George Blaustein

Random Recollections Of An Anachronism:

Random recollections of an anachronism Keyes DeWitt Metcalf, 1980 Random Recollections of an anachronism or seventy-five years of library work. [Mit Abb. u. Portr.] [1.] Keyes DeWitt Metcalf, 1980 Random Recollections of an Anachronism Keyes DeWitt Metcalf, 1980 **The Random Recollections of a Commercial Traveller**, 1909 Thieves of Book Row Travis McDade, 2015-08-06 In *Thieves of Book Row* Travis McDade tells the gripping tale of the worst book theft ring in American history and the intrepid detective who brought it down Both a fast paced true life thriller *Thieves of Book Row* provides a fascinating look at the history of crime and literary culture *Nightmare Envy and Other Stories* George Blaustein, 2018-01-05 What has it meant to be an Americanist What did it mean to be an Americanist through fascism war and occupation *Nightmare Envy and Other Stories* is a study of Americanist writing and institutions in the 20th century Four chapters trace four routes through the mid twentieth century The first chapter is the hidden history of American Studies in the United States Europe and Japan The second is the strange career of national character in anthropology The third is a contest between military occupation and cultural diplomacy in Europe The fourth is the emergence and fate of the American Renaissance as the scholar and literary critic F O Matthiessen carried a canon of radical literature across the Iron Curtain Each chapter culminates in the postwar period when the ruin of postwar Europe led writers and intellectuals on both sides of the Atlantic to understand America in new ways Many of our modern myths of the United States and Europe were formed in this moment Some saw the United States assume the mantle of cultural redeemer Others saw a stereotypical America rich in civilization but poor in culture overtake a stereotypical Europe rich in culture and equally rich in disaster Drawing on American and European archives the book weaves cultural intellectual and diplomatic history with portraits of Matthiessen Margaret Mead Ruth Benedict David Riesman Alfred Kazin and Ralph Ellison It excavates the history of the Salzburg Seminar in American Civilization where displaced persons former Nazis budding Communists and glad handing Americans met on the common ground of American culture Others found keys to their own contexts in American books reading Moby Dick in the ruins *Nightmare Envy and Other Stories* chronicles American encounters with European disaster European encounters with American fiction and the chasms over which culture had to reach Life of Henry David Thoreau Henry S. Salt, 1993 Henry Salt abandoned his mastership at Eton in the 1880s to devote himself to causes including vegetarianism socialism animals rights conservation and prison reform He remained a literary critic of distinction publishing in 1890 the initial version of Thoreau s *Life* With the help of American friends he revised the book and published it anew in 1896 This third version never before published gives us Salt s final reading of Thoreau based on important works published up to 1908 including Thoreau s complete *Journal* Combining a concise narrative of Thoreau s life with a perceptive treatment of his ideas and writings it stands as a penetrating study of Thoreau stressing his distinctive individuality Through analysis of the text and a concise biography the editors illustrate Salt s growth as a scholar and his changing views on Thoreau and Thoreau s

philosophy The introduction details Salt's significant stylistic improvements to the 1908 edition as well as the inclusion of anecdotes and facts gathered from Samuel Arthur Jones F B Sanborn Ernest W Vickers Raymond Adams Fred Hosmer and Gandhi This volume is made complete with Salt's updated bibliography and an index by the editors It will appeal to scholars of Thoreau and to readers interested in Thoreau American Transcendentalism or American literature The Protection of the Library and Archive Martin Howard Sable, 1984 This comprehensive international bibliography spanning the years 1830 1983 covers over a dozen areas of concern to librarians and archivists including earthquakes fire flood and water damage warfare vandalism and much more For all individuals and institutions concerned with the protection of their collections this bibliography is an excellent source of information **Patience and Fortitude** Scott Sherman, 2017-09-26 A riveting investigation of a beloved library caught in the crosshairs of real estate power and the people's interests by the reporter who broke the story In a series of cover stories for The Nation magazine journalist Scott Sherman uncovered the ways in which Wall Street logic almost took down one of New York City's most beloved and iconic institutions the New York Public Library In the years preceding the 2008 financial crisis the library's leaders forged an audacious plan to sell off multiple branch libraries mutilate a historic building and send millions of books to a storage facility in New Jersey Scholars researchers and readers would be out of luck but real estate developers and New York's Mayor Bloomberg would get what they wanted But when the story broke the people fought back as famous writers professors and citizens groups came together to defend a national treasure Rich with revealing interviews with key figures Patience and Fortitude is at once a hugely readable history of the library's secret plans and a stirring account of a rare triumph against the forces of money and power The New Woman as Librarian Clare Beck, 2006-08-31 At the time of her death it seemed that Adelaide Hasse would simply pass from memory and be forgotten However by the turn of the century American Libraries would sanctify her as one of its hundred library leaders of the twentieth century one of only thirty women given this honor Thus the unsinkable Adelaide Hasse has risen to the status of a giant of the profession and has been established as a sort of patron saint of documents librarians The Government Printing Office even named a room in her honor in 1985 Though much of her career has remained obscure Hasse did leave records that could provide a more balanced understanding of her life and work Besides the extensive print record in periodicals and The Compensations of Librarianship there were the long submerged archival records awaiting discovery in the New York Public Library Archives the Library of Congress the National Archives and the files of the FBI as well as in the papers of various contemporaries Hasse spoke and wrote about issues that are as relevant today as they were a century ago How should librarians be recruited and educated What is the nature of their professional expertise How do libraries function as organizations What services do they provide How do they provide access to government information What are the dynamics of a feminized profession Hasse tried to stir such discussion but her ideas were often submerged in allegations that she was a difficult disloyal woman This biography brings to light Hasse's achievements setting aside enigmas

of personality and examines the impact of her work her values and her experience in a gendered system *Catalogue of Irish Manuscripts in Houghton Library, Harvard University* Cornelius G. Buttner,2022-01-15 The first full account of North America's largest collection of traditional Irish language manuscripts Harvard University has the largest collection of Irish language codices in North America held in Houghton Library its rare book repository The manuscripts are a part of the age old heritage of Irish book production dating to the early Middle Ages Handwritten works in Houghton contain versions of medieval poetry and sagas recopied in the eighteenth and nineteenth centuries to which period most of the library's documents belong Contemporary writings from that time as well as ones by the post Famine Irish immigrant community in the United States are included This catalogue describes the collection in full for the first time and will be an invaluable aid to research on Irish and Irish American cultural and literary output The author's introduction examines how the collection was formed This untold story is an important chapter in America's intellectual history reflecting a phase of unprecedented expansion in Harvard University's scholarship and teaching during the early twentieth century when the institution's program of studies began to accommodate an increasing range of European languages and literatures and their sources This indispensable guide to a major repository's records of the Irish past and of America's Irish diaspora will interest specialists in early and post medieval codices It should prove of relevance as well to scholars and students of comparative literature cultural studies and Irish and Irish American history **Protecting Your Collection** Slade Richard Gandert,Peter Gellatly,2018-10-24 Here is a practical volume that focuses on the major security problems for libraries archives and museums Written by a respected librarian and security consultant Protecting Your Collection provides provides a thorough review of the procedures for protecting library art and archival collections against losses from theft fire flooding and mutilation Author Slade Gandert includes fascinating interviews with librarians rare book dealers archivists detectives and security professionals to find out who steals from institutional collections how they do it and why they do it Each chapter features case studies of intriguing security leaks in the institutional system and describes their outcome This important book is beneficial reading for library staff and administrators Supplement to the Dictionary of American Library Biography Wayne A. Wiegand,1990-09-15 This work records the accomplishments of the leaders of library science with 51 thoroughly researched biographies of individuals whose contributions have profoundly influenced the profession's history The biographical sketches ranging in length from 1 400 to 4 000 words were researched written and reviewed by noted authorities in the library and information science community *Double Fold* Nicholson Baker,2002-08-13 The ostensible purpose of a library is to preserve the printed word But for fifty years our country's libraries including the Library of Congress have been doing just the opposite destroying hundreds of thousands of historic newspapers and replacing them with microfilm copies that are difficult to read lack all the color and quality of the original paper and illustrations and deteriorate with age With meticulous detective work and Baker's well known explanatory power Double Fold reveals a secret

history of microfilm lobbyists former CIA agents and warehouses where priceless archives are destroyed with a machine called a guillotine Baker argues passionately for preservation even cashing in his own retirement account to save one important archive all twenty tons of it Written the brilliant narrative style that Nicholson Baker fans have come to expect Double Fold is a persuasive and often devastating book that may turn out to be The Jungle of the American library system

The Library Quarterly ,1985 Includes section Reviews Geoffrey Alley, Librarian W. J. McEldowney,2006 Publisher description **Constructing Black Education at Oberlin College** Roland M. Baumann,2014-07-31 In 1835 Oberlin became the first institute of higher education to make a cause of racial egalitarianism when it decided to educate students irrespective of color Yet the visionary college s implementation of this admissions policy was uneven In Constructing Black Education at Oberlin College A Documentary History Roland M Baumann presents a comprehensive documentary history of the education of African American students at Oberlin College Following the Reconstruction era Oberlin College mirrored the rest of society as it reduced its commitment to black students by treating them as less than equals of their white counterparts By the middle of the twentieth century black and white student activists partially reclaimed the Oberlin legacy by refusing to be defined by race Generations of Oberlin students plus a minority of faculty and staff rekindled the college s commitment to racial equality by 1970 In time black separatism in its many forms replaced the integrationist ethic on campus as African Americans sought to chart their own destiny and advance curricular change Oberlin s is not a story of unbroken progress but rather of irony of contradictions and integrity of myth and reality and of imperfections Baumann takes readers directly to the original sources by including thirty complete documents from the Oberlin College Archives This richly illustrated volume is an important contribution to the college s 175th anniversary celebration of its distinguished history for it convincingly documents how Oberlin wrestled over the meaning of race and the destiny of black people in American society

A True Politician Barry W. Seaver,2014-11-18 Rebecca Browning Rankin was a politician in the best sense of the word She supervised the New York Municipal Reference Library for 32 years until her retirement in 1952 Serving in many key policy making positions both on mayoral committees and in professional organizations Rankin was an excellent lobbyist for the role of information in educating the electorate She published over fifty articles and books on aspects of city government and libraries and delivered weekly radio speeches on WNYC from 1928 to 1938 Her career as a librarian author and radio commentator demonstrates the use of research in the formation of public policy decisions and provides a unique perspective on politics in New York Rankin also served as president of several library organizations including the Special Libraries Association which she led to national status during her tenure During the Depression she established the Association s employment service and worked with Mayor Fiorello La Guardia and other library officials to provide pensions for public librarians in New York City Rankin and La Guardia shared the belief that government should carry out the will of the people and care for their needs and the two worked together to make this a reality Quotations from primary sources in the archives

of the New York Public Library and the City of New York give the book a strong narrative style Focusing on Rankin s efforts to document New York City s past as its unofficial historian the book examines the city s political history during the first half of the twentieth century and illuminates the relationship of the local government with one of its great cultural institutions the New York Public Library Slavic and Russian Books and Libraries Edward Kasinec,Robert H. Davis,Robert H. Davis (Jr.),2007 **Solanus** ,2001

Random Recollections Of An Anachronism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Random Recollections Of An Anachronism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Random Recollections Of An Anachronism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Random Recollections Of An Anachronism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
