**An Introduction to the Theology of Religions** Veli-Matti Kärkkäinen, 2009-08-20 How does Christianity relate to other religions Beginning with a consideration of the biblical perspective Veli Matti Kärkkäinen offers a detailed and comprehensive survey of the diverse explanations proposed by teachers of the church down through the ages This indispensable guide is for anyone seeking to grasp Christianity's relationship to world religions      **Seeking the Asian Face of Jesus** Chris

Sugden, 1997      **National Council of Churches Review**, 1994      **Church Transfusion** Neil Cole, Phil Helfer, 2012-09-19 Just as our life is in our blood the life for Christ's body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn't enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of Organic Church Church Transfusion and Journeys to Significance and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadership shifts necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn't die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don't be satisfied with less      **Risking Christ for Christ's Sake** Madathilparampil M. Thomas,      **Evangelical Review of Theology, Volume 47, Number 4** Thomas Schirrmacher, 2024-01-26 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building

up of the church and its leadership in co ordination with the World Evangelical Alliance s broader mission and activities

**Breaking Free... from Me** J. Matthew Nance,2012-05 Are you ready for an alternative to popular culture s me first approach to life Now from the author of Living Wisely comes timeless straight talk in the new book Breaking Free From Me If you are desperate for a different kind of life that really satisfies then you can find in these pages the way to get self in sync with the bigger picture of life Breaking Free From Me will help you Discover the remedy for self absorption Pinpoint mental roadblocks keeping you from the joy of truly giving self away Move on from Me ville to places you never dared Learn how to view yourself through God s eyes Apply the book of Jonah verse by verse to your own life and those you influence Jesus as Guru J.P. Schouten,2008-01-01 People in India form images of Jesus Christ that link up with their own culture Hindus have given Jesus a place among the teachers and gods of their own religion seeing in his life something of the wisdom and mysticism that is so central to Hinduism Christians in India also make use of the concepts provided by Hinduism when they wish to express the meaning of Christ Thus in any case Jesus is for Hindus and Christians a guru a teacher of wisdom who speaks with divine authority But for many Hindu philosophers and Christian theologians there is much more that can be said about him within the Indian framework He can be described as an avatara a divine descent or linked to the Brahman the all encompassing Reality This study looks at both Hindu and Christian views of Christ starting with that of the Hindu reformer Rammohan Roy at the beginning of the nineteenth century as well as those of the first Christian theologians of India The views of Mahatma Gandhi and the monks of the Ramakrishna Mission are discussed and those of influential Christian schools such as the Ashram movement and dalit theology Five intermezzos indicate how artists in India portray Jesus Christ Jesus Christ for Contemporary Life Don Schweitzer,2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded openness In Jesus Christ for Contemporary Life Don Schweitzer explores the significance of the person work and relationships of Jesus Christ for contemporary life He moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer **Risking Christ for Christ's Sake** Madathilparampil M. Thomas,Madathilparampil Mammen Thomas,1987 The Many Faces of Jesus Christ Küster, Volker,2023-06-01 Updated version of an Orbis classic **A Man, His Bible, And God** Mark Whitton,2005 A MAN HIS BIBLE AND GOD The most practical guide you will ever need to rise above adversity and become the person God wants you to be Mark Richard I. Deibert,1999-09-01 Mark challenges the reader to believe in the mystery of God that even

through difficult times God reigns Mark's Gospel carries the reader from the desert wilderness to Jerusalem and from the crisis of the cross to the victory of the empty tomb Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth IBS can be used in small groups in church school classes in large group presentations or in personal study

**Subaltern Public Theology** Raj Bharat Patta,2023-02-22 This book delves into the public character of public theology from the sites of subalternity the excluded Dalit non public in the Indian public sphere Raj Bharat Patta employs a decolonial methodology and explores the topic in three parts First he engages with theological contexts by mapping global and Indian public theologies and critically analysing them Next he discusses theological companions and explains theological subalternity and subaltern public as companions for a subaltern public theology for India Finally Patta explains theological contours by discussing subaltern liturgy as a theological account of the subaltern public and explores a subaltern public theology for India

**Facing Danger (Second Edition)** Anna Hampton,2024-01-16 Developing a Practical Theology of Risk In a world where danger and uncertainty loom large it's easy to feel overwhelmed and unsure about how to tread wisely in ministry Yet imagine having a comprehensive guide to aid in discerning reshaping and skillfully handling the risks that come your way Facing Danger A Guide through Risk is that resource Against the rich backdrop of her family's own sojourn in perilous places Anna Hampton presents a treasure trove of practical tools and profound insights to help you thrive in an increasingly hazardous world With deep spiritual contemplation and meticulous research she offers a unique viewpoint on cross cultural service and the art of making sacrifices Missionaries pastors and those yearning to embrace a life of unyielding faith will find Facing Danger to be an indispensable resource It includes a trauma recovery recipe sixteen risk myths a hermeneutical methodology and risk assessment and management training Facing Danger equips you to create a systematic action plan to faithfully traverse dangerous landscapes Hampton empowers readers serving Christ to decipher and adeptly handle risk with wisdom and hope

*Paul and His Mortality* R. Gregory Jenks,2015-11-16 While many books are written on Jesus's death a gap exists in writings about the theological significance of a believer's death particularly in imitation of Jesus's Paul as a first apostolic witness who talked frequently about his own death serves as a foundational model for how believers perceive their own death While many have commented about Paul's stance on topics such as forensic righteousness and substitutionary atonement less is written about Paul's personal experience and anticipation of his own death and the merit he assigned to it Paul and His Mortality Imitating Christ in the Face of Death explores how Paul faced his death in light of a ministry philosophy of imitation as he sought to imitate Christ in his life so he would imitate Christ as he faced his death In his writings Paul acknowledged his vulnerability to passive death as a mortal that at any moment he might die or come near death He gave us some of the most mournful and vitriolic words about how death is God's and our enemy But he also spoke openly about

choosing death My aim is to know him to be like him in his death This study seeks to show that Paul embraced death as a follower and imitator of Christ because the benefits of a good death supersede attempts at self preservation For him embracing death is gain because it is honorable because it reflects ultimate obedience to God and because it is the reasonable response for those who understand that only Jesus s death provides atonement Studying mortality is paradoxically a study of life Peering at the prospect of life s end energizes life in the present This urgency focuses on living with mission in step with God the Creator and Sustainer of life who is rightly referred to as Life itself By focusing on mortality we focus on Paul s theology of life in its practical aspects in particular living life qualitatively aware of God s kingdom and mission and our limited quantity of days

Speaking of Jesus J. Mack Stiles, 2010-02-25 The gospel really is the best news anyone will ever receive So why do Christians shy away from talking about Jesus outside of church And when they do speak of Jesus why do they often get a disinterested or scornful reponse Mack Stiles offers a wealth of answers ideas and stories in this heads up hands on evangelism handbook His creative strategies for reaching an ethnically culturally economically educationally geographically and ideologically diverse world with the best news ever are drawn directly from his own work as an evangelist in today s student world In *Speaking of Jesus* he shows readers how to keep their eyes open for divine appointments how to approach others with a servant spirit how to cross relational barriers how to simply tell one s own story of faith and how to answer questions with honesty and confidence *Speaking of Jesus* may well be an *Out of the Saltshaker* for the 1990s and beyond With contagious enthusiasm Stiles stresses that evangelism isn t about exhibiting superhuman courage or perfecting specialized techniques or exercising extraordinary gifts Instead he shows that people of faith can use everyday situations and everyday language to pass on the simple and simply wonderful news about Jesus

*Beyond Missio Dei* Sarosh Koshy, 2021-11-24 In this book Sarosh Koshy strives to go beyond the mission model of Christianity that emerged alongside and within the colonial enterprise and ethos since the sixteenth century Rather than denounce the inheritance of the mission movement that transformed both the church and world in innumerable ways it is a simultaneous expression of appreciation for this precious heritage and an attempt to do justice by it through a yearning quest for relevant paradigms of Christian engagement Indeed there is an intense tension within this book and in fact a twin tension at that The tension is between those seeking to keep the current mission paradigm alive out of habit or as a self serving device thus corrupting and withering away a bequeathal that essentially set free the voluntary independent spirit of Christian individuals and their intentional collectives from both the ecclesiastical and political authorities On the other side are those who enlist mission both as a subsequent activity and as a basis to pursue innocuous and at times apparently heroic options that would seemingly satisfy a supposed missional mandatory This work enlists postcolonial and poststructuralist resources pedagogically to teach of mission missiology World Christianity and intercultural theology

**Secret of the Stairs** Ron M. Phillips, 2006-03-13 When people find themselves twisted and floundering in life s turmoil they long for a safe haven a place to recover Dr Phillips

shows that this longing is for a deeper more satisfying fellowship with the Lord He demonstrates how we block our understanding of God with spiritual and mental preconceptions and why clearing those obstacles can open our path to a fulfilling and engaging relationship with the Father **The Gospel According to the Marginalized** Harvey J.

Sindima,2008 This series is named for Martin Luther King Jr because of his eminence in religion and society and promotes scholarly research in areas that reflect the interrelatedness of religion and social cultural political development both in the American society and in the world Examination of religion and socio cultural components such as race relations economic developments marital and sexual relations inter ethnic cooperation contemporary political problems and Black American issues are welcomed
