Remembrance Of Mother Words To Heal The Heart:

Remembrance of Mother Jonathon Lazear, 1994-05-06 When a mother dies those she leaves behind are filled with sorrow but what is sometimes overlooked is remembering and celebrating her legacy Remembrance of Mother is a moving and thoughtful collection of perspective on mothers and the vital influence they have on the past present and future of their children In remembering there can be joy and peace A son or daughter of any age can miss a mother's presence not just immediately following her death but at any time of sadness or celebration A book of comfort and support Remembrance of Mother is gentle reminder that although she is no longer here physically she lives on in the heart **In the Letting Go**

Jonathon Lazear, 2006-03-01 A mother is she who can take the place of all others but whose place no one else can take Cardinal Mermillod When a mother dies often the center of the family is gone The holiday rituals the special birthday celebrations for children and grandchildren the memories are often held by the mother A mother is a caretaker a best friend a source of sage like wisdom Losing her can be a traumatic experience In the Letting Go is not a guide through the stages of grief Instead it acts as a place of refuge for your memories and emotions It is a space where you are invited to discover solace through the experiences and feelings of others simple or profound A collection of quotations poems ancient proverbs and stories from the likes of Winston Churchill Madeleine L Engle and Jonathon Lazear himself this book acts as a companion to your grief whenever and wherever you might need it **Empty Pillows: Healing Matters of the Heart** Michael

Taylor, 2022-06-20 Empty Pillows Healing Matters of the Heart Trilogy I Empty Pillows series is about Men and Women looking at the choices they make when it comes to relationships Empty Pillows is not about pointing fingers at one's love interest but rather looking at one's own decision making skills Empty Pillows focuses on why we allow bad people into our lives and blame them when the relationship goes bad Empty Pillows helps people to look strongly at themselves Readers have summed up Empty Pillows to be a therapeutic book a self help book an introspective book a thought provoking book a step by step book not a man bashing or a woman bashing book Additionally Empty Pillows is about being the right individual for the right individual No man or woman can be the right one for the wrong person If he or she is wrong for you then you are wrong for them too American Book Publishing Record ,2006 The Evelyn Protocol: Her Mother's Twisted Experiment
