Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns, books about outlaws, sheriffs, chiefs, and warriors, cowboys and Indians, are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L. Amour and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. *Soulstice* Lance Dow, Keana Texeira, 2012-03-11 *LUNA'S DREAM* is the first installment in the thrilling teen romance and action-packed saga between 15-year-old vampire and social outsider Luna Tremaine and 16-year-old closet introvert turned star quarterback Paul James. Freedom of religion, cultural and religious tolerance, and issues of self-esteem pervade the case as, through the litigation, all parties involved come to learn more about the other and themselves, all of which help the attorney and his family appreciate their connection to each other and God. Inspired by a real-life court case award-winning trial attorney Michael Schwartz's *Sacreds* is not only courtroom drama but also a character study of the common ground we all walk on as human beings, as well as the differences we can and should appreciate and revel in, and how there really are no coincidences in this world.
