Agreement 200 **Vegetation Map Accuracy Assessment: Fort Benning, Georgia** , It's Been Said Before Orin Hargraves,2014-07-01 Careful writers and speakers agree that clichés are generally to be avoided However nearly all of us continue to use them Why do they persist in our language In It's Been Said Before lexicographer Orin Hargraves examines the peculiar idea and power of the cliché He helps readers understand why certain phrases became clichés and why they should be avoided or why they still have life left in them Indeed clichés can be useful even powerful And few people even agree on which expressions are clichés and which are not Many regard any frequent idiom as a cliché and a phrase regarded as a cliché in one context may be seen simply as an effective expression in another Examples drawn from data about actual usage support Hargraves identification of true clichés They also illuminate his commentary on usage problems and helpful suggestions for eliminating clichés where they serve no useful purpose Concise and lively It's Been Said Before serves as a guide to the most overused phrases in the English language and to phrases that are used exactly as often as they should be

The Rhetoric of Manipulation Robert Harvey,2025-03-20 A provocative and timely look at how language is used to manipulate the truth how our gullibility leaves us susceptible to manipulation and what we can do to reverse these trends The Rhetoric of Manipulation looks behind the curtain of political and social communications in the age of fake news and the post truth to show how the perversely engineered semantics at work today shapes culture and undermines reality While language has always been manipulated to direct or anesthetize thought today's semantic perversions orient opinion and subdue political action to an alarming degree Under such conditions we are particularly susceptible to demagoguery Arguing that too many of us have let our critical faculties wither Robert Harvey opens our ears and eyes to an insidious impediment to free thinking by unflinchingly examining five realms of semantic perversion the contemporary vocabulary of war the recently evolved language tool known as scare quotes the terms used to peddle white supremacy the phenomenon of so called cancel culture and the jargon deployed in the corporatization of higher education The wager of The Rhetoric of Manipulation is that a frank exposé of bad faith discursive practices and our accompanying gullibility can contribute to reversing the trend remedying the current situation in view of a far more ethical immediate future and remediating some of the damage already done
