Higgins and the Quest for Worker Justice* John J. O'Brien, 2005 George G Higgins and the Quest for Worker Justice The Evolution of Catholic Social Thought in America is a comprehensive and fascinating examination of the Catholic Church's involvement in social issues from the late 19th to the end of the 20th century through the lens of the life career writings and ministry of the legendary Monsignor Higgins Inspiring to both the clergy and laity Msgr George G Higgins put a human face on the institutional commitments of the Church advocated the role of the laity remained loyal to the vision of the Second Vatican Council and took the side of the working poor in his movement with organized labor Much more than a limited biography author John O'Brien offers a sweeping history of the social questions facing America over the past 100 years the thought behind one of the leading figures in the worker justice movement and a moving application of the rich heritage of Catholic Social Thought **The Church Confronts Modernity** Thomas E. Woods, 2004 Thomas Woods discusses the Catholic intellectual critique of modernity during the period immediately before after the turn of the 19th century He shows how the nonpluralistic institution of Christianity responded to an increasingly pluralistic intellectual environment **John Lafarge and the Limits of Catholic Interracialism, 1911-1963** David W. Southern, 1996-07-01 Before Vatican II before the race riots of the 1940s the white Jesuit priest John Lafarge decried America's treatment of blacks In the first scholarly biography of Lafarge David W Southern paints a portrait of a man ahead of his church on the race issue who nevertheless did not press hard enough in ridding it of an institutional bias against African Americans Southern follows Lafarge from his birth into the Social Register in Newport Rhode Island in 1880 to his death in 1963 just months after his participation in the March on Washington According to Southern Lafarge was the foremost Catholic spokesman on black white relations in America for more than thirty years In a series of books and articles he served on the staff of the influential Jesuit weekly *America* from 1926 until his death he significantly improved the image of the Church in the eyes of black Jewish and Protestant leaders In 1934 he founded the Catholic Interracial Council of New York the most important Catholic civil rights organization in the pre Brown era His declaration in 1937 that racism is a sin and a heresy so impressed the pope that he employed Lafarge to write an encyclical on the subject Although lauded in his time for his achievements in race relations Lafarge Southern contends espoused too gradualist an approach Southern maintains that Lafarge was fettered by a fierce loyalty to the Church a staunch clericalism an intense concern with the image of Catholicism in Protestant America an aristocratic background and Eurocentric thinking producing in him an abiding paternalism and lingering ambivalence about black culture and a tendency to conceal the Church's discriminatory practices rather than reveal them Moreover he was too slow to condemn segregation and approve the nonviolent direct action of

Martin Luther King Jr Still Southern sees in LaFarge a redeeming capacity for liberal growth citing his inspiration of a younger more militant generation of Catholics and his joining in the 1963 march Based on extensive archival research John LaFarge and the Limits of Catholic Interracialism fills a serious gap in Catholic social history and race relations history An impressive engrossing biography it also casts light on the broader historical issues of the Church s attitudes and practices toward African Americans since the Civil War Catholic liberalism before Vatican II and the seeds of unrest that manifest themselves today in the rapidly growing black Catholic community

Saints and Sinners in the Cristero War James Murphy,2019-02-19 This provocative account of the persecution of the Catholic Church in Mexico in the 1920s and 1930s tells the stories of eight pivotal players The saints are now honored as martyrs by the Catholic Church and the sinners were political and military leaders who were accomplices in the persecution The saintly standouts are Anacleto Gonz lez Flores whose non violent demonstrations ended with his death after a day of brutal torture Archbishop Francisco Orozco y Jim nez who ran his vast archdiocese from hiding while on the run from the

Mexican government Fr Toribio Romo Gonzalez who was shot in his bed one morning simply for being a Catholic priest and Fr Miguel Pro the famous Jesuit who kept slipping through the hands of the military police in Mexico City despite being on the most wanted list for sixteen months The four sinners are Melchor Ocampo the powerful politician who believed that Catholicism was the cause of Mexico's problems President Plutarco Elías Calles the fanatical atheist who brutally persecuted the Church Jos Reyes Vega the priest who ignored the orders of his archbishop and became a general in the Cristero army and Tomás Garrido Canabal a farmer turned politician who became known as the Scourge of Tabasco This cast of characters is presented in a compelling narrative of the Cristero War that engages the reader like a gripping novel while it unfolds a largely unknown chapter in the history of America

lifetime from liturgical reform to Bible study campus ministry to social justice minimum wage legislation to founding the National Catholic Rural Life Conference The pastoral challenges he confronted in the first half of the last century institutional complacency disorganization among Catholics and reluctance to openly profess their faith ignorance of social justice principles the defense of the Church in a sometimes hostile culture all remain significant challenges for the American Church today Timothy Michael Dolan Archbishop of New York researched and composed this biography and continues to cite O'Hara as his role model of an immensely effective bishop In an effort to revisit the pioneering work of church leaders this book includes a new preface by Archbishop Dolan This is the long needed definitive life of one of the American Church's greatest leaders *The Catholic Key* *The Story of Jazz* Marshall W.
