Intergalactic Tribunal Terry L. Brown,2010-05-28 Planet Ship Earth has had many mythical stories Intergalactic Tribunal is about the greatest one ever conceived developed and implemented This powerful story grabbed the inhabitants of earth and sky and convinced them that to believe is to know As a result they remain in perpetual ignorance never seeking to know The main character of this Intergalactic Gospel Fiction is the only son of a man made God who created the universe in

which he resides He has no mate male of female Everyone who wishes to live forever in bliss must pledge their lives to this Man Made God via the worship of his only begotten son Those that are not afraid to think will find the content of this book intriguing and thought provoking They ll realize that outrageous thoughts they have had are shared by others They ll be relieved to know they are not alone in this confusion called human society Technological components are unprecedented trailblazing and surprising For example the technology that implanted hostile entities into the blood stream to be manifested by the pressing of certain fingers coughing and spitting War Theatres will add this to their think tank data banks globally It s scary to think of the effect this would have in the hands of so called terrorists This book can be viewed as a self help educational reference tool a thought provoker or just a fun book to read There are elements of interest for all matured minds beings that are searching for clarity and those exploring beyond the matrix of illusion The fact that man created God so God could make him is evident It is not hard to create a belief system complete with a god of your design and giving him or her all the powers you can imagine This and other thought provoking questions are asked and answered I am very much aware that this book will not change anyone My hope is that readers will be motivated enough to investigate its content to see if there be anything that might enhance their lives or that of someone they know and care about I hope Intergalactic Tribunal will provide food for thoughts to the degree that readers will discuss it among their families friends and associates I trust all will find something of value I invite you all to engage the process of thinking to arrive at decisions which impact your lives Refuse to be a slave to anyone s belief Seek to Know Always Terry L Brown SOL **IFA Newsletter** ,1994 *Change Your Future, Now!* Germain Decelles o.s.j., MBA,2012-11-23 What should you be in the future Today we are confronted with more choices about how to live our lives and develop careers than ever before Repeatedly we are thrown into situations where we have to reinvent our professional personnel and relationship lines redefining who we are and where we want to go Change is an inevitable part of life Everyone needs to question himself or herself on life s journey opening the mind to new challenges regarding how to be great how to communicate and network Change is all about acquiring knowledge and wisdom planning head being able to influence inspire deal with change negotiate disagree be a good citizen and have some common sense reduce stress use humor and have the intuition to facilitate success for a better future I encourage you to be completely open and transparent as you look inside yourself and answer the very challenging and difficult questions posed as you reflect on what you should be in the future Perspectives 1989-1991-1992 University of Michigan. Office of the Vice Provost for Minority Affairs. Martin Luther King, Jr. Day Symposium,1993 *Contemporary Black Thinkers in the Diaspora and Their Conceptualizations of Africa* Abdul Karim Bangura,2024-08-24 This book contends that Afrocentricity and other ideas birthed by major contemporary Black thinkers in the Diaspora are wellsprings for helping to build a new Africa This book examines these ideas which have given rise to the Africanist Perspective on the Motherland to place Africa at the center of all intellectual discourses pertaining to African people everywhere while at the same time challenging the pervasive and

pernicious Eurocentric myth of African people being inactive agents in history These contributions from a global range of scholars across disciplines examine the work of contemporary great Black thinkers as sources that can be employed to help in the construction of a new Africa Each chapter examines how these thinkers conceptualized Africa in their works with the main objective of delineating their conceptualizations to generate suggestions on how to rebuild the continent *The Most Influential Contemporary African Diaspora Leaders* Dr. Roland A. Y. Holou, 2016-04-30 In this comprehensive reference and background book Dr Roland Holou highlights the lives visions achievements policies and strategies of exceptional contemporary African Diaspora leaders across the globe This inspirational collection of biographies motivates challenges and encourages current and future generations of people of African descent to take initiative and offers guidance to those interested in Africa's development It enlightens and empowers readers with stories that showcase the diversity complexity and richness of the ongoing global African Diaspora engagement efforts It also presents powerful accounts of experiences growth struggle failure and success that will provoke interest in the field of Diaspora engagement and inspire readers to stand up and face life's many challenges The featured leaders are known for their long lasting achievements Their impressive actions both contributed to important historical movements that significantly shaped and transformed the lives and history of people of African descent and removed major roadblocks preventing the prosperity of Africa and its Diaspora They have brought about enormous and rare progress that would have been impossible without their leadership their contributions have greatly improved the freedom and economic and political development of Africa and its Diaspora If you are interested in learning the secrets of these modern leaders who have accomplished outstanding tasks and demonstrated professional excellence and character while performing duties related to Africa and its Diaspora then this is the book for you Since influence can have negative effects as well this book also addresses destructive actions of certain leaders that are pulling down both Africa and its people To learn more about this book please visit www.AfricanDiasporaLeaders.com

Garvey, Garveyism, and the Antinomies in Black Redemption C. Boyd James,2009 This book about Marcus Mosiah Garvey attempts to situate Garvey and Garveyism within the perspectives of his age From the eighteenth century onwards several ideologies of black liberation were spawned in the Atlantic countries In Haiti the proposition became full scale revolution while Brazil Jamaica and the United States witnessed nearly two hundred years of rebellion The aftermath of the American Revolution and the crystallization of white supremacy gave rise to a new wave of ideologies beginning with the dominant theme of Back to Africa promoted by Martin E Delaney This theme remained until the Great Depression of 1893 1897 Thereafter there emerged a new group of spokesmen with a shift from Back to Africa to Africa for the Africans at Home and Abroad with Marcus Mosiah Garvey and his Universal Negro Improvement Association UNIA as its chief proponent This new ideology was determined by an absolute divine ordination of race particularity and race absolutism It was demarcated by reason and freedom that subsumed the centrality of the individual and gave priority to the group and the State making as though it was absolutely true and necessary
