Greco Roman rhetorical theorists insist that speakers must adapt their speeches to their audiences in order to maximize persuasiveness and minimize alienation Ancient historians adorn their narratives with accounts of attempts at such rhetorical adaptation the outcomes of which decisively impact the subsequent course of events These depictions of speaker audience interactions moreover convey crucial didactic persuasive insights to the historians own audiences This monograph presents a detailed comparative analysis of the intra and extra textual functions of speeches and audience responses in Greek historiography Josephus and Acts with special emphasis on Luke s distinctive depiction of the apostles as adaptable yet frequently alienating orators This is volume I of a set of two volumes *The History of Rhetoric and the Rhetoric of History* Nancy S. Struever,2023-05-31 In the articles collected here Nancy Struever explores the basic assumption that rhetoric is not simply a bag of persuasive tricks but functions necessarily as a mode of inquiry investigating not simply the mechanics of production and reception of discourse but the psychological factors of reason and passion engaged by the assertion modification and contest of beliefs and dispositions of the civil communities The first section looks both at contemporary historians employing rhetorical constructs and tactics and at contemporary accounts of the employment of rhetorical pedagogical material and theoretical texts in medieval and Renaissance cultural practices The second set of articles considers change and continuity in the rhetorical exploitation s of genre forms in cultural programs focuses on the strong reorientation of Classical forms of moral inquiry on the ingenious use of the proverb of etymology of the exemplum as well as on the changes in strategies in the theater the novel and art criticism The final section deals with the strong historical interconnections of rhetoric with other disciplines the motives and investigative tactics of medicine and rhetoric in the Renaissance and Early Modernity and the shared interests and interwoven careers of rhetoric and law **The Rhetoric of Western Thought** James L. Golden,2003 *The Handbook of Communication History* Peter Simonson,Janice Peck,Robert T Craig,John Jackson,2013-01-03 The Handbook of Communication History addresses central ideas social practices and media of communication as they have developed across time cultures and world geographical regions It attends to both the varieties of communication in world history and the historical investigation of those forms in communication and media studies The Handbook editors view communication as encompassing patterns processes and performances of social interaction symbolic production material exchange institutional formation social praxis and discourse As such the history of communication cuts across social cultural intellectual political technological institutional and economic history The volume examines the history of communication history the history of ideas of communication the history of communication media and the history of the field of communication Readers will explore the history of the object under consideration relevant practices media and ideas review its manifestations in different regions and cultures comparative dimensions and orient toward current thinking and historical research on the topic current state of the field As a whole the volume gathers disparate strands of communication

history into one volume offering an accessible and panoramic view of the development of communication over time and geographical places and providing a catalyst to further work in communication history **A Short History of Writing**

Instruction James J. Murphy, 2012-05-04 Short enough to be synoptic yet long enough to be usefully detailed A Short History of Writing Instruction is the ideal text for undergraduate courses and graduate seminars in rhetoric and composition It preserves the legacy of writing instruction from antiquity to contemporary times with a unique focus on the material educational and institutional context of the Western rhetorical tradition Its longitudinal approach enables students to track the recurrence over time of not only specific teaching methods but also major issues such as social purpose writing as power the effect of technologies the rise of vernaculars and writing as a force for democratization The collection is rich in scholarship and critical perspectives which is made accessible through the robust list of pedagogical tools included such as the Key Concepts listed at the beginning of each chapter and the Glossary of Key Terms and Bibliography for Further Study provided at the end of the text Further additions include increased attention to orthography or the physical aspects of the writing process new material on high school instruction sections on writing in the electronic age and increased coverage of women rhetoricians and writing instruction of women A new chapter on writing instruction in Late Medieval Europe was also added to augment coverage of the Middle Ages fill the gap in students knowledge of the period and present instructional methods that can be easily reproduced in the modern classroom **Sea Voyages and Beyond** Vernon K.
