STEPS TO REBUILD AFTER A MIDLIFE AFFAIR

SEEK COUNSELING

Both partners need counseling to understand why it happened and how to move forward.

FOCUS ON REBUILDING TRUST

Trust is the foundation of a healthy relationship. An affair breaks trust, so the focus should be on rebuilding.

PRACTICE OPEN COMMUNICATION

Talking about what happened is a big part of the healing process. This is part of the accountability process.

RESPECT EACH OTHERS FEELINGS

Taking the time to understand each other's emotions can also help couples move forward together in a healthy way.

FORGIVE AND LET GO

This can only happen once the wounds are healed. But it must happen for the marriage to work.

getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health
