commander of the war he led his troops with distinction in battle and became one of the very first officers to be awarded the congressional Medal of Honor In the 1870s MacArthur served in forts in the West during the Indian Wars married Pinky Hardy and started a family He next commanded a division in the Philippines during the Spanish American War MacArthur went on to become the governor general of the Philippines the most imperial post in that blatantly imperialistic period of American history His blunt opposition to aspects of Washington s colonial policy in the Philippines led to a series of conflicts with Taft McKinley and other civilian authorities After his return to the United States in 1907 these same leaders blocked MacArthur s appointment as chief of staff of the army Instead an embittered MacArthur was forced to retire The MacArthur family including Douglas never forgave the powerful men who had thwarted Arthur in his greatest ambition and denied him his place in history After one of the most distinguished careers in the history of the U S Army Arthur MacArthur died in relative obscurity while delivering a speech at the fiftieth reunion of his original Civil War regiment A man whose whole life had been soldiering left instructions forbidding a military funeral and asking to be buried in civilian clothes rather than in the uniform he had worn so proudly from the age of seventeen MacArthur died too soon to witness the military exploits of his famous son But there can be no doubt that Arthur made a profound impression on Douglas who regarded the general with awe and spent much of his own life following in his father s footsteps Arthur MacArthur had spent his life striving to be a soldier s soldier in the end it can be truly said that he was the general s general      *Littell's Living Age* ,1868
