**By Denise (The IRA Whisperer) Appleby, MJ, APA, AKS, CISP, CRC, CRPS, CRSP**

"Denise Appleby has created charts summarizing Roth vs. traditional IRA, portability (what type of plan can be rolled into what other type of plan), and more. I wish everyone who answers an 800 number at the big financial firms had these charts, so there would be fewer incidents of erroneous advice." ~

*Multimodal Composing in Classrooms* Suzanne M. Miller, Mary B. McVee, 2013-06-19 Taking a close look at multimodal composing as an essential new literacy in schools this volume draws from contextualized case studies across educational contexts to provide detailed portraits of teachers and students at work in classrooms Authors elaborate key issues in transforming classrooms with student multimodal composing including changes in teachers teaching and learning

Six action principles for teaching for embodied learning through multimodal composing are presented and explained. The rich illustrations of practice encourage both discussion of practical challenges and dilemmas and conceptualization beyond the specific cases. Historically, issues in New Literacy Studies, multimodality, new literacies and multiliteracies have primarily been addressed theoretically, promoting a shift in educators thinking about what constitutes literacy teaching and learning in a world no longer bounded by print text only. Such theory is necessary and beneficial for rethinking practices. What Multimodal Composing in Classrooms contributes to this scholarship are the voices of teachers and students talking about changing practices in real classrooms.

Ruairí Ó Brádaigh Robert W. White, 2020-05-05 A biography and analysis of the influential Irish political and military leader. At his death in 2013, Ruairí Brádaigh remained a divisive and influential figure in Irish politics and the Irish Republican movement. He was the first person to serve as chief of staff of the Irish Republican Army, as president of the political party Sinn Féin, and to have been elected as an abstentionist to the Dublin parliament. He was a prominent, uncompromising and articulate spokesperson of those Irish Republicans who questioned the peace process in Northern Ireland. His concern was rooted in his analysis of Irish history and his belief that the peace process would not achieve peace. He believed that it would support the continued partition of Ireland and result in continued inevitable conflict. The child of Irish Republican veterans, Brádaigh led IRA raids, was arrested and interned, escaped and lived on the run, and even spent a period on a hunger strike. Because he was an effective spokesman for the Irish Republican cause, he was at different times excluded from Northern Ireland, Britain, the United States, and Canada. He was also a key figure in the secret negotiation of a bilateral IRA-British truce in the mid-1970s. In a brief afterword for this new edition, author Robert W. White addresses Brádaigh's continuing influence on the Irish Republican Movement, including the ongoing dissident campaign. Whether for good or bad, this ongoing dissident activity is a part of Ruairí Brádaigh's enduring legacy. A tour de force, indispensable for all Irish studies collections. Essential Choice.

**Screening Ulster** Richard Gallagher, 2023-03-03 This book presents extensive research into the cinematic representation of the British-identifying Protestant unionist and loyalist community in Northern Ireland and is the first time such comprehensive analysis has been produced. Gallagher's research traces the history of the community's representation in cinema from the emergence of depictions of both nationalist and

unionist communities in social realist dramas in 1980s British and Irish cinema to today through periods such as those focused on violent paramilitaries in the 1990s and irreverent comedy after the Northern Ireland peace process The book addresses the perception that the Irish nationalist community has been depicted more frequently and favourably than unionism in films about the period of conflict known as The Troubles Often argued to be the result of an Irish nationalist bias within Hollywood Gallagher argues that there are other inherent and systemic reasons for this cinematic deficit *The A-Star Puzzle (IAU S224)* International Astronomical Union.
