Remembrances And Reminiscences:

Reminiscence Alvin Randall Enlow, 2002-06-15 Fifty five years have passed since Al and Van fell in love as wartime sweethearts He returned to the States and she returned to her home in Cardiff Wales where they both met other loves and married They lost touch and now both of their spouses have passed away Will these two lovers meet again Al Enlow shares his wartime experiences and his memories of his wartime sweetheart Van in *Reminiscence* You will laugh and cry over this nostalgic remembrance of days gone by *The Uses of Reminiscence* Mark Kaminsky, 2014-02-24 The meaning and value of reminiscence in the lives of elders is beautifully explored **Remembrance, Recollection, Reminiscence** Helena Petrovna Blavatsky, 2018-02-03 As immortality is the stability of life and eternity the stability of being so memory is the stability of knowledge The faculty of memory depends on a fully functioning brain Remembrance and recollection are the attributes and handmaidens of that memory An idea recurring spontaneously is remembrance when searched and retrieved by effortful thinking recollection While memory is physical and evanescent for it depends upon the condition of the brain reminiscence is the memory of the soul Memory is the only faculty in man directly opposed to prognostication or looking into futurity Memory is one thing and mind i e thoughts is another the one is a recording machine a register which very easily gets out of order the other thoughts which are eternal and imperishable Memory is an important power but the mind itself is not memory it is restless and wandering in its nature and must be controlled Phantasy is uncontrolled remembrance of past thoughts and images Phantasy is the most unreliable thing in us Phantasy stifles enthusiasm Phantasy is an impediment to our spiritual perceptions When the mind is inspired by the spirit above if phantasy intervenes the enthusiastic energy ceases for enthusiasm and ecstasy are contrary to each other Conviction breeds enthusiasm Enthusiasm is the genius of sincerity The enthusiastic passion is a kind of fury partaking something of divine inspiration But it is not called forth from within it is an insufflation from some stronger power from without thus bringing about a disturbance of the rational mind What we have within that only can we see without and thus by summoning the forgotten knowledge from Lethe we may re enter into the heavenly vault *History and Reminiscence, from the Records of Old Settlers Union of Princeville and Vicinity*, 1912
