Bass, 2008-03-31 The Gospel of Grace According to Paul the Apostle to the Church in the Twenty First Century investigates the apostle's claims that Law and Grace cannot coexist The Law cannot make one a Christian and it cannot make one a better Christian The law kills and excludes one from God Only through Grace can one be saved and only in Grace can one live and be everything that he or she has been called by God to be Should one claiming to belong to Christ the Christian claim actually attempt to fulfill the Law that has already been fulfilled in Christ What is the point of attempting to follow the Law when it is a reflection of God's nature Can one honestly expect to please God by attempting this Join the investigation of the doctrine that the First Century church as well as the Protestant Reformation itself rests on Michael Mike holds an MTh in Theology an Honorary D D for his work in Pauline Theology and he is presently a PhD in Theology Candidate He is the Minister In Charge of Christian Friends Ministry Associate Pastor of Solid Rock United Methodist Church and Dean of Solid Rock School of Theology He has written thirteen commentaries on biblical books and two books of Scriptural Devotions He writes weekly

Bible Witness in Black Churches G. Baker-Fletcher,2009-08-03 Baker Fletcher explores the Bible as a uniquely authoritative text within the context of Black church worship and service to the world as well as analysing the Bible s central role in three forms of witness translation proclamation and empowerment THE WILL OF GOD Re Ph. D. The Reverend Vernon G. Elgin,2012-01-18 THE WILL OF GOD Re The Presbyterian Church USA Book of Common Worship explores in general the theological topic of the will of God as revealed in Scripture and particularly as treated in the liturgical and worship material in the BOOK OF COMMON WORSHIP The more than 200 references to the subject in the BCW appear in the different rubrics for worship adoration confession supplication petition and explication or explanation The goal of the book is better to understand how God s will has been revealed identified and defined as a step toward the more perfect worship God expects of the Church

The Hardened Heart and Tragic Finitude Dan O. Via,2012-11-05 This book has two main theses First for the biblical Christian doctrine of sin the root of the human problem is hardness of heart the corruption of the core self of the seat of understanding and will On the other hand for an important strand of Greek tragedy the root of human harm doing is the nonculpable blindness and anxiety of finitude that despite the initial nonculpability lead to evil and suffering The Hardened Heart shows that these two different interpretations of human existence are amenable to a degree of synthesis that leads to this conclusion hardness of heart and our ordinary finitude together collude to cause sin in its fullness The second thesis of this volume is that exegetical studies disclose a deconstructive strand in certain biblical texts that represents the finite world that God created as a source of distress and harm doing in something like the tragic sense This subdominant deconstructive position challenges the dominant biblical vision in which the creation came forth from God s creative word as good without qualification

The Books of the Old Testament in Your Palm Ayuba Mshelia,2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God s divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don t you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the

culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel s history Why was the Davidic covenant threatened by Bathsheba s marriage and Absalom s insurrection What is your take on Daniel s seventy weeks prophecy Dan 9 24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel s prophecy What about A time times and a half Dan 12 7 appearing in Daniel s prophecy What does Ezekiel s vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4 6 with a divine threat of a curse Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book **Undistorted God** Ray Waddle,2014-08-19 Ray Waddle encourages us to find meaning inside sometimes despite the contentious times we live in He helps readers see through spiritual insecurity and distraction to see God in new places in the sky in writing in walking in music in memory in Gospel reading the bread and wine worship the very name Jesus and get beneath social habits or routine theological assumptions in order to find a fresh core of epiphany **Living the Lord's Prayer** Albert Haase OFM,2010-02-04 In this book Father Albert Haase follows the lines of the Lord s Prayer showing how the ideas have been understood by great people of faith including Francis of Assisi Martin Luther Th r se of Lisieux and others and revealing how God can use this ancient prayer to transform your very soul and teach you to walk in the way of a true disciple of Christ

The Philosophy of Christology Hue Woodson,2022-01-31 Given the perpetual problem of the historical Jesus there remains an ongoing posing of the question to and a continuous seeking of the meaningfulness of Christology From the earliest reckoning with the relationship between Jesus of Nazareth and the Christ of faith what it means to do Christology today remains at the methodological center of the task and scope of every systematic theology Whether giving an account of Albert Schweitzer s bringing an end to the quest for the historical Jesus in 1906 or attending to Rudolf Bultmann s period of no quest culminating with his demythologization project in the 1940s how we still think of Christology as a matter of questions and concerns with meaning speaks to an unavoidable philosophizing of Christology In this way *The Philosophy of Christology* offers both a particular history of Christology in conjunction with a particular philosophy of Christology which assesses the theological contributions by a group of Bultmannians following Bultmann in the 1950s and 1960s up to what can be reimagined by repurposing Jacques Derrida s philosophical question into the meaning of love in 2002 *The Publishers Weekly* ,2003 *Egypt on the Pentateuch's Ideological Map* Franz V. Greifenhagen,2003-04-01 This book explores the references to Egypt in the Pentateuch twice as dense as in the rest of the Hebrew Bible in the context of the production of the text s final form during the Persian period Here as Greifenhagen shows Egypt functions ideologically as the primary other over against which Israel s identity is constructed while its role in Israel s formation appears as subsidiary and as a superseded stage in a master narrative which locates Israel s ethnic roots in Mesopotamia But the presentation of this powerful neighbour is equivocal a dominant anti Egyptian stance coexists with alternative though subordinate pro Egyptian

views suggesting that the Pentateuchal narrative was produced within a context of ideological conflict over attitudes towards a land that provided a home for Jewish fugitives and emigrants Foster Biblical Scholarship Frank Ritchel Ames, Charles William Miller, 2010 This collection of essays describes the pursuit of biblical scholarship in the twenty first century and explores the implications of modern and postmodern approaches collaborative and emancipative models of graduate and undergraduate education and public and political uses of the Bible Special attention is given to the role of the Society of Biblical Literature Essays by nine SBL presidents appear in the collection which honors SBL Executive Director Emeritus Kent Harold Richards **Which Bible is Better?** Joseph Gleason, 2014-09-10 Compare differences between the King James Version KJV New International Version NIV and the Orthodox Study Bible OSB *What the Bible Really Tells Us* T. J. Wray, 2011-09-16 Provides the general public and undergraduates with an introductory level text in the Hebrew Bible and New Testament Galatians Craig S. Keener, 2018-04-12 Drawing on a range of ancient background this commentary makes Galatians easier to understand today **A Handbook to Old Testament Exegesis** William P. Brown, 2017-03-17 Designed for both Hebrew and non Hebrew students A Handbook to Old Testament Exegesis offers a fresh hands on introduction to exegesis of the Old Testament William P Brown begins not with the biblical text itself but with the reader helping students to identify their own interpretive lenses before engaging the biblical text Brown guides the student through a wide variety of interpretive approaches including modern methodologies feminist womanist Latino a queer postcolonial disability and ecological approaches alongside more traditional methods This allows students to critically reflect on themselves as bona fide interpreters While covering a wide range of biblical passages Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in depth *Steve Biko* Traci Wyatt, 2020-07-20 During the mid 1960s to the late 1970s black college students in South Africa became frustrated with apartheid Bantu education policy Bantustans white liberal organizations and European branded Christianity Their anger with white nationalism under apartheid caused them to mobilize rise up and fight against systemic oppression for their liberation The timing was pregnant with purpose for the new generation of leaders to rise since the ANC and PAC were banned creating an aboveground silence amongst black anti apartheid revolutionaries The reader will be lured into the struggle blood loss tears and victories of blacks fighting against apartheid in South Africa Readers will learn about the ideology and way of life adopted by black youth known as black consciousness The book analyzes how students became so devoted in their beliefs and application of the tenets of black consciousness that it was likened to the gospel message It describes how the teachings of black consciousness were used as psychological weapons of war to liberate the minds of blacks white liberals and the white apartheid regime The primary focus of this book is on the life message and journey of BC s preeminent leader Steve Biko who led the radical movement along with his colleagues to empower his people and

encourage the nation to seek and possess truer humanity His message takes center stage while his life takes several unexpected turns as the system hunts him down However the most controversial yet surprising component of this work would be the comparison of Biko s life and death with Jesus s life and death at Calvary from the cradle to the grave Though Biko was not necessarily a professed Christian his life s work and message make chilling parallels to the life of Jesus Christ which are captured here This book is bound to awaken the soul and mind of the reader as they become raptured in the intersectionality of race justice and faith
