Regional, Critical, and Historical Approaches** Peter Antes, Armin W. Geertz, Randi R. Warne, 2008-12-19 Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies The work follows in the footsteps of two former publications Classical Approaches to the Study of Religion edited by Jacques Waardenburg 1973 and Contemporary Approaches to the Study of Religion edited by Frank Whaling 1984 85 New Approaches to the Study of Religion completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades Many of the chapters however are also pathbreaking and point the way to future approaches

The Penguin Handbook of the World's Living Religions John R. Hinnells, 2010-03-25 Comprehensive informative and authoritative The Penguin Handbook of the World's Living Religions is compiled by a team of leading international scholars and is the definitive guide to the religious belief systems and practices of the world today This in depth survey of active religions has now been fully updated to include modern developments and the most recent scholarship It explains the sources and history of the world's religions includes material on the phenomenon of Black African and Asian diaspora religions around the world and explores the role of gender in modern religion

Religion and Globalization Peter F Beyer, 1994-01-17 In his exploration of the interaction between religion and worldwide social and cultural change the author examines the major theories of global change and discusses the ways in which such change impinges on contemporary religious practice meaning and

influence Beyer explores some of the key issues in understanding the shape of religion today including religion as culture and as social system pure and applied religion privatized and publicly influential religion and liberal versus conservative religions He goes on to apply these issues to five contemporary illustrative cases the American Christian Right Liberation Theology movements in Latin America the Islamic Revolution in Iran Zionists in Israel and religious environmentalism **Modelling Early Christianity** Philip Esler, 2002-11 Explores the fascinating and foreign social context of first century Palestine and the Greco Roman East in which the Christian faith was first proclaimed and the New Testament written so enabling a better understanding of the texts Antiquity and Social Reform Dawn Hutchinson, 2010-06-09 Although religious innovation in America has historically been the norm rather than the exception mainstream Americans have often viewed new religious movements with suspicion and occasionally with outright alarm The question motivating many studies of new religious movements has been why would someone join these religions In Antiquity and Social Reform Dawn Hutchinson offers at least one answer to this often repeated query She argues that followers of new religious movements in the 1960s 1980s specifically the Unification Church Feminist Wicca and the Nation of Yahweh considered these religions to be legitimate because they offered members a personal religious experience a connection to an ancient tradition and agency in improving their world Utilizing an historical approach Antiquity and Social Reform considers the conversion narratives of adherents and primary literature of the formative years of these movements which demonstrates that the religious experiences of the adherents and a resonance with the goals of these religions propelled members into social action Pentecostalism and Human Rights in Contemporary Zimbabwe Francis Machingura, Lovemore Togarasei, 2018-06-11 This volume offers updated accounts of Pentecostalism in Zimbabwe and explores most of the dominant themes in contemporary Pentecostalism including leadership competition gender youth and prosperity In addition some chapters investigate emerging themes in studies on Pentecostalism such as disability Contributors to this volume situate Zimbabwean Pentecostalism within the larger continuum of global Pentecostalism and reflect on Pentecostal biblical interpretation the interface between Pentecostalism and African Traditional Religions the use of titles in Zimbabwean Pentecostalism and Pentecostalism's engagement with HIV AIDS The book will appeal to scholars in religious studies and theology religious education disability studies social sciences history political science development studies gender cultural studies and anthropology as well as general readers *Toward a Philosophy of Religious Studies* Jim Kanaris, 2023-09-01 In this important work Jim Kanaris provides a unique approach to the study of religion aiming to alleviate the methodological and ideological barriers that divide philosophers theologians and social scientists This is a philosophy of religion for a wider audience than that designation usually circumscribes and for that reason Kanaris opts for the broader philosophy of religious studies He hybridizes insights principally from the works of Bernard Lonergan and Martin Heidegger but also those of Jacques Derrida Charles Winquist and Tyler Roberts among others Kanaris combines this with a distinctive hermeneutical approach that gives rise to what he calls enecstatic philosophy one

that manages the irreducible complexity of one's individuality a singularity in the negotiation of one's objects of concern
Toward a Philosophy of Religious Studies is unlike any other book in religious studies It provides a unique way to surface personal involvement in the study of religion without compromising scholarly objectivity and philosophical integrity

Directory of American Scholars Rita C. Velázquez, 1999 Completely updated this 9th edition presents biographical profiles of United States and Canadian scholars currently active in teaching research and publishing in the fields of philosophy religion and law

Star Wars in Canadian Sociology David A. Nock, Ursula Anne Margaret Kelly, 1993 David Nock looks at the theories of prominent sociologists and presents a thoroughly grounded discussion of how this unique brand of sociology has been socially constructed It is a pleasant interesting and informative reader which makes all these topics look just a little bit different than they did before Rich Ogmundson University of Victoria

Reading the New Testament in the Manifold Contexts of a Globalized World Eve-Marie Becker, Jens Herzer, Angela Standhartinger, Florian Wilk, 2022-12-12 This volume gathers the perspectives of teachers in higher education from all over the world on the topic of New Testament scholarship The goal is to understand and describe the contexts and conditions under which New Testament research is carried out throughout the world This endeavor should serve as a catalyst for new initiatives and the development of questions that determine the future directions of New Testament scholarship At the same time it is intended to raise awareness of the global dimensions of New Testament scholarship especially in relation to its impact on socio political debates The occasion for these reflections are not least the present questions that have been posed with the corona pandemic and have received a focus on the system relevance of churches which is openly questioned by the media The church and theology must face this challenge Towards that end it is important to gather impulses and suggestions for the discipline from a variety of contexts in which different dimensions of context related New Testament research come to the fore

Religion and the Racist Right Michael Barkun, 2014-02-01 According to Michael Barkun many white supremacist groups of the radical right are deeply committed to the distinctive but little recognized religious position known as Christian Identity In Religion and the Racist Right 1994 Barkun provided the first sustained exploration of the ideological and organizational development of the Christian Identity movement In a new chapter written for the revised edition he traces the role of Christian Identity figures in the dramatic events of the first half of the 1990s from the Oklahoma City bombing and the rise of the militia movement to the Freemen standoff in Montana He also explores the government's evolving response to these challenges to the legitimacy of the state Michael Barkun is professor of political science in the Maxwell School of Citizenship and Public Affairs at Syracuse University He is author of several books including Crucible of the Millennium The Burned over District of New York in the 1840s

Trauma, Religion and Spirituality in Germany during the First World War Jason Crouthamel, 2021-10-21 This book explores the impact of violence on the religious beliefs of front soldiers and civilians in Germany during the First World War The central argument is that religion was the main prism through which

men and women in the Great War articulated and processed trauma Inspired by trauma studies the history of emotions and the social and cultural history of religion this book moves away from the history of clerical authorities and institutions at war and instead focuses on the history of religion and war from below Jason Crouthamel provides a fascinating exploration into the language and belief systems used by ordinary people to explain the inexplicable From Judeo Christian traditions to popular beliefs and superstitions German soldiers and civilians depended on a malleable psychological toolbox that included a hybrid of ideas stitched together using prewar concepts mixed with images or experiences derived from the surreal environment of modern combat Perhaps most interestingly studying the front experience exposes not only lived religion but also how religious beliefs are invented Front soldiers in particular constructed new subjective spiritual and religious concepts based on encounters with industrialized weapons the sacred experience of comradeship and immersion in mass death which profoundly altered their sense of self and the supernatural More than just a coping mechanism religious language and beliefs enabled victims and perpetrators of violence to narrate concepts of psychological renewal and rebirth In the wake of defeat and revolution religious concepts shaped by the war experience also became a cornerstone of visions for radical political movements including the National Socialists to transform a shattered and embittered German nation Making use of letters between soldiers and civilians diaries memoirs and front newspapers *Trauma Religion and Spirituality in Germany during the First World War* offers a unique glimpse into the belief systems of men and women at a turning point in European history

Bulletin of the Atomic Scientists, 1966-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world

Social Distinctives of the Christians in the First Century Edwin A. Judge, 2007-10-01 This is a collection of pivotal essays by E A Judge who initiated many important discussions in the establishment of social scientific criticism of the Bible What is it that made the work of Judge in 1960 and in subsequent years so important Judge was the first in scholarship after the mid twentieth century to clarify early Christian ideals about society by defining what the social institutions of the broader cultural context were and how they influenced the social institutions of the early Christian communities Judge points out that earlier scholars had entered into this field of inquiry but that in general they failed due to the lack of careful definitions of the Greco Roman social institutions at the time based on a thorough use of the primary sources Thus Judge was the new founder a turning point in scholarship of what came to be called social scientific criticism of the New Testament Social scientific criticism is the term in scholarship that refers to the use of social realities e g institutions class factors of community organization in the critical study of literary sources available this is an advance over merely literary and traditional historical questions

Changing Bodies in the Fiction of Octavia Butler Gregory Jerome Hampton, 2010-10-14 *Changing Bodies in the Fiction of Octavia Butler* *Slaves Aliens and Vampires* is a timely text that critically situates Butler's fiction in several fields of study including American African American

gender and science fiction studies This book attempts to avoid excluding as many readers as possible by evading esoteric jargon while still engaging the interdisciplinary discourses that respond to Butler's fiction The study asserts that Butler's fiction transforms the way the body is imagined with reference to race and gender This text examines how Butler's fiction is able to cross several genre boundaries while simultaneously reshaping the genre of science fiction This book makes the claim that Butler's fiction is crucial for contemporary and future investigations of identity formation Discussions of race class and sex are reoccurring topic that are inextricable to any understanding of body politics and theory This book is filled with exciting and insightful discussions that raise questions about what constitutes humanity in Butler's fiction and in the real world Ultimately the purpose of the text is to add to the scholarship surrounding Butler and to bring her to the attention of audiences that might otherwise overlook her work This book is an invitation for readers inside and outside of the academy to discover the fiction of Octavia Butler *Bibliographie Internationale Des Recensions de la Litt Érature Savante* ,1995

The Routledge Companion to Philanthropy Tobias Jung,Susan D. Phillips,Jenny Harrow,2016-05-17 Philanthropy the use of private resources for public purposes is undergoing a transformation both in practice and as an emerging field of study Expectations of what philanthropy can achieve have risen significantly in recent years reflecting a substantial but uneven increase in global wealth and the rolling back of state services in anticipation that philanthropy will fill the void In addition to this experiments with entrepreneurial and venture philanthropy are producing novel intersections of the public non profit and private spheres accompanied by new kinds of partnerships and hybrid organisational forms The Routledge Companion to Philanthropy examines these changes and other challenges that philanthropists and philanthropic organisations face With contributions from an international team of leading contemporary thinkers on philanthropy this Companion provides an introduction to and critical exploration of philanthropy discussing current theories research and the diverse professional practices within the field from a variety of disciplinary perspectives The Routledge Companion to Philanthropy is a rich and valuable resource for students researchers practitioners and policymakers working in or interested in philanthropy

Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 free PDF files of magazines, brochures, and catalogs, Issuu is a popular

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 is one of the best books in our library for free trial. We provide a copy of Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 in digital format, so the resources that you find are reliable. There are also many eBooks related to Religious Explanation And Scientific Ideology Toronto Studies In

Religion Vol 17. Where to download Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 online for free? Are you looking for Religious Explanation And Scientific Ideology Toronto Studies In Religion Vol 17 PDF? This is definitely going to save you time and cash in something you should think about.
