William Stubbs (évêque d'Oxford.),1886 **Seventeen Lectures on the Study of Medieval and Modern History and Kindred Subjects** William Stubbs,2015-07-12 Excerpt from Seventeen Lectures on the Study of Medieval and Modern History and Kindred Subjects Delivered at Oxford Under Statutory Obligation in the Years 1867 1884 If I were asked what is my reason for printing these lectures I might be at a loss for an answer They are not printed by request or because they seem to me worthy to be preserved or because they are likely to be useful reading or because they supply a want It may be that they owe their present form to the fact that the love of correcting proof sheets has become a leading passion with the author Some part of the volume may be readable some part useful it may be that the useful part is hard reading and the readable part trifling but I will give myself unphilosophic as it may be the benefit of a doubt The lectures were written under the pressure of statutory compulsion and against the grain I know by sad experience how often the best lecture the best sermon on which I have most prided myself eloquent lucid learned logical has gone the way of all fireworks There is a chance that something may be said for work elicited by forcible pressure under weariness and vexation against stress of time under statutory obligation and a conscientious sense of duty The statute under which these lectures were delivered was a burdensome statute to me it would not be so to every professor but the discomforts of working under it could only be explained by experience and the statute itself is now a thing of the past About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
