Teaching Creative Writing in Asia Darryl Whetter, 2021-08-26 This book examines the dynamic landscape of creative educations in Asia exploring the intersection of post coloniality translation and creative educations in one of the world s most relevant testing grounds for STEM versus STEAM educational debates Several essays attend to one of today s most pressing issues in Creative Writing education and education generally the convergence of the former educational revolution of Creative Writing in the anglophone world with a defining aspect of the 21st century the shift from monolingual to multilingual writers and learners The essays look at examples from across Asia with specific experience from India Singapore China Hong Kong the Philippines and Taiwan Each of the 14 writer professor contributors has taught Creative Writing substantially in Asia often creating and directing the first university Creative Writing programs there This book will be of interest to anyone following global trends within creative writing and those with an interest in education and multilingualism in Asia

Teaching Cultural Dexterity in Creative Writing Micah McCrary, 2023-04-20 Aimed toward graduate student instructors and other creative writing educators Teaching Cultural Dexterity in Creative Writing offers a formula for important changes in creative writing instruction especially in literary creative nonfiction probing how instruction might become more inclusive and accessible for minoritized marginalized student authors The book chapters use antiracist trauma informed and anticolonial frameworks toward exploring the 21st century professional theoretical and institutional concerns surrounding creative writing practices in North American higher education As a result the book explores ways creative

writing pedagogies and theories might be adapted for racially and linguistically marginalized by English student authors who often inhabit minoritized positions within North American colleges and universities Applying as a frame the notion of cultural dexterity as it is taught to medical professionals to allow them to engage effectively with patients from all backgrounds ethnics groups and with all sensitivities Teaching Cultural Dexterity in Creative Writing examines why and how creative writing instruction needs to be urgently renegotiated In this essential text for all creative writing instructors McCray provides all the tools necessary to take positive action with discussions of potential readings writing prompts and sample course materials

Creative Composition Danita Berg, Lori A. May, 2015-05-01 For decades theorists have opined that the lines between creative writing and composition need to be lifted yet little has been written about the pedagogical methods that allow a cohesive approach between the disciplines This book brings together contemporary authors and well respected creative writing instructors and theorists to explore ways creativity in composition may be encouraged in student writers The question in this anthology is not Can writing be taught but How can we inspire students to embrace the creative process no matter what they write This book offers multiple strategies to merge the best practices of teaching writing regardless of the genre

The Place and the Writer Marshall Moore, Sam Meekings, 2021-04-08 The combined experience of authors throughout the ages offers a wealth of valuable information about the practice of creative writing However such lore can also be problematic for students and practitioners as it can be inherently additive making it difficult to abandon processes that do not work This adherence to lore also tends to be a US centric endeavor In order to take a nuanced approach to the uses and limitations of lore The Place and the Writer offers a global perspective on creative writing pedagogy that has yet to be fully explored Featuring a diverse array of cultural viewpoints from Brazil to Hong Kong Finland to South Africa this book explores the ongoing international debate about the best approaches for teaching and practicing creative writing Marshall Moore and Sam Meekings challenge areas of perceived wisdom that persist in the field of creative writing including aesthetics and politics in institutionalized creative writing the process of workshopping tuition and talent anxiety in the classroom unifying theory and lore and teaching creative writing in languages other than English

Does the Writing Workshop Still Work? Dianne Donnelly, 2010-05-28 This book explores the effectiveness of the workshop in the Creative Writing classroom and looks beyond the question of whether or not the workshop works to address the issue of what an altered pedagogical model might look like In visualising what else is possible in the workshop space the sixteen chapters collected in Does the Writing Workshop Still Work cover a range of theoretical and pedagogical topics and explore the inner workings and conflicts of the workshop model The needs of a growing and diverse student population are central to the chapter authors consideration of non normative pedagogies The book is a must read for all teachers of Creative Writing as well as for researchers in Creative Writing Studies

Changing Creative Writing in America Graeme Harper, 2017-10-11 In this compelling collection of essays contributors critically examine Creative Writing in American Higher Education

Considering Creative Writing teaching learning and knowledge the book recognizes historical strengths and weaknesses The authors cover topics ranging from the relationship between Creative Writing and Composition and Literary Studies to what it means to write and be a creative writer from new technologies and neuroscience to the nature of written language from job prospects and graduate study to the values of creativity from moments of teaching to persuasive ideas and theories from interdisciplinary studies to the qualifications needed to teach Creative Writing in contemporary Higher Education Most of all it explores the possibilities for the future of Creative Writing as an academic subject in America **The Program Era** Mark

McGurl,2011-11-30 McGurl offers a fundamental reinterpretation of postwar American fiction asserting that it can be properly understood only in relation to the rise of mass higher education and the creative writing program The Program Era will be at the center of debates about postwar literature and culture for years to come **(Re)Writing Craft** Tim

Mayers,2005-06-10 Re Writing Craft focuses on the gap that exists in many English departments between creative writers and compositionists on one hand and literary scholars on the other in an effort to radically transform the way English studies are organized and practiced today In proposing a new form of writing he calls craft criticism Mayers himself a compositionist and creative writer explores the connections between creative writing and composition studies programs which currently exist as separate fields within the larger and more amorphous field of English studies If creative writing and composition studies are brought together in productive dialogue they can in his view succeed in inverting the common hierarchy in English departments that privileges interpretation of literature over the teaching of writing **Creative Writing and the**

New Humanities Paul Dawson,2004-08-02 This book examines the institutional history and disciplinary future of creative writing in the contemporary academy looking well beyond the perennial questions can writing be taught and should writing be taught Paul Dawson traces the emergence of creative writing alongside the new criticism in American universities examines the writing workshop in relation to theories of creativity and literary criticism and analyzes the evolution of creative writing pedagogy alongside and in response to the rise of theory in America England and Australia Dawson argues that the discipline of creative writing developed as a series of pedagogic responses to the long standing crisis in literary studies His polemical account provides a fresh perspective on the importance of creative writing to the emergence of the new humanities and makes a major contribution to current debates about the role of the writer as public intellectual
