

A festive poster for Guy Fawkes Day. On the left, a cartoon illustration of Guy Fawkes, a man with a long brown beard and a black hat with a red band, stands on a bonfire of logs. He is wearing a black robe with a white collar and has his arms outstretched. The background is a night scene of London, featuring the Houses of Parliament and the illuminated Big Ben clock tower. The sky is filled with colorful fireworks in shades of red, purple, and blue. On the right, the text 'GUY FAWKES DAY' is written in a large, bold, black font inside a white oval with a purple border. Below this, the date '5th November' is written in a black font inside a white rectangular box with a purple border.

Remember Remember A Cultural History Of Guy Fawkes Day:

Remember, Remember J. A. Sharpe, 2005 Bonfire Night observed annually to memorialize the Gunpowder Plot is one of England's most festive occasions Why has the memory of this act of treason and terrorism persisted for 400 years Sharpe unravels the web of religion and politics that gave rise to the plot and wittily shows how celebration of that night has changed over the centuries

Anti-Catholicism in America, 1620-1860 Maura Jane Farrelly, 2018 Farrelly uses America's early history of anti-Catholicism to reveal contemporary American understandings of freedom government God the individual and the community

Dressing Up Verity Wilson, 2022-08-04 Featuring many exquisite historical photographs a celebration of the sometimes extravagant sometimes bizarre pastime playing dress up Pierrot Little Bo Peep cowboy these characters and many more form part of this colorful story of dressing up from the accession of Queen Victoria to the coronation of Queen Elizabeth II During this time fancy dress became a regular part of people's social lives and the craze for it spread across Britain and the Empire reaching every level of society Spectacular and witty costumes appeared at suburban street carnivals victory celebrations fire festivals missionary bazaars and the extravagant balls of the wealthy From the Victorian middle classes performing living statues to squads of Shetland men donning traditional fancy dress and setting fire to a Viking ship at the annual Up Helly Aa celebration this lavishly illustrated book provides a unique view into the quirky wonderful world of fancy dress

Fireworks Simon Werrett, 2010-05 Fireworks are synonymous with celebration in the twenty-first century But pyrotechnics in the form of rockets crackers wheels and bombs have exploded in sparks and noise to delight audiences in Europe ever since the Renaissance Here Simon Werrett shows that far from being only a means of entertainment fireworks helped foster advances in natural philosophy chemistry mathematics and many other branches of the sciences Fireworks brings to vibrant life the many artful practices of pyrotechnicians as well as the elegant compositions of the architects poets painters and musicians they inspired At the same time it uncovers the dynamic relationships that developed between the many artists and scientists who produced pyrotechnics In so doing the book demonstrates the critical role that pyrotechnics played in the development of physics astronomy chemistry and physiology meteorology and electrical science Richly illustrated and drawing on a wide range of new sources Fireworks takes readers back to a world where pyrotechnics were both divine and magical and reveals for the first time their vital contribution to the modernization of European ideas

Shakespeare, Catholicism, and the Middle Ages Alfred Thomas, 2018-06-18 Whereas traditional scholarship assumed that William Shakespeare used the medieval past as a negative foil to legitimate the present Shakespeare Catholicism and the Middle Ages offers a revisionist perspective arguing that the playwright valorizes the Middle Ages in order to critique the oppressive nature of the Tudor Stuart state In examining Shakespeare's Richard II The Merchant of Venice Hamlet King Lear Macbeth and The Winter's Tale the text explores how Shakespeare repossessed the medieval past to articulate political and religious dissent By comparing these and other plays by Shakespeare's

contemporaries with their medieval analogues Alfred Thomas argues that Shakespeare was an ecumenical writer concerned with promoting tolerance in a highly intolerant and partisan age **Dr. Livingstone, I Presume?** Clare Pettitt, 2007 Drawing on films children's books games songs cartoons and TV shows this book reveals the many ways our culture has remembered Henry Morton Stanley's iconic phrase while tracking the birth of an Anglo American Christian imperialism that still sets the world agenda today **The Death of Socrates** Emily R. Wilson, 2007 Socrates's death in 399 BCE has figured largely in our world shaping how we think about heroism and celebrity religion and family life state control and individual freedom many of the key coordinates of Western culture Wilson analyzes the enormous and enduring power the trial and death of Socrates has exerted over the Western imagination *Dreaming the English Renaissance* C. Levin, 2008-10-13 Dreaming the English Renaissance examines ideas about dreams actual dreams people had and recorded and the many ways dreams were used in the culture and politics of the Tudor Stuart age in order to provide a window into the mental life and the most profound beliefs of people of the time *Bearing Witness While Black* Allissa V. Richardson, 2020-05-18 Modern black citizen journalists armed with little more than smartphones and a speedy WIFI connection are challenging longstanding narratives of race power and privilege in the United States This book investigates how anti police brutality activists leverage the affordances of mobile and social media to report original news within the contemporary social justice beat Through semi structured interviews and a descriptive analysis of the activists social media Allissa V Richardson investigates the journalistic roles that activists perform the types of stories that they produce and the relationships that they have formed with their audiences **Civilizing Torture** W. Fitzhugh Brundage, 2020-03-10 Pulitzer Prize Finalist Silver Gavel Award Finalist A sobering history of how American communities and institutions have relied on torture in various forms since before the United States was founded Los Angeles Times That Americans as a people and a nation state are violent is indisputable That we are also torturers domestically and internationally is not so well established The myth that we are not torturers will persist but Civilizing Torture will remain a powerful antidote in confronting it Lawrence Wilkerson former Chief of Staff to Secretary of State Colin Powell Remarkable A searing analysis of America's past that helps make sense of its bewildering present David Garland author of Peculiar Institution Most Americans believe that a civilized state does not torture but that belief has repeatedly been challenged in moments of crisis at home and abroad From the Indian wars to Vietnam from police interrogation to the War on Terror US institutions have proven far more amenable to torture than the nation's commitment to liberty would suggest Civilizing Torture traces the history of debates about the efficacy of torture and reveals a recurring struggle to decide what limits to impose on the power of the state At a time of escalating rhetoric aimed at cleansing the nation of the undeserving and an erosion of limits on military power the debate over torture remains critical and unresolved **So Help Me God** Forrest Church, 2008-09-08 The author of The American Creed tells the story of our nation's historical encounters with God and culture Peter J Gomes New York Times bestselling author Today's dispute over the line between

church and state or the lack thereof is neither the first nor the fiercest in our history In a revelatory look at our nation's birth Forrest Church recreates our first great culture war a tumultuous nearly forgotten conflict that raged from George Washington's presidency to James Monroe's Religion was the most divisive issue in the nation's early presidential elections Battles raged over numerous issues while the bible and the Declaration of Independence competed for American affections The religious political wars reached a vicious peak during the War of 1812 the American victory drove New England's Christian right to withdraw from electoral politics thereby shaping our modern sense of church state separation No longer entangled both church and state flourished Forrest Church has written a rich page turning history a new vision of our earliest presidents beliefs that stands as a reminder and a warning for America today An illuminating study of the great tangle of our time If we look back to our early years we may well find a way forward Jon Meacham 1 New York Times bestselling author of *His Truth is Marching On* In this beautifully crafted and timely work the aptly named Church takes us through the complex thoughts and actions of the nation's founders in a way that will give pause to most readers This is an important work that delights and informs Publishers Weekly starred review *Dublin 1916* Clair Wills,2009 On Easter Monday 1916 a disciplined group of Irish Volunteers seized the city's General Post Office in what would become the defining act of rebellion against British rule This book unravels the events in and around the GPO during the Easter Rising of 1916 revealing the twists and turns that the myth of the GPO has undergone in the last century *Et Tu, Brute?* Greg Woolf,2007 Then fall Caesar Talking tyrannicide Caesar's murdered heirs Aftershocks *Reform Acts* Chris Vanden Bossche,2014-02 How Victorian novels imagined the idea of social agency Reform Acts offers a new approach to prominent questions raised in recent studies of the novel By examining social agency from a historical rather than theoretical perspective Chris R Vanden Bossche investigates how particular assumptions involving agency came into being Through readings of both canonical and noncanonical Victorian literature he demonstrates that the Victorian tension between reform and revolution framed conceptions of agency in ways that persist in our own time Vanden Bossche argues that Victorian novels sought to imagine new forms of social agency evolving from Chartism the dominant working class movement of the time Novelists envisioned alternative forms of social agency by employing contemporary discourses from Chartism's focus on suffrage as well as the means through which it sought to obtain it such as moral versus physical force land reform and the cooperative movement Each of the three parts of Reform Acts begins with a chapter that analyzes contemporary conversations and debates about social agency in the press and in political debate Succeeding chapters examine how novels envision ways of effecting social change for example class alliance in *Barnaby Rudge* landed estates as well as finely graded hierarchy and politicians in *Coningsby* and *Sybil* and reforming trade unionism in *Mary Barton* and *North and South* By including novels written from a range of political perspectives Vanden Bossche discovers patterns in Victorian thinking that are easily recognized in today's assumptions about social hierarchy *Poets, Players, and Preachers* Anne James,2016-08-12 On the night of November 4th

1605 the English authorities uncovered an alleged plot by a group of discontented Catholics to blow up the Houses of Parliament with the lords princes queen and king in attendance The failure of the plot is celebrated to this day and is known as Guy Fawkes Day In Poets Players and Preachers Anne James explores the literary responses to the discovery of the Gunpowder Plot in poetry drama and sermons This book is the first full length study of the literary repercussions of the conspiracy By analyzing the genres of poems plays and sermons produced between 1605 and 1688 the author argues that not only did the continuous reinterpretation of the conspiracy serve religious and political purposes but that such literary reinterpretations produced generic changes

Rituals and Traditional Events in the Modern World Jennifer Laing, Warwick Frost, 2014-10-30 Many events have evolved over centuries drawing on local customs and conditions However as the world becomes increasingly globalised traditional events and the identities they support are increasingly being challenged and rituals may be lost Reacting against this trend towards homogeneity communities strive to preserve and even recreate their traditional events which may require rituals to be resurrected or reinvented for a new audience The aim of this book is to explore the role of traditional events and rituals in the modern world The 16 chapters cover a range of case studies of the performance of ritual through events including their historical antecedents and development over time as well as their role in society link with identities both seemingly fixed and fluid and their continued relevance The cases examined are not museum pieces but rather vibrant festivals and events that continue to persist Drawing on the power of history and cultural tradition they are manifestations of heritage existing in three temporalities celebrating the past occurring in the present and aiming to continue into and influence the future Iconic events including Chinese New Year Hogmanay and the New Orleans Mardi Gras are examined and examples are drawn from a diverse range of countries such as South Korea China Laos the United States Scotland Italy India and Haiti This volume provides a deep understanding upon the role of tradition and ritual within events from a global perspective and will be valuable reading for students researchers and academics interested in events heritage and culture

Positive Tourism Sebastian Filep, Jennifer Laing, Mihaly Csikszentmihalyi, 2016-10-04 Tourism affects millions of individuals numerous societies and environments in multiple nuanced and overlapping ways While it can be viewed as a frivolous leisure pursuit or simply a large industry with potentially destructive impacts it might also be understood in terms of its effects on human fulfilment the good life and greater well being This book calls for positive tourism principally grounded in theories from positive psychology the study of what makes life worth living and the development of a body of knowledge that explains what characterises optimal tourist experiences what enables host communities to flourish and what encourages workers in tourism to thrive Through original research studies reported in this international volume we aim to further develop this knowledge The intersections between ongoing and traditionally inspired applications of psychology in tourism and this new thrust in psychological inquiry promise to refresh and challenge tourism research This book will appeal to researchers and academics in tourism leisure positive psychology management and related fields as well

as graduate students professionals and policy makers *Religion, Race, Rights* Eve Darian-Smith, 2010-05-20 The book highlights the interconnections between three framing concepts in the development of modern western law religion race and rights The author challenges the assumption that law is an objective rational and secular enterprise by showing that the rule of law is historically grounded and linked to the particularities of Christian morality the forces of capitalism dependent upon exploitation of minorities and specific conceptions of individualism that surfaced with the Reformation in the sixteenth century and rapidly developed in the Enlightenment in the seventeenth and eighteenth centuries Drawing upon landmark legal decisions and historical events the book emphasises that justice is not blind because our concept of justice changes over time and is linked to economic power social values and moral sensibilities that are neither universal nor apolitical Highlighting the historical interconnections between religion race and rights aids our understanding of contemporary socio legal issues In the twenty first century the economic might of the USA and the west often leads to a myopic vision of law and a belief in its universal application This ignores the cultural specificity of western legal concepts and prevents us from appreciating that analogous to previous colonial periods in a global political economy Anglo American law is not always transportable transferable or translatable across political landscapes and religious communities *The Civilianization of War* Andrew Barros, Martin Thomas, 2018-08-09 Why are civilian populations targeted in modern wars despite laws and ethical claims insisting on civilian protections This book offers answers *Imagining the American West through Film and Tourism* Warwick Frost, Jennifer Laing, 2015-06-05 The West is one of the strongest and most enduring place images in the world and its myth is firmly rooted in popular culture whether novels film television music clothing and even video games The West combines myth and history rugged natural scenery and wide open spaces popular culture and promises of transformation These imagined places draw in tourists attracted by a cultural heritage that is part fictional and mediated In turn tourism operators and destination marketing organisations refashion what they present to fit these imagined images This book explores this imagining of a mythic West through three key themes travel film and frontiers to offer new insight into how the imagination of the West and popular culture has influenced the construction of tourism In doing so it examines the series of paradoxes that underlie the basic appeal of the West evocative frontier a boundary zone between civilisation and wilderness and between order and lawlessness It draws on a range of films and literature as well as varying places from festivals to national parks to showcase different aspects of the nexus between travel film and frontiers in this fascinating region Interdisciplinary in character it includes perspectives from cultural studies American studies tourism and film studies Written by leading academics this title will be valuable reading for students researchers and academics in the fields of cultural studies tourism film studies and media studies and all those interested in film tourism
