Race Crime And Punishment:

Race, Crime, and Punishment Keith O. Lawrence, 2011 **Race, Crime, and Punishment** Delores D. Jones-Brown, 2000 A thoughtful study goes beyond simple statistics and anecdotal evidence to examine the issue of race in crime and criminal justice *Malign Neglect* Michael Tonry, 1995 Tonry focuses on the racial disparities in the criminal justice system especially apparent discrimination toward black males *Race, Crime, and Justice* Shaun Gabbidon, Helen Taylor Greene, 2013-10-18 A comprehensive collection of the essential writings on race and crime this important Reader spans more than a century and clearly demonstrates the long standing difficulties minorities have faced with the justice system The editors skillfully draw on the classic work of such thinkers as W E B DuBois and Gunnar Myrdal as well as the contemporary work of scholars such as Angela Davis Joan Petersilia John Hagen and Robert Sampson This anthology also covers all of the major topics and issues from policing courts drugs and urban violence to inequality racial profiling and capital punishment This is required reading for courses in criminology and criminal justice legal studies sociology social work and race **Malign Neglect--race, Crime, and Punishment in America** Michael H. Tonry, 1995 From the acclaimed author of *Between Prison and Probation* comes a blistering attack on this nation's worn out misconceptions about race poverty crime and punishment and a fearless prescription for change a powerful book that provides devastating statistics on the human costs of our current criminal policies **Race, Crime, and the Law** Randall Kennedy, 2012-02-22 An admirable courageous and meticulously fair and honest book New York Times Book Review in which one of our most important and perceptive writers on race The Washington Post takes on a highly complex issue in a way that no one has before This book should be a standard for all law students Boston Globe In this groundbreaking powerfully reasoned lucid work that is certain to provoke controversy Harvard law professor Randall Kennedy takes on a highly complex issue in a way that no one has before Kennedy uncovers the long standing failure of the justice system to protect blacks from criminals probing allegations that blacks are victimized on a widespread basis by racially discriminatory prosecutions and punishments but he also engages the debate over the wisdom and legality of using racial criteria in jury selection He analyzes the responses of the legal system to accusations that appeals to racial prejudice have rendered trials unfair and examines the idea that under certain circumstances members of one race are statistically more likely to be involved in crime than members of another

Race, Crime, and Policing in the Jim Crow South Brandon T. Jett, 2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement's use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their

encounters with law enforcement Brandon T Jett's *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement's seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the relationship between the police and minorities in the United States
