E. Richter,2012-07-18 Matthew s Gospel contains material unique to it among the canonical Gospels What is the background
for this material Why does the writer of Matthew s Gospel tell the story of Jesus in the way he does including women in his
genealogy telling the story of the birth of Jesus in his particular way and including the visit of the magi led by a star Enoch
and the Gospel of Matthew shows that the writer of Matthew was familiar with themes and traditions about the antediluvian
patriarch Enoch including the story of the fall of the angels called watchers who transgress their heavenly boundaries to
engage in illicit relations with women and teach them forbidden arts The Gospel writer shows that Jesus brings about the
eschatological repair of the consequences of the watchers fall as told in the Enochic legend This study focuses on Matthew s
genealogy and infancy narrative and also has implications for the study of women in Matthew since it is often through the
stories of women in Matthew that the repair of the watchers transgression takes place Catalog of the Theatre and Drama
