Kaluaikoolau,2001 The remote valley had become a refuge for Hawaiians afflicted with leprosy rather than endure forced separation from their loved ones a few dozen men and women managed to avoid capture and live in hiding with the help of friends and family In June 1893 Koolau shot and killed a sheriff and two Provisional Government soldiers who had been sent to arrest him He vowed never to be taken alive and became a powerful symbol of resistance for many Hawaiians in the years following the overthrow of Queen Liliuokalani **Kalaupapa Place Names** John R. K. Clark,2018-04-30 In Kalaupapa Place Names John Clark presents a unique history of the leprosy settlement on Molokai based on his meticulous research of more than three hundred Hawaiian language newspaper articles He first assembled an extensive list of familiar and long forgotten place names associated with the Kalaupapa peninsula and then searched for them in the online repository of Hawaiian language newspapers With translation assistance by Isona Ellinwood and Keao NeSmith he discovered articles that show a community of Hawaiians from every island except uninhabited Kahoolawe Their stories reveal an active community with its members trying to live their lives as normally as possible in the face of a debilitating disease The first section of the book contains newspaper articles arranged under an alphabetical listing of place names The second section organizes the material into chronological segments from before the establishment of the Kalaupapa Settlement to the death of Mother Marianne Cope in 1918 These two sections are followed by a collection of kanikau or lamentations interviews with Kalaupapa residents and a list of Hawaiian language newspapers Introductory paragraphs for groupings of newspaper articles assist the reader in visualizing the physical landscape and understanding the history and significance of a particular location The poetry of the Hawaiian language is evident throughout the translations especially in the kanikau [Voyages of Faith](#) Grant
