Simplified Dictionary Of Modern Tongan:

A Simplified Dictionary of Modern Tongan Edgar Tu'inukuafe, 1992 In addition to the comprehensive Tongan to English and English to Tongan sections other features include a guide to pronunciation a guide to grammar a selection of proverbs and useful phrases Provided by publisher *Social Structure, Space and Possession in Tongan Culture and Language* Svenja Völkel, 2010 This interdisciplinary study investigates the relationship between culture language and cognition based on the aspects of social structure space and possession in Tonga Polynesia Grounded on extensive field research Volkel explores the subject from an anthropological as well as from a linguistic perspective The book provides new insights into the language of respect an honorific system which is deeply anchored in the societal hierarchy spatial descriptions that are determined by socio cultural and geocentric parameters kinship terminology and possessive categories that perfectly express the system of social status inequalities among relatives These examples impressively show that language is deeply anchored in its cultural context Moreover the linguistic structures reflect the underlying cognitive frame of its speakers Just as several cultural practices sitting order access to land and gift exchange processes the linguistic means are not only expressions of stratified social networks but also tools to maintain or negotiate the underlying socio cultural system *A World Atlas of Translation* Yves Gambier, Ubaldo Stecconi, 2019-02-15 What do people think of translation in the different historical cultural and linguistic traditions of the world How many uses has translation been put to How distant from one another are the concepts of translation found in the different traditions These are some of the questions A World Atlas of Translation addresses Its twenty one reports give us pictures taken from the inside both from traditions that are well represented in the literature and from the many that for now are not But the Atlas is not content with documenting no map is this innocent In fact the wealth of information collected and made accessible by its reporters can be useful to gauge the dispersion of translation concepts across traditions As you read its reports the Atlas will keep asking How far apart do these concepts look to you Finally and more ambitiously the reports can help us test the hypothesis that a cross cultural notion of translation exists In this respect the Atlas is mostly a proof of concept It hopes to encourage further fact based research in quest of a robust and compelling unifying notion of translation **Cultures, Ideologies, and the Dictionary** Braj B. Kachru, Henry Kahane, 2013-03-01 A pioneering volume addressing issues related to cultures ideologies and the dictionary A cross cultural and cross linguistic study with focus on selected Western and non Western languages A number of in depth case studies illustrates the dominant role ideology and other types of bias play in the making of a dictionary The volume includes invited papers of 40 internationally recognized scholars **Tonga** Martin Daly, 2009-02-04 Praise for the first edition Tonga is unique among bibliographies in its perception and understanding and in its affection for Tonga and its people Daly s work stands on exceptionally sound foundations His summaries are excellent indeed but Daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities

A trustworthy introduction to Tonga in all its diversity a splendid point de d part for all layman or scholar needing a reliable guide to the essential literature about this remarkable Polynesian kingdom Bulletin of the School of Oriental and African Studies The book is so arranged that it is easy to locate any of the items listed I found myself spending pleasant hours perusing Daly s comments on the different publications I hope the rumor of a second revised edition of this bibliography is true Journal of the Polynesian Society Tonga is a fascinating and subtle combination of a traditional Polynesian kingdom the only one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly Christian country This comprehensive bibliography is a selective guide to the most significant and accessible English language books papers and articles on every aspect of the kingdom s history culture arts politics environment and economy It is a much updated and expanded edition of the original version that was published in 1999 as part of the World Bibliographical Series with the addition of more than 200 new entries Each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject In addition and new to this edition all known Ph D theses although not annotated are shown within their appropriate subject categories and indexed Also new is a section on the most important Tonga related websites A general introduction describes the Tongan kingdom its history and society and its current situation Tonga A New Bibliography will be an invaluable resource for anyone with a serious interest in Tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the Pacific islands

Marking Indigeneity Tevita O. Ka'ili, 2017-10-24 Tongans the native people of the Kingdom of Tonga in the South Pacific are a highly mobile indigenous group Like their seafaring ancestors they are constantly on the move across time and space Carrying their traditions with them Tongans living in Maui Hawaii actively mediate those dimensions by extending the time space structure of certain activities and places in order to practice tauhi v the marking of time to sustain harmonious relations and create beautiful sociospatial relations In *Marking Indigeneity* Tevita O Ka ili examines the conflicts and reconciliation of indigenous time space within the Tongan community in Maui as well as within the time space of capitalism Using indigenous theory he provides an ethnography of the social relations of the highly mobile Tongans Focusing on tauhi v Ka ili notes certain examples of this time marking the faikava gatherings that last from sunset to sunrise long eating gatherings long conversations talanoa the all night funeral wakes and the early arrival to and late departure from meetings and celebrations Ka ili also describes the performing art of tauhi v which creates symmetry through the performance of social duties fatongia This gives rise to powerful feelings of warmth elation and honor among the performers *Marking Indigeneity* offers an ethnography of the extension of time space that is rooted in ancient Moana oral traditions thoughtfully illustrating the continuation of these traditions **Imperatives and Directive Strategies** Daniël Van Olmen, Simone

Heinold, 2017-04-11 Imperatives and directive strategies have intrigued both formalists and functionalists They continue to search for the answers to questions like what are the semantics of the imperative how is it used in the world's languages and which factors determine the choice between imperatives and other directive strategies This volume takes a broadly functional typological perspective and contributes to the literature in several respects It presents new data from a variety of languages some of which have not been studied in depth before It exemplifies the benefits of traditional methodologies as well as the potential of more innovative ones In addition the volume sheds new light on the imperative as a typological notion

its meaning and uses and its interaction with other grammatical categories It also offers new insights into the relation between different directive strategies within and across languages and into the dissimilarities between equivalent directive strategies in a language family *An Introduction to the Tongan Language* Edgar Tu'inukuafe,1992 Covers pronunciation notes topic based chapters information about kinship terms dialogues etc *Research Anthology on Environmental and Societal Impacts of Climate Change* Management Association, Information Resources,2021-10-29 Climate change is an issue that has been generating a significant amount of discussion research and debate in recent years Climate change continues to evolve at a rapid rate and continues to have a wide array of effects on everything from temperature to plant life Beyond the negative environmental impacts climate change is also proving to be a detriment to society with increasingly violent natural disasters and human health effects It is essential to stay up to date on the latest in emerging research within this field as it continues to develop The Research Anthology on Environmental and Societal Impacts of Climate Change discusses the varied effects of climate change throughout all areas of life and provides a comprehensive dive into the latest research on key elements of society that are affected by the rapidly increasing climate Covering a range of topics including reproduction plants and animals and energy demand it is ideal for environmentalists policymakers environmental engineers scientists disaster and crisis management personnel professionals government officials practitioners upper level students and academics interested in emerging research on the numerous impacts of climate change *Niue Language Dictionary* Niue,University of Hawaii at Manoa. Dept. of Linguistics,1997-01-01 Tohi Vagahau Niue is a significant new dictionary detailing the Polynesian language of Niue and will benefit Niuean studies for years to come While its main aim is to be a repository for native speakers it will also serve a wider linguistic audience including comparativists and theorists in lexicography Detailed user notes introduce the reader to the basic challenges in Niuean lexicography and grammar With some 10 000 Niuean word entries the present dictionary is a significant expansion on an earlier work The Niuean contributors took great care to present their language as a living entity while preserving its valuable past but they are also aware of its uncertain future Language revival is essential to preserve a linguistic Pacific jewel and as such the new dictionary will lend status to Niuean language studies as well as be an invaluable help in using Niuean confidently in everyday life **Clause Structure and Argument Realization in Tongan** Douglas L. Ball,2008 *Tonga* Nancy Keller,Deanna Swaney,1998 This edition of the text features a section on traditional ceremonies and festivals in Tonga In addition it provides information on a full range of water sports and other outdoor activities as well as a language section **Dictionary of Dictionaries and Eminent Encyclopedias** Thomas Kabdebo,Neil Armstrong,1997 Enlarged by some 50 percent and equipped with more comprehensive name and subject indexes the second edition of this unique guide contains bibliographic and descriptive annotations for 8 000 dictionaries It features 1 500 additional bilingual works 400 new subject categories and all the major electronic dictionaries produced in English While the primary emphasis is on language dictionaries subject dictionaries on topics as

varied as ceramics bookbinding and theatre as well as dictionaries issued by international bodies and agencies are included Covering all the world s languages works may be bilingual monolingual or multilingual as long as there is an English element
