Mobile Alabamas People Of Color A Tricentennial History 17:

Mobile Alabama's People of Color Shawn A. Bivens, 2004 This book provides a chronology of historical moments in the lives of African Americans in the Mobile Alabama community over three hundred years from 1702 to 2002 Carnival in Alabama Isabel Machado, 2023-01-27 Mobile is simultaneously a typical and unique city in the postwar United States It was a quintessential boomtown during World War II That prosperity was followed by a period of rapid urban decline and subsequent attempts at revitalizing or gentrifying its downtown area As in many other US cities urban renewal integration and other socioeconomic developments led to white flight marginalized the African American population and set the stage for the development of LGBTQ community building and subculture Yet these usually segregated segments of society in Mobile converged once a year to create a common identity that of a Carnival City Carnival in Alabama looks not only at the people who participated in Mardi Gras organizations divided by race gender and or sexual orientation but also investigates the experience of marked bodies outside of these organizations or people involved in Carnival through their labor or as audiences or publics of the spectacle It also expands the definition of Mobile s Carnival tradition beyond the official pageantry by including street maskers and laborers and neighborhood cookouts Using archival sources and oral history interviews to investigate and analyze the roles assigned inaccessible to or claimed and appropriated by straight identified African American men and women and people who defied gender and sexuality normativity in the festivities regardless of their racial identity this book illuminates power dynamics through culture and ritual By looking at Carnival as an invented tradition and as a semiotic system associated with discourses of power it joins a transnational conversation about the phenomenon

threw his last pitch from a big league mound at an improbable fifty nine Age is a case of mind over matter he said If you don't mind it don't matter More than a fascinating account of a baseball odyssey Satchel rewrites our history of the integration of the sport with Satchel Paige in a starring role This is a powerful portrait of an American hero who employed a shuffling stereotype to disarm critics and racists floated comical legends about himself including about his own age to deflect inquiry and remain elusive and in the process methodically built his own myth Don't look back he famously said Something might be gaining on you Separating the truth from the legend Satchel is a remarkable accomplishment as large as this larger than life man *Ten Stars* Kendal Weaver,2016-02-01 *Ten Stars* is a nonfiction narrative part biography part oral history of the life story of Gary Cooper an African American born in the depths of Jim Crow to an Alabama family that challenged the rule of segregation The Cooper extended family described in interludes at points within the book has made a national mark in politics arts education health care and the military Graduating from the University of Notre Dame in 1958 as one of three African Americans in a class of 1 500 Cooper went on to become the U S Marines first black commander of a combat infantry company in Vietnam He later became the Corps first black general from Infantry an Alabama state legislator and governor's cabinet official an Air Force civilian four star who promoted the Tuskegee Airmen and the first black U S Ambassador to Jamaica *American Heritage Society's Americana* ,1980 *The Waterways Journal* ,2002 [Free People of Color in Antebellum Mobile County, Alabama](#) Marilyn Mannhard,1982 [Mobile](#) Michael Thomason,2001 The history of Mobile Alabama's first city [History of the Campaign of Mobile C.
