Sex And Conquest Gendered Violence Political Order And The European Conquest Of The Americas:

Sex and Conquest Richard C. Trexler, 1995 A historical account of the berdache biological men who performed the offices and work of women including sexual service in Europe and America at the time of the Conquest Trexler examines the sexual culture of both early modern Iberia and the native American world of that era Annotation copyright by Book News Inc Portland OR

Infamous Desire Pete Sigal, 2003 What did it mean to be a man in colonial Latin America More specifically what did indigenous and Iberian groups think of men who had sexual relations with other men Providing comprehensive analyses of how male homosexualities were represented in areas under Portuguese and Spanish control *Infamous Desire* is the first book length attempt to answer such questions In a study that will be indispensable for anyone studying sexuality and gender in colonial Latin America an esteemed group of contributors view sodomy through the lens of desire and power relating male homosexual behavior to broader gender systems that defined masculinity and femininity

Contested Eden Ramón A. Gutiérrez, Richard J. Orsi, 1998-03-31 Celebrating the 150th birthday of the state of California offers the opportunity to reexamine the founding of modern California from the earliest days through the Gold Rush and up to 1870 In this four volume series published in association with the California Historical Society leading scholars offer a contemporary perspective on such issues as the evolution of a distinctive California culture the interaction between people and the natural environment the ways in which California s development affected the United States and the world and the legacy of cultural and ethnic diversity in the state California before the Gold Rush the first California Sesquicentennial volume combines topics of interest to scholars and general readers alike The essays investigate traditional historical subjects and also explore such areas as environmental science women s history and Indian history Authored by distinguished scholars in their respective fields each essay contains excellent summary bibliographies of leading works on pertinent topics This volume also features an extraordinary full color photographic essay on the artistic record of the conquest of California by Europeans as well as over seventy black and white photographs some never before published
