Question Of Namibia:

Namibia's Independence Struggle Cleophas Johannes Tsokodayi, 2011-01-01 **The Question of Namibia** Laurent C.W. Kaela, 2016-07-27 Following the Second World war South Africa claimed that the League of Nations mandate to administer Namibia had lapsed with the dissolution of that organization and that it was within its power to annex it It rejected UN efforts to have the territory placed under its trusteeship This marked the beginning of the intractable dispute over the international status and independence of Namibia This book analyses the role of the international community through the UN and other organizations in the search for a settlement It gives attention to the efforts of the Western Contact Group and the people of Namibia themselves and shows how conditions for a settlement ultimately emerged Finally it outlines Namibia's major post independence challenges

West Germany and Namibia's Path to Independence, 1969-1990 Thorsten Kern,2019-06-05 Namibia s main liberation movement the South West Af rica People s Organisation SWAPO relied heavily on outside support for its armed struggle against South Africa s occupation of what it called South West Africa While East Germany s solidarity with Namibia s struggle for national self determination has received attention little research has been done on West Germany s policy towards Namibia which must be seen in the light of inter German rivalry The impact of the wider realities of the Cold War on Namibia s rocky path to independence leaves ample room for research and new interpretations In this study Thorsten Kern shows that German division played a vital role in West Germany s position towards Namibia during the Cold War The two states deeply diverging policies characterised in this context by competition for influence over SWAPO were strongly affected by the Cold War rivalry between the capitalist West and the communist East Yet ultimately the dynamics of rapprochement helped to bring about Namibia s independence This book is based upon a doctoral dissertation presented to the University of Cape Town in 2016 Kern conducted research in the National Archives of Namibia and in German archives and his work draws on interviews with contemporary witnesses **International Law and the Protection of Namibia's Territorial**
