Malachi Then and Now Allen P. Ross,2018-11-30 A rich and satisfying commentary on Malachi that unfolds its powerful message Since Malachi deals with topics such as money marriage worship and the love of God contemporary Christians can learn much from this ancient book In addition to commenting on the book of Malachi this volume shows how to develop biblical expositions from a solid exegetical analysis of the text I have chosen the book of Malachi writes the author because it is short and can be easily expounded in a short series and because it has a good variety of forms and constructions that provide test cases for a practicum in exegesis But most of all because the messages recorded here are needed just as much today as in Malachi s day **Dictionary of the Holy Bible** John Brown,1848 **Deacon Training** Kate

Ward-Turner,2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons
